SUMMER CHANGES IN S.U.

Over the summer, several important changes have been made in the Student Union.

For one, we have new radio stations (WHRM-FM and WHMM) that are broadcasting now. The stations will be manned and programmed primarily by students, as they will need plenty of help. If you would be interested in getting involved in this program, stop by the Director's Office in the Student Union.

Also, the bookstore is expanding its services. The bookstore will now offer a variety of products, including books, clothing, and snacks. The store will be open from 9 AM to 9 PM, and will be closed on Sundays.

The bookstore will also be offering a new service: a book exchange program. Students can bring in their old textbooks and exchange them for new ones. The exchange program is open to all students, regardless of their major.

Finally, the Student Union has opened a new coffee shop. The shop will be open from 8 AM to 11 PM, and will be located on the main floor of the Student Union.

These changes are a testament to the Student Union's commitment to providing a safe, welcoming, and enjoyable environment for all students.

Promising Season for Drama Club

The Drama Club is excited to announce their upcoming season of plays. The season will feature a variety of productions, including a classic tragicomedy, a musical, and a children's play.

The season will begin with a production of Shakespeare's "The Taming of the Shrew," directed by Joe Gifford. The play will be performed from March 1st to 3rd, and will feature a cast of over 50 actors.

Following "The Taming of the Shrew," the Drama Club will present a musical production of "America, America.

"America, America" is a musical set in the early 1900s, and tells the story of a young girl who emigrates to America from Russia. The musical will be performed from April 1st to 3rd, and will feature a cast of over 30 actors.

Finally, the Drama Club will present a children's play, "The Lion, the Witch, and the Wardrobe," directed by Mr. Meaney. The play will be performed from May 1st to 3rd, and will feature a cast of over 50 actors.

The Drama Club hopes to bring these productions to the stage, and to engage audiences with their vision of the plays.

The Drama Club is looking forward to welcoming new students and alumni to their productions this season. Tickets for all productions will be available at the Student Union box office, and online through the school's website.
