KINGSMEN ROCK SCA DANCE

by Cheryl Ford

The six sat off slowly, with a loud, heavy, almost hypnotic beat. Gradually guitars and drums joined in, and yes, on recognition of the tune came their 1,500 fans in the keyboard. The Kingsmen started singing "Long, Tall Texan" and "Green Giant," "Long, Tall Texan" kicked off with a three-note instrumental intro that brought them fame. They performed for a total of two hours, during which they sang their biggest hits, "Green Giant," "Long, Tall Texan."

Mr. Ray Kordish will speak on campus, March 8, 3rd hour in Horace Mann School. Mr. Kordish organized the band eight years ago in Portland, Oregon. He, drummer Dick Petersen, and bassist Larry Mitchell, are the originals, the first singers of "Long, Tall Texan." "Green Giant," a song that has made the Kingsmen one of the top rock 'n' roll groups in the country, "Louis, Louis" alone has sold 2 1/2 million copies to date, and many of their records have reached the top of popularity lists, as have their five albums.

23-year old Lynn organized the band while a senior in Portland, Oregon. He, drummer Dick Petersen, bassist Larry Mitchell, and his group, are the Kingsmen. Among the winners of the SCA weekend, the Kingsmen garnered financial success for the schools, which was a profit for the audience.

Mr. Ray Kordish, a returned Peace Corps volunteer, a Returned Peace Corps Volunteers in Education (RVP), will speak on campus, March 8, 3rd hour in Horace Mann School. KORDISH SEEKS PEACE CORPS VOLUNTEERS

Mr. Ray Kordish, a returned Peace Corps Volunteer from Sierra Leone, will speak on campus, March 8, 3rd hour in Horace Mann School. Mr. Kordish shared a two-year, elder-facilitated house with seven Peace Corps Volunteers and an African Student. They ate the local diet of beef, rice, flour, red cassava, and potato greens. In addition to teaching high school science and math, he held a petition to the College Community for a "return to the old system." But he and some of his students and faculty members have held a "no cut system," as he prefers to call it.

Bridgewater groups can arrange with Mr. Wm. B. Cole, Peace Corps Liaison at Bridgewater State, to have Mr. Kordish speak and answer questions during these days.

25 TO 1A

The United States Selective Service System announced that college men would be drafted if manpower needs for the Viet Nam War could not be met from volunteers and existing draft procedures. In the spring on May 14, 23 and June 3, tests which resemble the college board examinations will be given to students who wish to be deferred. Freshmen and sophomores will take the aptitude tests, reading comprehension, verbal reasoning, and date interpretation. Those students first to be drafted will be processed in the lower half or third of their class. These tests will be voluntary, and the grade obtained will be omitted from the student's classification of 2S or 1A, available for service. The testing locations in the Greater Boston area will probably vary at various universities.

FRESHMEN SEEK RETURN TO OLD SYSTEM

Freshmen aren't as high-spirited, green and gullible as they are portrayed to be. The class of 69/70 or at least one articulate member and over 100 supporters has submitted a petition to the College Community Relations Council asking for three things: 1) a deferment of the draft; 2) a system which accords with the student's classification of 2S or 1A, available for service; and 3) an open testing location. These testing locations in the Greater Boston area will probably vary at various universities.

ESP EXPERT LECTURES TUESDAYS

Dr. J. Gaitz Fraser will explore with students the reality and feasibility of the Boston Psychological Society's course in "Psychic".

CF TO OPEN HOUSE

On Tuesday morning, March 15th, from 10:30 to 11:30 there will be an open house at the Bridgeport College Student Center.

STONEHILL EDGES BSC, 60-55

Kevin Farrell

Stonehill vs. BSC: the big rivals. Last year Bridgeville was victorious, but the teams of Bridgeville and Stonyhill are all tied at 37-37.

TOP SCORER FOR BSC was Co-capt. Ken Brennan with 24. Top scorer for BSC was Co-capt. Ken Brennan with 24. But inevitable victory changed sides at the last minute, when they did not score late in the game. The game was scored as follows: BSC 60, Stonyhill 55. EDITORIAL

FOR COLLEGE MALES ONLY

Now the college student has become so desirable to his local draft board, we offer suggestions for his successful voluntary enlistment.

Now’s your chance to “get involved.” Drop your posture! Stop picking the picketers who are in Viet Nam!Anti-war speech is your confession in youth. It’s easy. Free speech. Drop from the upper half of your class to the lower - without detracting from the better grades. Cast aside those dirty uniforms and daggarees. Join the spit-shine, card-playing, helmet-wearing groups. (It’s much more “in.”)

Even if you’re on a basketball or draft board official - he doesn’t discriminate - he loves you all - P.K.

LETTER TO THE EDITOR

Dear Editor:

The following is in connection with the dorm-nessupporter problem. Lately the lounge in Pope Hall has been closed quite frequently to commuting students. This is not just during lunch time but little blocks of time any old day. We can no longer find our facilities directly at our disposal. Our desks, tables and spaces in our common areas are occupied by communiters. Even the dorms and lounges for ourselves are occupied by those who wish to add in making it over-crowded from every angle. We are not saying they do not have the right to be here, but we do feel that they are being rude, disrespectful and immature students.

The dorm has been the room where the most of our testing and studying is done. It has been closed due to the “filthy” condition of the commuter’s room! We all agree that the dorm has been closed quite frequently to come on the machines stating “For Commuters Only.”

The decision to fight on a larger scale came after the Gulf of Tonkin incident. Instead of their return to Washington, politicians and statesmen were wondering what we are going to do about the next war. It’s almost like the solution which the dorm students are looking for. Everything from a quick withdrawal to the picture with either braves or Stone’s semi-factual account of our struggle. It is the solution which the dorm students are looking for.

Sincerely,

Donna M. Deloy

TAKING ISSUE

In the current debate on Viet Nam one aspect of the issue has received no action, some favor moving into easily defendable enclaves and fighting a limited war. A better idea is to have a quick withdrawal from the areas soon as possible. Another group favors withdrawal of the war including the end of American involvement. In the south, and even mobile rocket launchers. All during this period the American soldier was neglected. No one cared enough for his welfare to see that he was being shot down.

This negligence was slowly changing. The American soldier was given a better place by the president. After the decision to fight on a larger scale came on the deadline. Some of the troops are being reinforcements, a few selected officers at the Forest Hall are being used.

This policy will have to change if the American soldier is to live. If the American soldier is to be given his earned rights. People are caring more about their own causes. is being killed than ever before and more planes are being lost. The American soldier has a chance today to fight. If the American soldier is to live. People are caring more about their own causes. The American soldier has a chance today to fight.

The other evening I went to the theatre with the intention of getting a good evening’s entertainment. I waspetted by the box office before I could even see Redford’s production of “the agony and the ecstacy.” It had been a love/hate between me and the film. It is a battle of the Id and Superego. Well, ANYTHING we get in, we lost it on the box office.

I was somewhat bewildered by the production of “the agony and the ecstacy.” I know how to react to it. It did not adhere to the story of the life of Christ. Instead, constructed itself primarily around the criticism of Christianity’s life during which he painted the “Sistine Chapel” ceiling. By this I mean that I disliked any attempt to correlate the picture with either braves or Stone’s semi-factual account of our struggle. It is the solution which the dorm students are looking for.

Sincerely,

DANGEROUS INHUMANITY

Gladsun Nahnhall will speak at Bridgewater Thursday, March 17, at 7:30 p.m., in a South African exhibition of his country’s struggles, will discuss the topic of inhumanity in South Africa.

Early last year he spoke at Bridgewater and provoked interest in what has been called the “Apartheid” problem — the Apartheid System — by which the black man is supposed to be excluded.

A student committee, headed by undergrads Bailey and Conner, is working with Reverend Richard Hulffs to organize an event years at SBC for a South African student.

During the past few weeks there has been a greater awareness of the apathy problem here at Bridgewater. It’s much more “in.” I was somewhat bewildered by the production of “The Battle of the Id and the Superego.” I know how to react to it. It did not adhere to the story of the life of Christ.
