SCA Weekend is Success

Chainsaw - '67 Alpha appointed 136 pints of blood out last year's 186 pints.

Bleed-In on a Friday had been somewhat disappointing in number. The affair went very smoothly due to the efforts of the Alpha group. Only sixteen prospective members was just not equal to their spirit.

Mr. Werner attributed the difference in the number of members to the shooting of the road of the "cosmopolitans," as they saw the gym. So we contacted them to let them know when we started staging our "Next Day," so they could make it.

They captured the entire audience, and members were singing in the balcony before they threw the switch over to their brother group.

The event was a well-rounded hour, beginning with Annelyse Teeven and Julie Melrose, who introduced "paoke in music" with a dramatic reading of a poem whose verse was "Maytime," but the music and lyrics were familiar to their fans as their volume became proportionally as good as their voices, and at times, even better. They were as acappal as the British, who had just left them.

The two types of people in the audience came together into one, and the audience was completely satisfied with the entertainment, and the performance was every thing everyone knew they would be.

The performance was a total success, and the audience was thoroughly entertained. The Chan's were thoroughly enjoyed by the audience, as they gave them a standing ovation.
Discord By a Nose

By Daniel W. Kellner

Attention Commissars! This year the members of the Day Student Association (DSA) have agreed not to go into rebellion after the meeting of the Commis- sars. student theater. I realize that this conflict is a serious one, but I feel we must resolve it. It is important that we continue with the DSA's original objectives of building, reinforcing, and continuing our organization's activities.

The DSA is a very active group, with many successful activities throughout the year. It is hoped that this will keep these groups a bit cleaner. But, it is up to the individual commis- sars to pick up on these issues and work towards a solution.

In Appreciation

It started with Tony Monearino, pantomime, his latest was Marvin Gordon's Ballet Concert, "In." It is the Assembly Program, which has this year been met with unprecedented, enthusiastic response. This is due in part to the Committee's excellent taste in the selection of these performances. It will gain a lasting reputation as one of the finest campus activities.

Letters to the Editor

To the Editor:

Congratulations! As the new edi-
tor of CAMPUS COMMENT I am sure you will do the best possible job. It is up to you to maintain your school's objectives and standards. You have expressed your determination to support these objectives. However, I have already said that some consideration may be made for the possibility of changing your name. If you feel that your name is not right for you, I feel it must now be modified.

At the March 8, S.C.A. meeting, President Dusty Kelly said that some 200 extras students and staff members would be added to the college next year. Although this does not mean that no new classroom space or office space will be needed, the Student Union is completed, this increase in students will result in increased revenue, and it will make it possible for the University to expand its facilities.

If you are interested and would like to become a member of the DSA, please indicate your interest in the space below. If you are present, members of the staff are also requested to return this form. If you are presently a member of the staff, please indicate your willingness to use that strength. In the personal belief, considered the only means of furthering our objectives is the use of the forces at our disposal. To us was the CIA. Attempts at increasing the flow of the facts of the situation should be considered.

NSA Explains CIA Link

As a result of the recently publicized NSA's interna-
tional policies, NSA sought to strengthen its ties with the CIA. Without substantial funds, it was not possible to accomplish the objectives set by the NSA. However, it was possible to achieve the objectives set by the NSA. The assistance, cooperation, and efforts of all involved made this weekend a social success.

Three aspects of NSA's international policies were involved: first, the NSA sought to strengthen its ties with the CIA. Without substantial funds, it was not possible to accomplish the objectives set by the NSA. However, it was possible to achieve the objectives set by the NSA. The assistance, cooperation, and efforts of all involved made this weekend a social success.

NSA has been blamed for its "culturallag," but culture is being presented in a way to present more than five of these fine programs a 'year. And the Commis- sars will shake their heads and insist that praise for DSA is a bit pre-

Apply for Aid by April 15

Mr. Paul F. Kelley, Financial Aid Office, has announced the availability of applications for financial aid for the fiscal year 1967-1968. These applications are due to the secretary in the Division of Student Personnel by April 15.

All students desiring aid (National Defense Student Loan, Opportunity Grant, College Work Study Program) should apply to the Financial Aid Office by that date. The applications are available from the secretary in the Division of Student Personnel.

News Briefs

Masses during Lent at the Newman Center will be held Monday, Wednesday, and Friday from 11:00 to 12:00 noon.

“WITAS” is sponsoring a spring dance “In the Tilly Room” on Tuesday, March 26. Admission is 50c.

The Speech and Drama Department is presenting the stage production “In the Cloakroom.”

New Language Format Predicted

The “Language Fellow” program, which has been successful in the implementation of the “lenguaje” concept, will be extended to all students in the fall semester. This extension will enable students to study languages in small groups, with the guidance of expert lecturers.

The purpose of this program is to develop an exchange system to enable students to study languages in which they have no previous knowledge.

In Loco Parents” Defended

Galesburg, Ill. — (P.R.) — The Dean of Students at Knox College is putting the University’s role as “father parent” to its students to the test in an address on “The Doorway to Induction.” Dr. Walter F. Pillsbury, the Dean, said that some educators have reassessed the principles of the “father parent” role and that Knox College is studying this concept.

The idea of the “father parent” role is based on the notion that students should be given guidance and support in their personal and academic lives. This role is different from that of the “mother parent,” who is more concerned with the students’ emotional needs.

The “father parent” role is more common in French universities, and the French student is required to follow the French government’s rules in the dormitory.

The 40 students from colleges throughout the country attending St. John’s University’s Institute at French will have such an integrated language experience. Specifically, they will study the history, philosophy, and literature of the language in order to gain a deeper understanding of the language and its culture.

The students will be divided into small groups and will be taught by French instructors. They will learn French through reading, writing, and speaking French.

The “father parent” role is more important in French universities, and the French student is required to follow the French government’s rules in the dormitory.

STONEHILL COASTS ... WIN 93-71

By Karl P. Crowell

Brockton: Bridgewater ended their basketball season Tuesday night with a loss to Stonehill College. The Bear's were making mistakes - turnovers, 21 turnovers - and the Chieftans were cashing in. Then BSC started to heat up. Patipas and Fitzpatrick combined for five points to score 8-6. Ron Richards and Pariseau hit on a jumper, Broman throws by Ross, 2 field goals by Pariseau, the games high scorer. The score to 47-44. Ross then came in with the prettiest play of the game. He took a pass from Patipas, dribble, was covering in front of the basket, looked forward with an underhand, couldn't do anything else, shot, and scored. Bridgewater had again fought back to gain one point into one in the half. The score for this point was only 22, though, as Stonehill started to feed Richards in the pivot. His height underhand, couldn't do anything else. When the half ended, the Bear's owned a 12-40 lead. The Bear's had caught Westfield. Bridgewater lost by nine 83-74. The game was close at 47-46, Richards worked against Ross.

Intramural Sports

by Jim Pappas and Connie Guertin

Assistant Football Coach Peter Mazzaferro has developed a many faceted, intramural athletics program which is currently featuring intramural basketball. Each team in the intramural league is required to play eight games. At the end of the eight-game season, the top four teams will compete in playoff rounds to decide the championship team. The playoffs will be held March 11-13. The current intramural standings are as follows:

1. FLAMERS 7-0 1,000
2. EAGLES 6-0 887
3. STEPS 6-0 837
4. JAZZ 6-0 800
5. STONES 6-0 800
6. SPIN 3-3 430
7. STONES 3-3 430
8. MISSED LINKS 1-6 140
9. MAH IRIS 1-6 140
10. KAMARAZIE 0-7 0

In the spring, the rivalry of the softball league will begin once again. The two teams planned to play a double header this season. All players or a Volleyball team are to be submitted to Mr. Mazzaferro before April 1st. The 93-71 man, scored, was fouled, and converted for the three pointers, Scooe drove, Ricketts, Calabrese, and Pariseau all hit to push Stonehill into a 10 point lead--66-56. This burst broke the game open, Richards kept working, the game scoring 18 of Stonehill's next 27 points. In the fourth quarter Stonehill opened the game to a fairly constant 18 to 15 point lead, and ending at 18 point burst that put the game out of reach at 90 to 12 point lead. The final score was 90-71. The first four seconds for Stonehill were Pariseau, Richards 20, Hitchen 11, and Callahan and Hannel had 10 apiece. Patipas lead Bridgewater with 19, Ross 18, Fitzpatrick 16, and Broman 10.

Back to Wilt: How can anyone wonder if he could do it during the streak. Chamberlain is a damn good ballplayer but he is not a god. It seems to kill the Celtics, Luke Walton. Would you believe that this year's Aquabrite Show will feature three comedians to top basic telling acts? You better believe it, it's TRUE.

Barry Fitzpatrick starts a drive.

Bears Extend Streak

By Chris Brady

Combating a hot offense with an icy defense Bridgewater came up with a very big 88-76 victory over Farmington State, February 14. Al Petipas and Barry Ross played their usual good offensive game with a set of help from the ball handling tactics of Patipas and backed up by Crowley and Broman.

From the opening tip-off it was clear that no one was going to stop the Bear's, Farmington. Rough mistakes, managed to hold close to Bridgewater through most of the first half. When the half ended, the Bear's owned a seven point lead.

The second half was more of the same. Petipas and Ross carried most of the scoring and Broman and Crowley cleared the boards. BSC coasted through the last fourteen minutes and won by twenty.

Carried by the momentum of a tremendous win, Bridgewater was defeated by the second straight win. Westfield beat Bridgewater by twenty points in their first meeting this year.

Crawford, looking good for the second straight game, combined with Broman to hold Westfield off while the Bear's offensive game got hot. Late in the half, the offense heated up and started to cut into Westfield's lead. At the half the Bear's trailed by only three.

In the second half Bridgewater started to run, Ross and Petipas had the range and Broman was moving on the hoop with his big boot. At the fourteen minute mark of the second half the Bear's caught Westfield, Bridgewater began to slowly pull away to their 87-61 victory.

BEARS WIN 1, LOSE 3

Karl P. Crowell

The Bear's extended their winning streak to four games with a win over Connecticut 88-74, The streak started against SMTI February 8 at SMTI. Then the Bear's scored victories over Farmington State and Westfield State.

The Bear's traveled to Boston State, February 31, and started a four game losing streak playing.

Coach Lawndale's summer tourney found Boston State five overpowered the Bear's by a 93-56 score. Boston left the door at halftime with a 38-18 lead, and came back to pour it on in the second half.

Petipas was high scorer in the game, with 10, but it was the all around team scoring of Boston that made the difference. Boston's Anagnos got 12, Spizzo 14, Gilbert 15, Jackson 9, Poilorse 9, and Mackay 9.

Even won't play in the NCAA tourney another game against Westfield state nemesis Salem State.

Four days later the Bear's traveled to Plymouth, New Hampshire for a game against Plymouth state College. Bridgewater lost by six 85-74. The game was close in the beginning, but Plymouth gradually pulled away. In the last ten minutes of play Bridgewater staged a comeback. Done by 16 -- 43-47 -- the Bear's picked up four, But Ross, Broman, who had been sparking the Bear's, fouled out, and the loss by nine points ensued.

Bridgewater: Ross 4, O'Brien 10, Crowley 6, Broman 16, Kelleher 9, Bridgewater 19, Petipas 17 -- 74.
