President Dana Mohler-Faria
Dear friends,

I am delighted to offer the greetings of our entire faculty and staff to the wonderful store of memories contained in this year’s edition of Memorie Collegi. At the same time, I am honored to congratulate members of the graduating class for taking the next big step on their journey to success.

Years from now, I hope you will look back on your days at Bridgewater as an extraordinary time - a time in which you achieved not only as students but as fully-engaged and responsible members of our society. I hope, too, that the unique relationships you forged here remain integral parts of your professional and personal lives.

During your time at Bridgewater, the reach of our institution has grown considerably just as more and more citizens of the Commonwealth have taken note of our rise. Behind every expansion, innovation or accolade stand hard-working, bright and productive students. Your talents and abilities have propelled this institution ever forward and countless generations of BSC students will benefit from your perseverance and commitment. Each of you is capable of remarkable things and your futures are limitless in their potential.

Continue to give back to your communities, knowing that as leaders you have been called upon to think beyond the self. Care for one another and be humble in your pursuits. And each day take with you the blessings of a Bridgewater education and the tremendous pride of your alma mater.

Sincerely,

Dana Mohler-Faria
President

Much joy and happiness came into our lives the day you were born.

Always smiling and radiating sunshine to everyone you meet.

Now is your time to shine and be as proud of yourself as we are of you and your accomplishments.

Don’t ever let yourself think you are not capable of doing anything.

You can do anything you desire as long as you believe in yourself.

Congratulations and God Bless!

Love,
Mom & Dad
