Special thanks to:
First off, a special thank you to Miguel Pérez-Espejo for bringing me so far in my musical abilities the past couple years. I couldn’t be happier with what I’ve been able to achieve with your guidance. Thank you to my accompanist, Jim Hay, and my inspirational professors at BSU for working with me and giving me the advice I needed. Thank you to those friends who have given me feedback while listening to me practice and have helped me survive each semester at school. And finally, a huge thank you to my family and my best friend who has supported me since the start of my musical adventures.
