Dear Editor,

We wish to publicly thank Father Bill McFarlane, President of St. Francis Xavier College for his help in arranging Bullock's testimonial. Without the use of the facility and their guidance generosity is deeply appreciated.

Athletic Trainer Search Committee.

Our thanks also to Dean Deep, Dr. Charles Rozanski, he allowed us a morning from 9:00 am -9:45 am, a student input will not go unnoticed. The students of the Athletic Training Curriculum (although, they really were the students who had the answers) were very helpful. Mr. Deep, Mr. Rozanski, Mr. Marco, McPhee, Mr. McNeary, Mr. Dunch, Ms. Fitzgerald, thank you for looking so seriously at the situation.

The best students who are only doing their job. But there are a number of times that we had to dry those tears and go on. It was necessary to have a parent, someone look on as the problem was taken care of. Thank you again to all.

**Editorials**

Some members of the Homecoming Committee, in a brilliant piece of democratic government, have decided to ignore the wishes of the people. They have decided to do away with the Homecoming Queen, a woman who is chosen each year by students to represent them at Homecoming. There are only a few people at this college who would applaud this action. They feel that choosing a Homecoming Queen is a useless institution that is just as old and as silly as any other.

**Letters**

Dear Editor,

We write to publicly thank Father John McCarthy of Bethel's Benedictine Spiritual Community for his generous offer of $1,000 for the support of the Benedictine Center for the Study of the Family. Without the use of the family's community, and their guidance, this student would not be possible. The students of the Family gratefully accept this gift.

Sincerely,

The Benedictine Center for the Study of the Family

**Program Problems**

This letter is addressed to the Homecoming Committee.

The Homecoming Committee, under the direction of Carole Hamilton, has decided to do away with the Homecoming Queen for this year. As a SGA external, I was asked to participate in a meeting of the committee. I learned that the students, believing the Homecoming Queen to be an old-fashioned, archaic institution, and that the SGA should be in charge of Homecoming, decided to do away with the Queen. The students, however, have never asked for the Queen to be eliminated, and the SGA has no right to do so. This is a matter of student opinion, and the SGA should not have the power to make such a decision.

**Party**

Open Letter to Dean Deep, Miss Francis, and Mr. Murphy.

On the occasion of the Homecoming Dance, many students felt that they were being denied an opportunity to attend the event. They were told by officials that the dance was closed to them. This is a violation of democratic principles, and we believe that all students should be given the opportunity to attend the dance.

Sincerely,

The Campus Commission

Treasurer and her Executive Advisor, Alan Luminet, to the heads of the S.B.C. clubs and organizations. Again, SGA cited their reason for not reelecting Homecoming Queen as believing the institution to be in the midst of a "transitional period," with the main campus under construction and the Homecoming Committee in a "limbo" state. It seems that we have come full circle, having spent the last few years discussing the need to reelect Homecoming Queen and now to deelect her.

Anybody who reads the letter I received last night from the SGA Executive Committee will be quite shocked to learn the writer(s) of that letter believe students on this campus are "unenlightened," and that we are at fault for "putting up with people who demand their rights." These are, of course, the exact words written by the SGA Executive Committee in their letter.

There are, however, other issues of concern to this Editor as well. At one time, this Editor was a member of the "Society for the Prevention of Unenlightened People." At that time, I believe I was a member of the SGA as well. However, I am sure that those who are responsible for the letter cited above do not think I am unenlightened. In fact, I am sure that they would consider me enlightened.

The student senate is under fire as the student body feels that aloofness, ignorance, and lack of concern for student interest on the part of the Senate are the major causes of dissatisfaction. The Senate has been criticized for not responding to student need, for being out of touch, and for creating a lack of student involvement. The Senate is currently considering ways to improve its relationship with the student body and to enhance participation in the decision-making process. The Senate hopes to involve more students in the planning and implementation of programs and services, and to provide opportunities for students to voice their opinions and concerns.

Library Service Has Improved

In a previous article the department described a new service being offered by the library. That service was the implementation of an online catalog of library holdings. The catalog is now accessible on the library’s mainframe computer, and it allows users to search for books, periodicals, and other materials held by the library. The catalog can be accessed from any computer terminal within the library, and it provides detailed information about each item, including its location, call number, and availability.

International Students

By Regne Zvaizer

This is the first in a series of articles on international students at Bridgewater College. The first article will focus on the role of the library in providing services to international students. In this article, I will discuss the history of international students at Bridgewater and the challenges they face in adapting to the American educational system. I will also highlight the efforts of the library to support international students, including the availability of resources and services that cater to their unique needs.

A lot of people believe that the general education course is not relevant to their future careers. This belief is misplaced, however, because of the broad range of knowledge and skills that a general education course can impart. For example, a course in meteorology can provide valuable insights into the workings of the atmosphere, which can be applied to a variety of fields, such as environmental science, public health, and urban planning.

Contact lenses are available from many sources, including optometrists, opticians, and online retailers. It is important to purchase lenses from reputable sources to ensure the best possible fit and comfort. Some students may prefer contact lenses over glasses because they offer greater freedom of movement and improved vision in certain situations, such as sports or in environments where glasses are not practical.

Bears Maul St. Francis

by Joe Lupica

The Soccer Taus evened it’s record at 2 wins 2 losses last Saturday by destroying St. Francis of Maine by a score of 8-0. Despite the muddy field, the Bears played good passing soccer and took advantage of St. Francis’ lack of skills. The Bears’ offensive power was headed by left winger Joe (Casper) O’Halloran who had 3 goals, tri-captain Russ Denver 2 goals 2 assists, right winger Joe Lupica 1 goal 2 assists and Tony Caruso’s 2 assists. Bill Goodwin and Horace Carvalho added the other goals while tri-captains Gary Muello and freshman Mike McCarren added the remaining assist.

At the completion of the game, the game ball, signed by all the players and Coach Jesse Demello, was presented to senior fullback John McKinnen who is unfortunately out for the season with a knee injury. His enthusiasm and determination on the field will surely be missed by the Bears.

Netmen Drop To Vikings—Butt Rams

by Doug McMillan
It was a time of mixed emotions for the Bridgewater State College tennis team as they defeated Framingham State (6-3) Saturday, only to be bounced by Salem State (9-0) on Monday. The Bears knew they would be atop the heap of the state school system if they could overcome Salem. However, such was not to be the case, as a Salem contingent of well-prepared tennis players shut out the Bears.

The Bears lost to Salem State on Monday, October 9, 1977, in a 9-0 shutout. The Bears' No. 1 player Tom Nieva was stopped by Joe Violette (6-1, 6-2), while Captain Bob Harrington fell to Pat O'Connell (6-3, 6-1). Joe Regan, playing third singles, was also defeated by Jody Harnish (6-4, 6-0). Joe McDermott ran into a buzzsaw in losing to Paul Doane (6-0, 6-0) while playing in the fourth singles slot. Glenn Guenard, fifth singles player, played for two hours before succumbing to Scott Dwyer (6-2, 6-0). Sixth singles player Doug Mildram was beaten by Brian Garrahan (7-5, 6-3) as Bridgewater went into the doubles action down 6-0.

Things didn't improve much in the doubles play as the numbers 1, 2, and 3 teams were beaten. Coins and Harrington lost a straight match to the tough tandem of Violette and O'Connell (6-3, 6-1). Joe Reagan and Joe McDermott teamed up in second doubles and lost to Harnish and Doane (6-1, 6-3). Glenn Guenard and Doug Mildram took the opening set against Garrahan and Saunders but then lost the second set and were defeated in a nine point tiebreaker. "The final score of this match, which was shortened due to the late starting time, was 9-2, 6-0, 6-4.

Back in BSC courts on Saturday, the Bears looked sharp in dropping the Framingham State Rams. The same lineup that was employed vs. Salem was also playing against the Rams. The individual scores of the day were:

No. 1 Tom Nieva (lost) 6-4, 6-0
No. 2 Bob Harrington (won) 6-1, 6-4
No. 3 Joe Regan (won) 6-3, 6-7
No. 4 Joe McDermott (won) 6-2, 6-4
No. 5 Glenn Guenard (lost) 7-5, 6-2
No. 6 Doug Mildram (won) 6-0, 6-4

NET NOTES: The Bears will send some players to Framingham to compete in The MASCAC tournament held on Friday and Saturday. Upcoming matches include Worcester Oct. 11 (away) and Fitchburg Oct. 15 (away). Some nets at the Hill courts are badly in need of repair.

If you don't already have a copy of "Treasure Island," be sure to check it out at your local record store. It's sure to be a hit.
Spanish Fiesta !!!

by Robert Cox

On Thursday, September 29, the Student Union Ball Room was transported from eastern Massachusetts to Southern Spain as the S.U. Program Committee presented a Spanish Fiesta. The world-class entertainment consisted of a dinner, which consisted of a meal of authentic Spanish cuisine, and an evening of dancing, music, photography, and Latin American art. The event was sponsored by the Educational Services Department of the Student Union.

For dinner there was a buffet, a candlelit meal with music, ballroom dancing, and photography. The entertainment began with Senora Maravilla, a Spanish dancer, who performed a Flamenco dance with her husband, Donn Pohren. She demonstrated several types of Flamenco from pure Andalusian to pure Castilian. The performance was accompanied by live Spanish guitar and singing. The meal consisted of several courses, including Appetizers, MAIN COURSE, and DESSERTS. The main course was Carne Con Gazpacho, a northern Spanish dish made with tomatoes, garlic, onion, and vinegar. Dessert was a Spanish custard made with raisins.
