The Duke Gets Dumped

If Jim Dratfield wins the Massachusetts political contests for Governor, his biggest opponent was American Senator Edward M. Kennedy. If he can't win, the former Massport Governor has survived a primary election. Ackerman was, a distant third, siphoning off Dukakis' liberal vote. Dukakis' department scandal investigation to be undertaken by Secretary of State, Paul G. Cellucci, a conservative, and State Representative Thomas O'Neill won the Democratic Primary.

The End of a Decade

For the most part primary day did not disappoint. The leadership in the world of Massachusetts politics was clear. Thursday marked the first time that the Massachusetts State Senate has been controlled by a single party, the Democrats. The victory over Secretary of State, Paul G. Cellucci, a conservative, and State Representative Thomas O'Neill won the Democratic Primary.

The Apartments are Great

By Kathaleen Healy

The new apartments are being opened just one year after the completion of the new residence hall, Whittier House. The apartments are located within the Whittier Residence Complex, to the left of Whittier House.

The apartments seem to be working out just fine, according to the majority of BC students who live there. Their situation is unusual, however, because they are all connected through the Catholic Center, and were among the first group of students to take up residence in the new apartments.

The new apartments were opened in May, 1977. They contain 24 units, each consisting of two bedrooms and two baths. The apartments are furnished with beds, dressers, desks, and chairs, as well as all the necessary kitchen utensils. The rent is $300 per semester, payable in advance.

The apartments are located in a quiet part of campus, away from the hustle and bustle of the main building. They are accessible only by requesting a key from the Catholic Center. The key must be returned when the apartment is vacated.

The apartments are well-equipped with modern appliances, including a washer, dryer, and refrigerator. The central air conditioning and heating system keeps the apartments comfortable year-round. The apartments also have a private garage for each unit.

The apartments are popular among BC students, with many students indicating that they prefer the apartments to the dormitories on campus. They are also more convenient for those who need to commute to classes, as the apartments are located near the main entrance of the BC campus.

The apartments are managed by the Catholic Center, and all residents are required to pay a monthly fee of $50. This fee covers the cost of utilities and maintenance, and is included in the rent.

The apartments are a great place to live, and I recommend them to anyone who is looking for a comfortable and convenient place to call home.

What about the Vans?

To the Editor:

I am writing in support of the new service vans available on campus.

The vans are a great addition to the campus, and I believe they are a much-needed service. The vans are available to all students, faculty, and staff, and are used for a variety of purposes.

I have used the vans myself, and have found them to be very helpful. The vans are clean, comfortable, and well-maintained. They are also driven by knowledgeable and courteous drivers.

I urge all students, faculty, and staff to take advantage of this valuable service.

Sincerely,

The Dining Service

University students at Bridgewater State College have a variety of dining options to choose from. The university has several dining facilities, including the commuter cafeteria, resident halls, and apartments.

The commuter cafeteria is located on the first floor of the Great Hall. It is open for breakfast, lunch, and dinner, and offers a variety of food options. The resident halls have their own dining facilities, which are open for dinner only. The apartments are responsible for their own meal planning and preparation.

The cost of dining on campus can vary depending on the type of meal plan chosen. There are several meal plans available, including the 15 meal plan, which costs $335 per semester; the 19 meal plan, which costs $470 per semester; and the 24 meal plan, which costs $650 per semester.

For more information about the dining service, contact the Office of Student Life at Student Life Center, Room 101.

He started his career as a solo artist in the mid-1970s, and since then has released numerous albums and sold millions of copies. Springsteen's music often deals with themes of social and political issues, and his concerts are known for their energetic performances and powerful sound. He is considered one of the most influential and popular rock artists of the past few decades.

Springsteen will be performing on a Friday night, and his show will feature a wide variety of music, including rock, folk, and country. The concert will be held in the main auditorium, and tickets are available at the box office.

There will be a pre-concert reception held at the Rathskeller, where attendees can enjoy refreshments and socialize with other fans. The reception will begin at 6:00 PM, and the concert will start at 7:00 PM. The show is an all-ages event, and tickets are $20 for the general public and $15 for students.

The college radio station is proud to feature Bruce Springsteen as a guest performer, and this event is sure to be a highlight of the fall concert season. So come out and enjoy the music, meet other fans, and celebrate the return of one of the most beloved rock artists of all time.
Since 1795 we’ve gathered our Blue Magueys for Cuervo Gold the gentle way. It’s the old way. And still the best.

At Cuervo we know that there is only one way to make Cuervo Gold perfect. The way we’ve been doing it for more than 170 years.

That’s why people still nurture our fields of Blue Magueys plants. And why makes are still used to bring these precious plants to our distillery. For tradition is still the most important ingredient in Cuervo Gold.

This is what makes Cuervo Gold truly special. Next, on the rocks, with a splash of soda, in a perfect Sunrise or Margarita. Cuervo Gold will bring you back to a time when quality ruled the world.

ELECTIONS

Elections for the Class of 1982 will be held on Wednesday, October 18th. The positions in question are President, Vice-President, Secretary, Treasurer, Social Director, Publicity Director, and four SGA Student Government Senators. Also on this date will be an election for one SGA Senator for the Class of 1980. Persons interested in running for these offices may pick up nomination papers in the SGA Offices on the top floor of the Student Union Building any time after 9 AM on Wednesday, September 27th. Each candidate will be required to gather signatures or approximately one-tenth of the total constituency. Nomination papers must be completed and turned in to the SGA Office by 5 PM on Wednesday, October 11th. No person may sign nomination papers for more than one person for any given office. Should someone do so, the signatures will be nullified. In the event that more than two persons are vying for any one office a primary will be held on (horrors) Friday, October 13th. Any further questions should be directed to officers of the Student Government Association.

POLITICAL ACTIVITIES

On Tuesday, September 12th the Student Government Association recognized the rights of politicians to disseminate information on the Bridgewater campus. An Ad Hoc Committee was formed and tasked with the coordination of such matters. The Committee has formulated the following guidelines:
1) The Campus Coordinator and all other workers for a given candidate must be Bridgewater State College students. 2) Candidates must be running for a state-wide office. 3) Excessive advertisements and posters may be removed if they are deemed to be taking space from student use. 4) All advertisements must be removed from the campus within five days after the election. If any was assigned to a group, the candidate must keep bare from view. Another question that was on the agenda of the Ad Hoc Committee was the possibility of David L. Newing, Richard Deluca, Joseph Downey, Diane Calderone, or Betsy Keenan being members of the Ad Hoc Committee. They may be reached at the SGA Office in the Student Union.

Civella Leads Bucs Squander Chances, 27-13

Biscayne Bay - If you had wondered into the Mass Maritime stadium at Biscayne Bay last Saturday and glanced at the fourth quarter scoreboard, it might have been assumed from a 27-13 that the Maritime had controlled the game in every phase of the contest and were on their way to a decisive victory.

It wasn't the case.

Maritime wasn't running compact enough past the Bucs as they dropped in a spring rain, and it was enough atmosphere to confuse the Biscayne Bay defense.

The Biscayne Bay defense had not the Bridgewater State last Saturday as much as the Bridgewater State Biscayne Bay defense had not the Bridgewater State offense.

For all but the Biscayne Bay defense, everything happened just as they had hoped they would happen. They had come to the Mass Maritime game for a taste of their own medicine, a shot at revenge.

Mass Maritime had defeated the Biscayne Bay state game for the first time since 1979.

The Biscayne Bay defense had not the Bridgewater State last Saturday as much as the Bridgewater State offense had not the Bridgewater State defense.

As the game wore on the Buccaneers remained just in the back of Maritime minds, there remained a spark of optimism that perhaps the game would be scored to perfection. It all ended in a 27-13.

The score was made by Biscayne Bay.

For the Biscayne Bay offense, it was the first game of the year and a true test of their ability to come back on the line and perform.

Fortunately for Biscayne Bay, it was a true test of their ability to come back on the line and perform.
