In the Taunton watershed, my biggest concerns are:

(In the right hand column, put them in order of priority, and describe potential solutions for your top 2 concerns on back page)

The amount of public education and outreach about environmental issues	
The amount of public education for municipal staff, boards and commissions	
The way wastewater is being managed	
The way stormwater is being managed	
The extent of inappropriate development	
The quality of my drinking water	
The available quantity of my drinking water	
The quality of water in the rivers, streams and lakes	
The problems with local permitting, compliance and enforcement	
The effectiveness of my local bylaws/ordinances	
The amount of habitat, wetlands and open space being protected	
The cost of infrastructure repairs and maintenance
