Biographical Sketch

Helen Delores Nunamaker was born on March 8, 1928 in New Stanton, Pennsylvania. She was born to Daniel Roy Nunamaker and Mary Jane (Johnson) Nunamaker. During childhood she participated in a variety of sports, including golf, bowling, and baseball. As a young adult, Nunamaker played for the National Girls Baseball League (NGBL), a league that existed from 1944-1954 in competition with the All-American Girls Professional Baseball League. In 1959, four years after retiring from professional baseball, Nunamaker married A. Lee Swogger. In her obituary she is named Helen N. Swogger.

From 1952-1986, Nunamaker was employed at Ohio Lamp General Electric working in quality control. In late adulthood Nunamaker was confined to a wheelchair due to a variety of health problems. According to her sister, Bonnie, Nunamaker kept in touch with her NGBL teammates until her death. Nunamaker died at the age of 78 on April 19, 2006.

Dear Helen,

I talked to Mr. Frett this morning and the church is still outstanding though he has
cancelled the dd check and is sending a money order of the same amount which will probably be
easier to cash than a check.

I haven’t heard anything new, but we definitely are going to reorganize our league and
get some real fellows in it instead of what we had. I told you I had talked to Corby, Doris Neal,
Jo Winters, Joan Bockney, Sophie Kurys about playing for us next year. They are all interested
but please keep it on the quiet.

I do not know how the money will hold out on that Florida venture but just so you do not
tie yourself up for the summer I do not think it will be bad for you. [new page] Be sure you get
your money because I do not trust the fellows you will play for.

I am very interested in you contacting the young pitcher and I feel sure she will be in
good hands with you and Mackie. If you send me her name and address or if you want to talk to
her about playing it is O.K. I know we will be (?) about her salary and will be able to pay her
fare in, as it is her 1st year in the league. I would like to get her a contract as soon as possible. If
there are any other prospects out there, let me know on them also as I know our league will be
looking for a lot of new talent.

I am sorry that Sherty did not make out very well in (?) and she probably will be back in
our league next season. She sure would have helped us this past season.

I would like to get Jean Sample back for one more season. With Jo Winters, Jean and
that new girl I think we would have the makings of a real pitching staff.

Mack stopped over last Friday and we went over to watch Joyce Rosen(?). She is getting
ready to play basketball with Frett.

[new page] Lee Bates is also with the same team. Joan Beckman is going to play if she
doesn’t go to Florida to play ball. She is undecided what to do. What does your contract call for
and when do your report?

I do not have your record here at work but I know you did very well. I think Nunny you
are finally learning and I think you will be one of the top players in the league. I was particularly
proud at some of the hard line drives that you hit. Now you can only learn the drag bunt on a (?)
they will have a hard time getting you out.

Drop me a line and let me know when you receive your money and also let me know
your plans about Florida.

Sincerely,
Bob
