From: Irene Potts, President
S.N.E.A.

The close of the academic year is within sight and so the approaching end of a very successful year for S.N.E.A. — Bridgewater.

Those of you who worked hard and dedicated yourselves to participating in S.N.E.A. have a lot to be proud of.

S.N.E.A. is now the largest dues paying organization on campus and has established an identity for itself among the faculty, students, and organizations on campus. Its membership is over 300 compared with last year's figures of 25.

The conference in November got the organization going, and the success of that conference justifies the planning for another conference in the fall. We found the conference not only educational but also an opportunity to exchange ideas with people.

Our faculty service auction was not able to allot sufficient funds for the Recruitment Conference, but the possibility of funding from S.G.A. will make the conference a reality next year.

The Retirement Bill was defeated by the Mass. Law Makers but students political action as a cohesive force can get the bill passed next year!

The Ride-A-Bike for the retarded had on April 30th was very successful. The next money can be mailed to MARC or turned into the S.N.E.A. office.

Dave Koezel was elected treasurer of the Mass. S.N.E.A. and was re-elected to the position of vice president. Bridgewater's role in the state's activities was a major one this year and will be an even greater one next year.

S.N.E.A. will be sponsoring the film High School, on May 11th at 6:00 p.m. Donations are only 35¢ so bring a friend.

On Wednesday, May 10th we'll be having our election for next year. Because of the many activities planned for next year, these elections shouldn't be taken lightly. If you feel you have the ability and time to make a worthwhile contribution, then please run for the office. If you plan to run please notify me before Friday.

Finally, a liberal measure of thanks is extended to Prof. Thomas Wolfpier, our faculty advisor. His help and dedication are the major factors in any success S.N.E.A. can accredit itself to.

On Wednesday, May 10th S.N.E.A. Bridgewater will hold its elections. All officers with the exception of immediate past president will be open to contest.

Those choosing to run for the office must notify Irene Potts by May 8th for their name to appear on the ballot.

Voting will take place in the lobby of the Student Union.

S.N.E.A. is the largest organization on campus with over 300 members. The election, therefore, should not be taken lightly. If you feel YOU have the ability and time to make a worthwhile contribution, the election is your means to prove it.

Letter to the Editor:

Member of the College Modern Dance Club and the advisor Cora Well would like very much to see pictures taken during the spring performance on April 26th. If prints would be left in Mrs. Well's or the Dance Club mailbox in Kelly Gym they would be most helpful for the dancers to view.

Please leave name and address of photographer, and 3-5 information about obtaining prints for the Dance Club files. 3-5 with a special photography session with the dancers.

LETTER TO THE EDITOR

Open Letter to the Freshman

I am running for class of 1972 Delegate to S.C.A. Council.

Many people may not know who I am, so many ways where I stand. I hope to answer these questions in the campaign issues.

Most important I stand ready to represent you and your views. Your voice does count, and where S.N.E.A. is concerned I want to make sure it is heard.

I've attended S.G.A. meetings and have decided to work hard and put in a good contribution to the body of the college. As those who know me can say, I feel I can handle both the time required and the job to be done. I need your vote to do that.

Sincerely yours,
Past Cassidy, Great Hill Box 244

BSC Sweeps Doubleheader from Barrington

Despite Bridgewater’s no-hit offerings Barrington kept pecking away at the Bridgewater lead until they came into the last inning trailing by three runs.

After Barrington touched home twice to make the score 7-4 Dan Slattery, a sophomore from Weymouth, came out of the bullpen to put out the fire and end the threat to save the win for Jarvis, who was relieved in the fifth inning by Scott Smith.

The crucial doubleheader for Bridgewater in today’s game against Salem the Bears hope to have something brewing against League leading DSalem State College.

If you count on your car for lots of good times, why not give it the best care you can? One way is using Amoco® gasolines.

Not only does Lead-Free Amoco help cut down on air pollution, but tests prove that Amoco can double the life of your muffler and tailpipe compared to fully leaded gasolines; spark plugs last longer, too.

And in college mileage rallies, and over a thousand mileage tests, Amoco Super-Premium got better mileage than otherpremiums.

When you’ve got a lot of money in your car, and you count on it for lots of good times, take good care of it... with Amoco gasolines.

You expect more from American and you get it.
