Linda Lapierre, a junior psychology major from North Attleboro, has been elected as the Editor-in-Chief of the COMMENT for the 1972-1973 academic year by the COMMENT staff.

Linda has served on the COMMENT staff since her freshman year. Last year she served as office manager and this year she held the title of Managing Editor. Linda lives with her family in North Attleboro. She is a member of the BSC Chorale and on the steering committee of the Music Appreciation Club.

Miss Lapierre will officially assume the title of Editor-in-Chief from graduating editor Phil Conroy on Sunday, June 4, 1972. Mr. Conroy, an elementary education major from North Quincy served as Business Manager for the COMMENT during his sophomore year and last year served as Managing Editor. Mr. Conroy has also served as Vice-Chairman of the S. U. Board of Governors for two years and is a member of the Alumni Executive Board.

Illustrative of the increasing “relevance” of teaching training in Massachusetts institutions of Higher Learning, Bridgewater State College and the Bridgewater-Rayham Regional High School have embarked upon a new venture called a “Learning Center.”

It’s the brainchild of Dr. Robert D. MacCurdy, Professor of Elementary Education at the College and C. W. Allen, Director of Compensatory Services at the Regional High School. Together they were able to obtain a federal grant of $14,000.00 and, with the assistance of Mr. Ralph McLean, Superintendent of Bridgewater-Rayham Regional High School, are setting up the Learning Center at the High School.

Through this center, students from the College will have been needed and be in close touch with the students at the high school.

As Dr. MacCurdy explained it, there are two vital areas in which both students and faculties needed and be in close touch with the high school.

The first area is in the developing teaching training program; the second, the teaching of Algebra.

For Bridgewater State College 1972-1973 and Subsequent Catalogs Eight-Semester Time Limit as a Full-Time Student

The College has allowed a maximum of eight full semesters in order to complete degree requirements as a full-time student within the time required by the college. Eight semesters is the maximum time awarded a student who is carrying full-time credit.

If a student does not complete work for his degree during eight semesters, he will no longer be considered a full-time student and will be expected to complete his work outside the Day Session Program, either in another institution or in our Continuing Studies Program, in the summer and in the late afternoon or evening.

Standards for Representing the College

In order to represent the undergraduate College in an intercollegiate competition, or as a member of the student government, all four of the following circumstances must be true about a student:

1. He must be in good academic standing.
2. He must be a full-time student, which is defined as being enrolled in a minimum of 12 semester hours of credit.
3. He must not have completed his undergraduate degree.
4. He must have completed no more than eight full semesters in the day session. Such eight full semesters in the case of a transfer student would include the number of semesters' work granted in transfer credit.

On May 7th many young people from the towns of East and West Bridgewater, Raynham and students from Bridgewater-Rayham Regional College will be involved in the Walk for Cooperative B.S.C.-B.R.B.H.S. Venture. The major objective of the walk is to focus world-wide attention on those measures necessary to enable every man to achieve a decent standard of living and his highest individual development.

The walk is not the ultimate answer yet through the cooperation of it, individuals become aware of hunger and other problems.

The Walk itself works like this:

1. A local group organizes itself to conduct a public information campaign, giving speeches, printing posters, distributing brochures, recruiting walkers and so on.

2. The committee has mapped out a 50 mile walk route throughout the three towns. Each walker will have a sponsor card.

3. Each sponsor obtains a sponsor card.

4. Each student is responsible for getting his own sponsors, each of whom pledges to contribute an amount of money from a penny up to a dollar or more for every mile the walker completes.

5. On the day of the walk, the walkers begin from Bridgewater-Rayham and hike throughout the day. They then collect money from their sponsors according to a certified record of the miles they walked.

6. The money collected is divided in three ways:

   a. 42%2 to a domestic poverty project.
   b. 42%2 to an international poverty project.
   c. 15% to the American Freedom from Hunger Foundation.

This development program, in an area where one half of the children never reach age 5, and the daily income for a family is 50¢, includes a medical center, orphanage, martial arts training center, school, experimental farm, and a housing project. This nine year old program will be self-sufficient within three years.

Locally, 42.2% of the funds will be divided among the Council on Aging, the Social Service Agency, for their hot lunch and elderly programs, for education, education, education, education, education, education, education, education.

Mr. Kenneth Conroy has been elected to the Board of Management of the Council on Aging.

Mr. Conroy has been instrumental in bringing about a revised edition of the book “The Commentary.” It will be in the hands of the students and faculty.

Dr. MacCurdy has just completed the study for the third in a series of analytical examinations of the world’s One Hundred Great Teachers. The first report by the judges of the third study, published February, 1972, is the voluntary laudatory assistance of the One Hundred Great Teachers.

For all elections subsequent to this academic year, the policies as stated in the catalog will be in order.

Very Cordially,
Adrian Naudé, President

Baseball Roundup

Four double headers - Bears split two lose two

By Tim Perry

Two splits and a couple of byelows would sum up the performance of the BSC baseball team this past week. BSC split two double headers and fell on their faces in a run conference double headers to bring their over all record to a sub median 15-11.

It as not all as it seems however, as the Bridgewater baseball boys are standing strong in the Massachusetts State College Athletic Conference with a 4-2 record in league play, one game behind Salem who has only lost one game in conference play.

This week's rash of double headers may be taking the toll of the BSC pitching staff, all began last Wednesday in Lowell. The Bears were scheduled to trip up North as they won the first game 4-3 before getting nixed out in the second affair 3-2.

In their first game win Sophomore manager Jim Hartmann was aided by the solid throwing of first baseman Fuzzy Thurston. The game was close all the way until Thurston picked up a bridge game with a three run homer in the top of the fifth inning. Bob Loughman as usual produced the key hit for the Bears.

Louis Bob Maugan was habits against the Bears in their second game. FSC's twin bill sweep. Bridgewater had chance to take on this team after firm man left hander Bob Scott, as they left the bases loaded in the third inning. The Bears had few errors and came home rather defenseless with their batting average felt they should have swept the double header by a bridge to the head.

This week the Bears lost to William and Mary in a double header. It was their poorest performance of the year. The Bears were blanked 9-0 by a dominating pitching staff. They were blanked 9-0 by a dominating pitching staff. They were whallopped in a double header.

One more bright note for the Bears as they defeated Eastern Connecticut State College. Things went worse before they got better, for it was here on a blank and blistering winter day that BSC suffered an unassailable blow and dropped both ends of a double header, by scores of 3-1 and 9-0.

In the first contest it was a case of one mistake made by FSC's right hander Frank Dwyer. With the score 1-0, Dwyer was caught off flat, which eventually set up the run. Dwyer had one man on base and two men out with clean batter Gary Knol at the plate. With the count 1 and 2, Dwyer served up a high inside fastball which Knol angrily drilled over the fence some 365 feet away.

Even though Eastern scored once more they wouldn't need any more of a cushion as the Bear bats were as effective as toothpicks against Eastern's Jack Rogers. Rogers miserly got up three hits in seven innings.

If the Bears had gone up to the plate with hands and brown sticks they couldn't have been any less effective in the second game as they were blanked 9-0 by Eastern's third baseman right hander John Caneira. The Eastern pitcher, who hurled for the United States in the Pan Am games last summer, was so fast that it looks like an aspiring coming down to the mound to the plate. The All-American candidate whallopped 16 of the batsmen that faced him, while allowing just three hits.

Bridgewater made up for their lack of hitting on Saturday with an orgy of hits in their Monday game against Worcester State. Yet, FSC bombarded the foe with a barrage of base hits and still only came up with a split of a double header. Jim Hartmann, who admitted that he didn't have his fastball working, lost his first game in two years at Bridgewater by a score of 4-0. Pat Hurney was the winning pitcher of the game 4-0. Pat Hurney was the winning pitcher of the game.

The BSC trackmen triumphed over Eastern in both winter and spring track in addition to a spring track dual meet. The first meet of the season was held at the Catholic Center. This year, the men's track team has been extremely busy between practice and competitions. Only four weeks into the season, they have competed in four meets, one meet and the Brandeis Invitational.

**Special Youth Pass. See Britain for 15 days for $40.**

Buy a BritRail Youth Pass if you're going to Britain this year. It's good for unlimited travel on trains in England, Scotland and Wales. You can't lose.

If you're between 14 and 22 you can get a 15-day Youth Pass for $40 or a One Month version for $70. Each is good for unlimited travel during the time period. Just hop on and off the trains wherever you like. It's a steal. The 15-day Pass, for example, gives you the freedom of Britain literally for under $2.67 a day.

Meet people, see places.

With only a few super-highways, hitch hiking is difficult and travel by road can take a long time in Britain. So people travel by train a lot. You'll meet them. And see more. British trains are fast — London to Edinburgh, 400 miles, in 5 hours 45 minutes. They're convenient, too — over 1600 train services daily covering nearly 2,000 cities, towns, and villages. And comfortable — most long distance trains have dining or buffet cars with full meals or snacks.

Buy it now.

If you get to Britain and your friends are off and running with BritRail Youth Passes you'll be disappointed. Because you must buy one here in the States before you leave. Return the coupon and we'll send you, free, a leaflet showing how to get your BritRail Youth Pass, plus details of a $4 "Open to View" season ticket giving you free admission to over 400 places in Britain including the Tower of London, Hampton Court and dozens of castles, parks, museums and mansions.

Or you can get both from any Travel Agent. All you need to prove your age is your Passport. That's all. After that, Britain belongs to you.

And if you're postgraduate or a professor over 22, there's a whole group of similar value BritRail Passes for you too. Return the coupon. We'll send you the brochure.
