Office is "Doolally" Moved

If your attempt to gain financial assistance were unsuccessful, DO NOT DESPAIR! You were probably just in the wrong office. The reason for this small error on your part is that there is an office exchange between the Financial Aid Office and the Guidance Office. Students can now find the Financial Aid Office in the former Guidance Office.

BSC's Great Hill-ton Opens

After months of waiting, the new Great Hill Residence opened to students on September 27. Six hundred students—three hundred juniors and three hundred seniors—moved into the new residence. The dorm was forced to close due to a fire in the basement on September 26. The reason for the fire was that the basement was not properly ventilated.

At present, the college is negotiating with the city of Bridgewater for a permit to erect a foot path across the campus. The city is willing to support the construction of the foot path. The college is also negotiating with the city of Bridgewater for a permit to erect a foot path across the campus. The city is willing to support the construction of the foot path.

Looking For Someone? B. S. C.

By Maureen Condon

All the soul of the day, are you exhausted? Do you have a cramp in your neck from embracing the phone, while your fingers frantically frantically from phone number to phone number? Do you have laryngitis and sore feet after the long day of calling up and down the corridor? Any other aches and pain? Well, if you haven’t mastered the art of the African drummers, or if you can’t play like a Swiss Montreuxer — in Muncie Code, or if you can’t run up and down the stairs with the speed and dexterity of a mountain goat, or if you have not yet learned to wrangle the ladies with success — THEN — You may be one of the BSC Family who would appreciate the installation of an intercom system in Boyten.

While working in the English Office this past summer, I was asked to check a list of books "missing from the library in June," Missing—Ho-Hum. The majority, of course, were SHIPPED. Granted, everyone would like to increase the size of his personal library, but does anyone really want a label Stacked State College Library? Maybe someone has a reason. For example, every yearly monetary awards are given to five or six students in the country for unusual personal libraries. Perhaps we have a contender here at Bridgewater— the student with the greatest amount of $6.00 per book, and you can see how much these books mean to the librarian. Remember too, that this is only the count for one department in the school. Possibly 1,000 books, books may be borrowed for an entire quarter to cut down on these less than mysterious disappearances. So, if you have an irresistible urge to take (illegally that is) a book off a shelf, please return it. The majority, of course, were SWIPED. Granted, everyone has made an honest mistake, but let us help ourselves.

IMPORTANT

Professor Donley has sent intake cards to everyone (freshmen) in this school. His purpose is to introduce the student to his freshman advisor. If there are any freshmen who have not yet been assigned a counselor, they should contact the guidance office immediately.

A series of lectures by specialists in different professions are being planned, with the first session being presented to any junior and senior female A.B. majors who might be interested in assisting with the work of the guidance office concerning federal financial aid, and government jobs, and insurance.

The purpose is to get interested in part-time jobs off campus, register with the guidance director. He has many openings.

Kappa Coffee Members

Kappa Delta Pi, Honor Society in Education, will be sending out upper-classmen to several institutions for an informal pre-initiation coffee hour. The coffee hour will be held from 3:00 p.m. to 6:00 p.m., in the large Deen, Room in Boyden Hall, on October 9. Kappa’s social activities and educational projects for the year, and plans for initiation (Thursday, November 30, during dinner hour in the auditorium) will be discussed with the perspective members.

This year, Kappa will be inducting more new members (last year approx. twenty upperclassmen were inducted) than ever before, in accordance with the latest practices of many of the other state fraternity. Invitations will be sent on October 4 to the seniors and will be posted on the main bulletin board in Boyden for commuters.

Chapbook Seeks Articles

Chapbook has extended its deadline for submitting articles first to October 3, 1967. They will accept short fiction, poems, and art work, and a limited number of poems.

This week, Chapbook will be signifying their appreciation for your staff, and selling tickets for the Carl De Sue Program.

Museum Programs Imperiled

Every 7, Robertson, Director of the Museum of Fine Arts in Boston is inviting your support in a campaign of an appropriation bill now under consideration by the state legislature. The Museum is in the need of funds to continue the education programs now offered to the school children of Massachusetts. Mr. Robertson is relying on your senators and representatives on the matter.

SWIM-IN SLATED

BSC's answer to the lovelorn, the Aquanets, will conduct a swimming dissertation on Thursday, October 5th. In the Rotunda from 8 p.m. to 12 a.m., the pool will be filled with water, and there will be an In-Town bus to school, and the pool will be closed to those students not in attendance.

Where Are We Going—What Are We Doing

As a public service to all new students, Saturday, Whipman, late of SNAFU University, offers the following words of enlightenment:

There is no truth to the rumor that:

1. You need a note from your mother to return books to the book store.

2. Freshmen and sophomore Graduate School and that Hill dorm students have been advised to follow the tenancy to the 9th floor and take an In-Town bus to school, and the pool will be closed to those students not in attendance.

3. You will not be able to register correctly by the last day of class.

4. That our course work was formulated by the Esso Motor Company.

5. The MTA is considering a Great Hill to Bridgewater run.

6. The Stadium Authority is considering Lower Campus as a possible site.

7. That the Campus Police use silver bullets.

There will be an archetypical "Dip-in" for the two year old Student Union corner store.

Welcome To SNAFU U.

Be prepared to answer these questions:

For those curious as to the species of animal inhabiting campus Tuesday, September 26 at 15:00 h.m., be informed that they are none other than the fabulous BSC accompanied by the occasional non-BSC. Our faculty served as colorful academic dress worn by the participants, the virile, hairless, and how they are of scholarly devotion, and serve also to identify alma mater, and degrees of learning of the scholar.

As a result, you will in style; the bachelor’s gown has long since been abandoned; the hood beneath its three feet tall is a mere whisper; the academic dress worn by the participants, the virile, hairless, and how they are of scholarly devotion, and serve also to identify alma mater, and degrees of learning of the scholar.

Those hoods of varied length differ each other, the velvet maker of the hood indicates the degree of the scholar. The black velvet of the hood is the degree was beard. For example, colors at BSC will be white for arts, letters and humanities, light green for sciences, sage green for physical education or science, brown, and blue for education.

**Football '67 at BSC**

**by Chris Brody**

On Saturday, September 23, Bridgewater State College opened this year's football season. This year the big question mark is the off-season, particularly with the loss of Jeff Fanning. Junior Jim Accamando and its backfield returning intact and used as a guide, things look very solid. Bridgewater State's defense tore up Branmark, LaCorte and Tringale, figure to fill some of the gaps, BSC has a punch.

Bill Clifford intercepted a pass in the end zone and then raced 100 yards for a T.D. Atome point, Dean's offense. At one point, Bridgewater State's defense tore up Branmark, LaCorte and Tringale, figure to fill some of the gaps, BSC has a punch.

**Cross Country 1967 Bored? See Board**

**by Chris Brody**

The questions for the success of this year's Cross Country Team won't be answered until the first meet, Sept. 30. But four runners are freshmen with little or no experience. Captain Brian Nelson, sophomore Vic DeFelice, and senior Cali Eiras have lined up among the top runners. Coach Tom Kesten is hopeful that freshmen members Ed Hainsford, Steve Decon, Bill Bander, and Joe Freese will come through for the team. Whether or not the Bridgewater State Cross Country Team has the kind of year they might like, the next few years can't help but be an improvement with this year's influx of freshmen.

**Intramurals Begin**

Coach Pete Mazzaferro announces the formation of intramural flag teams. Anyone interested in participating in this program should have his team roster turned in to Mr. Mazzaferro by this afternoon. Those teams consist of eight players on the field, but it is advisable to have more players to assure a full team for each game. Teams can be drawn from the dorm student, commuter or from any other group interested in playing. All games will be played from 4 p.m. to 6:30 p.m. daily on the field behind the Gymnasium Parking Facilities.

**Freshman Follies**

**by Peggy Pruitt**

On Thursday evening, September 25, WFA once again sponsored the "FRESHMAN FOLLIES." This year the freshmen women who live on the various floors of the new Great Hill dorm competed against each other for the freshest woman award. The South Freshmen, led by Kathy Nomes, won the award for their skit which showed how initiations might have looked in previous years. One of their segments showed a Boating 20's initiation in which the bootlegging freshmen appealed their Big Sisters by offering them bottles of liquor. In all, Freshman Follies was indicative of the great spirit of this year's installation. Everyone participated in the spirit in which it was put on, and good sportsmanship was evidenced throughout the show.

**Looking for something to do?**

**Bored with provincialites? Like to check out the Boston cultural scene but don't know how? Well then, Kiddo, try yourself up to the Humantities Bulletin Board on the second floor of Boyden. And this year, the Erudite of the Humanities will once again long their bulletin board up to state with information about concerts, plays, and other cultural goings. For example, if you'd like to check out a mix with an African, how about a mixer at the International Student Center in Cambridge. Or, how about an exhibit on Design in Transit at the Institute for Contemporary Art? Then too, there are the museums—Isabell Stewart Gardner Museum, Boston Museum of Fine Arts, and various smaller art galleries.**
