To The Reader:

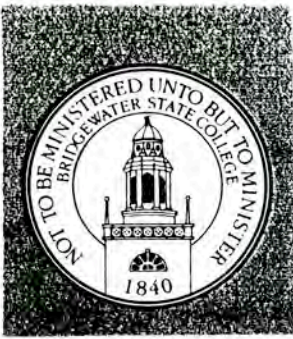

I am pleased to present to you the third annual report of the Office of Institutional Research, Selected Institutional Characteristics.

The College will continue in its development of a strategic plan this coming year. To do so demands the ability to review our recent history in several important areas. The Institutional Research staff are charged with this responsibility; this document is one of the ways in which they support the College's mission.

As always, this document is designed to provide a profile of the campus and its students, faculty, and staff. If you need additional information about Bridgewater State College that is not included in this report, please do not hesitate to contact Dr. Ronald Maggiore in the Office of Academic Affairs.

Sincerely,

Adrian Tinsley
President

PREFACE AND ACKNOWLEDGEMENTS

This is the third issue of our annual fact book, *Selected Institutional Characteristics*. It is designed to profile trends in student, staff, and financial data for use in planning efforts, as well as to inform the College community of the characteristics of and changes in our student and staff populations.

It is my hope that you will help us make the information more useful with each publication. In this regard, I have incorporated your suggestions for improvements and have appreciated your comments regarding items which you have found to be particularly useful. Special thanks go out to Dr. Qin Wang, Associate Director of Institutional Research, for her assistance in preparing this document.

This work is published as a service to the College community. As in the past, you can help us serve you better by providing constructive comments regarding its content and format.

Ronald P. Maggiore, Ph.D.
Assistant Vice President
