"I couldn't imagine myself being here four years ago. I've had a great deal of help along the way, and so many memories I'll always remember. To my family, thank you for always being my rock, my support when I needed it most. To my friends, thank you for not stealing that practice room when I needed it. To my instructor Spencer Aston, thank you for everything you taught me, and for giving me the drive to push towards success every day. Thank you everyone!"

-James Sheehan

"Thank you to all of my friends and family who made it out tonight. My sincerest thanks go to all of my Professors for pushing me to do my best. To Prof. Mouffe: I would not be here without your brilliant inspiration. Last, but certainly not least, thank you Mom & Dad for your continuous support."
