The campus is a place where students can challenge the status quo, and this week, the students at Bridgewater State College did just that. The event that sparked the protest was the renaming of the college to Bridgewater State University, a change that some students believe is against the college's educational mission and values.

The protest occurred in response to a letter sent to the college administration by President Robert L. Randichke, which announced the renaming of the college. The students were concerned that the change would impact the college's academic programs and the quality of education offered.

The students also expressed concern about the lack of consultation with the student body before the decision was made. They argued that the change would be detrimental to the college's students and faculty.

In response to the protest, the administration stated that the change was made to align the college's name with the state's other universities and to reflect a more modern and inclusive approach.

The students are expected to continue their protest and will be closely monitoring the administration's response to their concerns.

"Baseball Opener"

With the shifty "cock" tailcoat and Wellesley "hat" of a conductor's cap, the Bridgeport University Baseball Team is off and running, energetically starting their opener of the 1978 season. The team's first game will be played on Saturday, April 8th.

Under new Coach Fred Brown, the team will be looking to improve on their 12-12 record of last season. Coach Brown has never before coached a team at the college level, having spent 6 years at Yale University. However, his managerial experience is not limited to that:

Within his first season as a manager, he has been an instructor at the Wilkes University Camp in Lebanon, Pennsylvania. He has also coached at University Camp in Lebanon, California and coach in The Washington Professional Student Professional League in Washington, D.C. Finally, he has taught Elementary, Ph.D. Ed. in Rockland, Maine. He is married with two children.

Coach Brown, along with Assistant Coach Bill Conboy recently announced the team's schedule in Norfolk, Virginia where they played five games, coming out of the 6 overall record "although the record doesn't show it, the team looked very good," explained Brown. "This was our first time on the field this season, whereas the season itself had started playing for a while already.

In 1977, Bob Quitadamo ran the Quadtamo Mem. Road Race. Bob Quitadamo was a 1977 Health and Physical Education graduate of Bridgewater State College. Bob not only received his baccalaureate in physical education, but also participated on the cross country team in his years at Bridgewater. In addition to his academic involvement, Bob volunteered services to the Children's Physical Development Clinic for three years. In 1977, Bob was the director of the Poly-Track, an event which was held on the campus of Bridgewater State College.

On Sunday, April 9th, starting at 12 noon on the campus of Bridgewater State College, a memorial 5-mile road race will be held. Everyone is urged to participate, entry fee is $5.00 for Bridgewater State College students and $10.00 for the general public.

Prcise will be awarded to the top ten finishers (1, 10, 20, 30, ...). Official Bob Quitadamo memorial pins will be given out to the first 200 entrants.

Entry general is at Student Union, main office Kelly Gymnasium, 100 Givens Scott Hall, 822, and Sharon Rooger Wood Hall 83.

Baseball Opener

By Dennis_Reyes

With the always "cluck" and "hiss" of the Bridgewater Bears' Varsity Baseball Team is the Bridgewater baseball opener of the 1979 season. The team's first game will be played on Saturday, April 8th.

With the sharp "crack" of the bat, Dennis Heenan, the Bridgewater baseball catcher, could feel the tension and excitement that was building up around him.

"This was my first game with the Bears. It was a 14-4 win over Quinnipac. I was very happy," explained Heenan. "It was our first game on the field this season, whereas the team had been playing for a while.

Fred Brown, the coach, along with Assistant Coach Bill Coury recently accompanied the team to Norfolk, Virginia where they played good baseball. "Our record doesn't show it, but we played well," explained Brown.

Coach Brown feels that the pitching is sound, but they need more experience, simply from the standpoint of our enthusiasm. We have a very strong lineup, but we need more work from the other teams.

Coach Brown would make his predictions for the upcoming season. He does not think that Westfield State and North Adams would be the teams to watch out for, along with University of Vermont.

"Coach Brown is a very smart coach, but he is also a very hardworking, enthusiastic and very dedicated coach. He always wants to improve his team and I am proud of him," added Heenan.

The team is led by Senior Co-Captains Joe Higgins and Glenn Chatterton, a pitcher, who greatly impressed Coach Brown.

The very best of luck Coach Brown and Bears on your upcoming season."
