**Soy Lose To Yanks**

A season that had consisted of 162 games was thoroughly enjoyed by the Red Sox fans. It didn’t matter that the Red Sox had defeated the Yankees in their last two meetings or that they had scored 27 runs in 12 games. The fans just didn’t care. They loved it all and the Sox finished third in the American League East. The Yankees, who once again took over the first place, lost 3-2.

**FIELD HOCKEY on the Rise**

On September 19, the team’s first win over Le Moyne Varsity was a 3-1 victory. The team’s first win of the season was against Le Moyne College, but they were also defeated by Tufts.

**Maine**

The date was September 29, 1978. For the BSC cross-country team, it was the first time they had won a meet. The team was led by Paula Kwone, who ran a strong race and helped to secure the victory. Paula’s father, a former head coach of the team, was also present.

**Vandalism: Cause for Concern**

Several acts of vandalism occurred at BSC over the past weekend. According to the Dearborn Student, David Levy, who was involved in the investigation, the men involved in the acts were not identified. The Dearborn Student also reported that the acts occurred late Tuesday night.

In Memoriam

“Nothing becomes the world’s attention on the Catholic Church as much as the death of a pope. The Pope is the Vicar of Christ on Earth; so the death of the Pope is a significant event for all Christians. The Pope is the Supreme Pontiff, the Bishop of Rome, the Vicar of Christ, the Shepherd of the whole Church, the successor of Peter, the Prince of the Apostles, the pope to whom we owe our obedience as members of the Christian community. The Pope is the leader of the whole Church, the head of the universal Church. When a Pope dies, the Church is plunged into a period of mourning.”

-Bishop Joseph M. Sullivan

Dear Joseph P. McNamara Catholic Center, BSC

On August 26, 1978, the world rejoiced in the election of Albino Luciani to Pope John Paul II. Though his reign was short, John Paul made a favourable impression on many millions of Roman Catholics, as well as the world. His impact on many religious vocations was profound. But what impressed the entire world was the Pope’s warmth and gentle smile, which made all feel at ease in his presence. He was an imitator of Christ.

The writing Center is a resource for students, and the staff is here to help. The staff can provide guidance and support in a variety of ways, including one-on-one tutoring, group workshops, and materials on a wide range of topics. The writing Center is open from 9:00 am to 5:00 pm, Monday through Thursday, and from 9:00 am to 1:00 pm on Friday. Additional information can be found on the Center’s website.

Homecoming will be held October 23-29. The theme of the BSC community is "The Anchor," and the colors for the week are green and gold. There will be many events throughout the week, including a Homecoming parade on October 22, a pep rally on October 23, and a football game on October 21. The Homecoming weekend is a chance for BSC community to come together and celebrate their school spirit.

**In Memoriam**

"Nothing beats the world's attention on the Catholic Church so much as the death of a pope. It is a moment of great sadness and a time for reflection. It is also a time for us to remember those who have worked so hard to bring about change in the Church. I am grateful for the way in which you have shared your stories and your thoughts with us. Please take the time to remember all those who have been affected by this event.

In the photo, the campus police serve to maintain freedoms that are essential to a well-functioning community. The campus police are responsible for maintaining order and enforcing campus rules to ensure that students and staff can enjoy their freedoms without interference. This is especially important in today's world, where threats to personal safety and security are common.

The campus police work closely with other campus organizations, such as the student government and the counseling center, to address any concerns or issues that arise. They also collaborate with local law enforcement agencies to ensure that all students and faculty are protected.

In summary, the campus police are an integral part of maintaining the freedoms that are crucial to a healthy and vibrant college community.
My Wayward film, and all seemed fine. The only foreseeable "problem" was the interruption by a report on the Middle East peace conference. It seems postponement of "Mary," Mary Tyler Moore's new show. More about people are getting their priorities a little screwed up.

Of this going on, what do you think our local newsmen used as their lead chances at winning the pennant. Maybe I'm being a bit severe, but Paul died unexpectedly, and the inflation index rose again. Now, with all of this season's new offerings. This week; "Mary," "KAZ," and "Battlestar Galactica." The media hype surrounding this enterprise (bad pun) have insured its survival for a long time. It has two selling points. It's like "Bonanza Meets Lost in Space."

But what do people remember most about that night? Right."

The passing of summer brings temperatures, cool ocean surf, and good parties.

Worries that college students leaving the city in late June, absence, produced a couple of shows at the Boston Garden. But for the most part, they were the only two superstar groups "The Promised Land," not to mention "The Promise" by Springsteen's new album, which hadn't been released at the time. Springsteen released at the time. Springsteen started the "Boston Garden, but for the other good concerts at opposite ends of the spectrum. One group appeared at the Coliseum at the end of the summer. As far as the quality of their performances, this was probably the most entertaining concert of the season in the Boston area, at the Garden. The group was a virtual sensation, and the audience was treated to a quality performance. The group was a virtual sensation, and the audience was treated to a quality performance.

The Massachusetts State Student Association held its first meeting of the year at Salem State College last Sunday. The Association, representing 22 of the Commonwealth's 30 public campuses, plans to seek funding from student governments at their member schools this year. Funding will be used towards publications and personnel to support the Association's lobbying efforts in the upcoming year.

MSSA President Larry Mandell noted that the Association was instrumental in defeating a proposal to tax dorm students for their meals during the end of the last session of the legislature. Mandell said, "the result was a savings of between $40 and $60 per dorm student." Mandell further noted that the MSSA's funding request of .15 per student was "peanuts" when compared to the potential savings the Association could produce. Additionally, MSSA Made is a member of the Special Commission on the Reorganization of Public Higher Education. The Commission has several bills the MSSA has been asked to discuss. According to Representative James Collier (D-Attleboro), the Commission will be working hard to ensure that the Association's efforts are not in vain. The Association is working with the Buildings Authority of the State College, the University of Lowell and the radial students in the collection and development of student activities fees.

The Association also plans to play a major role in the special commission to study the reorganization of public higher education. According to Representative James Collier (D-Attleboro), the Commission will be working hard to prevent the Association's efforts from being a casualty of state spending. Mandell further noted that the Association is working with the Buildings Authority of the State College, the University of Lowell and the radial students in the collection and development of student activities fees.

Newkirk Sets Record

First there was Scot Newkirk, grinding out the last few yards up Park Place and towards the finish line at the Clement Library.

Behind came Brian Buhler. Then Scott Degirolamo. Then Rich Agnew.

The first four finishers were across the line in this third meet of the still young Bridgewater Cross Country season—and all four wore the Bear red and white.

The final count read Bridgewater 16, Mass Maritime 40—and in this sport where low score takes the trophy, the Bears had come up with a bonitide blow-out.

It wasn't just that Bridgewater copped five out of the first six places on the day— it was the manner in which they won this meet. Newkirk blazed a course record, Buhler pulled out his best time and Degirolamo and Agnew came home in less than 24:30.

For Scot Newkirk, who Coach Laverty calls "the leader on this team," it was a most satisfying run. Newkirk's jaunt through the wilds of Bridgewater produced a time of 22:54.3—and nobody, but nobody, has done it faster over the same course.

For Bridgewater, the win boosts their mark to 2-1, with victories over Framingham and Maritime. The lone loss came to a tough squad from SMU.

CROSS COUNTRY NOTES: Mary Creedon and Karen Fleming placed first and fourth respectively in the girls division of the SMU ... finished with his fastest time of the year to place 15th at the meet. Newkirk's finish was touted as "exceptional" considering the high caliber of competition at the Invitational.

Special mention to the teams biggest fan, Mr. Newkirk, who never misses a meet.

Bridgewater plays at SMU on Thurs. Oct. 5 followed by a game at Northeastern on Sat. Oct. 7 against a very fluent Uni. of Mass. team, 15-8, 15-12, 15-9, then travelled to Worcester Sat., for a seven-team Clark Univ. Invitational Tournament finishing third ahead of Brown, Smith, Eastern Nazarene, and Clark. The Bears are currently ranked seventh in the Northeast.

The SSC volleyball team had a busy weekend losing at home Fri. to a very fluent Uni. of Mass. team, 25-20, 25-22, 15-2, then travelled to Worcester Sat., for a seven-team Clark Univ. Invitational Tournament finishing third ahead of Brown, Smith, Eastern Nazarene, and Clark. The Bears are currently ranked seventh in the Northeast.

Since 1975 we’ve gathered our Blue Maugheys for Cuerro Gold the gentle way.

It’s the old way. And still the best.

At Cuerro we know that there is only one way to make Cuerro Gold perfect. The way we’ve been doing it for more than 300 years.

That’s why people still nurture our fields of Blue Maugheys and why our maules are still used to bring these precious plants to our distillery. The tradition is still the most important ingredient in Cuerro Gold.

This is what makes Cuerro Gold truly special. Not, on the rocks, with a splash of soda, in a perfect Sunrise or Margarita. Cuerro Gold will bring you back to a time when quality meant the world.

Bears Beat Mariners, 12-19

CASTINE, ME.--It was just a week ago that commentator Frank Frongillo was saying goodbye to the number-one team in the league. This week, the Bears are saying hello to the number-one team in the league.

On Thursday night, the Bears emerged with a 12-9 victory over the Mariners, thus gaining the top spot in the league.

Frongillo was spending game day with the Buhler family, who live in the Cape and Islands. He was also spending time with other adults, including John Semer, of Milton, who is a Bear veteran and just came out last year.

Buhler is a track coach at the S.M.U. and has been working with the Bear one Yard line--usually a distance which Newkirk, a senior and 4 year veteran who leads the team, can run in a Reg Emino TD lunge to make the score 12:12.

The Bear defense put Maritime under wraps the rest of the game.

The Beaver Eaters won their second straight game and scored a shutout of the Mariners.

The Orange players were pleased with their performance and were happy to see the Mariners down 12-9.

"We had better balance between the offense and defense this week," said Buhler. "We didn't have as many defensive plays, but the offense was sure on track."

"We went 0-0 in last Tuesday's contest both teams had a lot of personal satisfaction. For tradition, Blue Devil running backs have a chance to do something special."

"This is an opportunity for us to show the world what we're all about," said Semer.

"We're going to be proud of our athletes--could point to any performances that stood out on the day.

"The Beaver Eaters have more than enough talent to be a competitive team. They'll be tough to handle for the Stangs.
