President Lyndon Johnson has recently signed into law the new $300 to $1,500 during the 1966 is at resorts, summer camps, and tips on making application, ask the Hesiodus Club, President and Dean, Dean of Graduate Studies, of Dr. Karen DuBin. Seniors who are interested in trying out for parts MEDEA will be staged on the Rotunda this Christmas vacation and we hope that the new year will bring each and every student success and happiness.

As you know, a vacation at this period of the year is so necessary that we would have to invent it!

In order to celebrate the 125th anniversary of BSC, the Herodotus Club invites to its President Lyndon J. Johnson to speak at Commonwealth exercises June 5, 1966. To make this possible, students, faculty, and undergraduates should sign the petition which will accompany the invitation. The petition is in the rotunda now.

A Message From The President

The CAMPUS COMMENT has very kindly asked me if I would like to give a Christmas message to the students. Mrs. Rondileau and I certainly wish every single student a most happy, restful and safe Christmas vacation and hope that each and every student success and happiness.

In our time, what the theologian calls the "human predicament," has certainly not gotten any less complicated. You, as students, know full well--in spite of the fact that members of the older generation tell you that in many ways the life of the student exemplifies very little else--that in many ways the life of the student exemplifies very

Dear Editor:

Our recent basketball game against the 1965-66 season was only a part of the season, as we hope to improve in future games.

Sincerely,

Student Leader
The American-European Student Service is again making available to students in many European countries, including Belgium, Germany, Italy, Austria, the United Kingdom and France, the opportunity to work farm, labor, work, construction or teaching jobs throughout the summer. The jobs are paid, and the students receive a minimal living allowance while in their positions. The students living in host families are paid an additional amount, which varies from country to country.

The purpose of the program is to provide American and European students with a close contact with the life of other countries, and to give them the opportunity to improve their language skills, to learn about American and European culture and customs, and to make new friends. Working conditions are strictly controlled by the host countries, and all students are required to have a working knowledge of the language of the country they are working in. The students are also required to live with private families from a wide range of nations.

The United States National Student Exchange Program is one of the few programs that is designed to offer study abroad and exchange programs to American students. The program is open to American students who wish to study abroad and to European students who wish to study in the United States. The program is open to students from a wide range of nations.

The American-European Student Service is a non-profit organization that provides opportunities for students to work abroad. The organization is funded by a combination of government grants, private donations, and student fees. The organization is committed to providing students with a safe and rewarding experience abroad. The organization has a long history of success in providing students with opportunities to work abroad and to learn about other cultures and countries.
BSC EVEN 2 WINS 2 LOSSES

The Bears opened their 1965-66 basketball season on a positive note with an 85-78 win over Fitchburg State. A good sized crowd saw co-captain Karl Crowell score his 1000th career point, some hard action under the boards and a BSC team with enough height to win this season.

Bridgewater owned the first half running up a 19 point lead by half time. Brennan put in 16 and Phelan 9. Brennan took the second half tapoff for a score and later hit a set shot for his 1000th career point. Time was called to congratulate Brennan and announce his award of the game ball.

With time in again the completion of the game started. Fitchburg began to get hot. They out the Bear's lead to 1 point, 84-83. Brennan got 2 points back for BSC and then fouled out. With Brennan out Phelan took over the offensive attack, scoring 15 of his 22 points in the last half.

The Fitchburg team was up their offensive attack and outscored Bridge­water 43-26 for the half. However the preening FSC team committed some fouls that allowed the Bears to stay ahead. Heavy shooting from the line, 17 out of 21 possible points, by Petipas, Phelan and Lucius kept that lead. On the defensive side Brennan and Petipas did a good job under the boards.

Bridgewater's George Shevchuck led all scorers with 28 points. Nelson and Sandel scooped 17 scores for FSC. Four men hit double figures for the Bears; Brennan 23, Phelan 22, Lucius 14, and Fairbanks 11.

Westfield 70 - BSC 67

Bridgewater hosted Westfield State on the 6th and lost 70-67. The Bears were cold in the first half and Westfield wasn't much better, 31-29 half time lead. But a 5 point half time edge and a 1 point second half edge gave West­field the game.

At Petipas, Paul Lucius and Jack Warren brought Bridgewater along in the closing minutes of the first half. Two baskets by Petipas, one by Lucius and one by Warren brought the Bears to within two points of Westfield when the half ended.

An outside shot by Phelan and a hoop by Brennan brought BSC to within one point, 35-34, in the second half. The score went back and forth for the rest of the game. A third goal and two free throws by Brennan put the Bears in the lead 59-58. BSC went behind again until Fairbanks scored twice to tie the game at 60-60. In the final minutes BSC came within one point again, 61-60, but Westfield went on to take the ball game.

That was high scorer with 20 points. Four Fitchburg men hit double figures; Olyta 17, Popp 16, Parrison 11 and Knowles 17.

Football Co-Captains Elected

Brond Baranszki and Hal Fanning were recently elected by the members of the football team to serve as co-captains for the 1965-1967 season.
