SPORTS

BSC Dumps Boston State 91-76

Coach Tom Knudson summed it up in the press box, "He was our best player. Bob has been our best player for a long time."

Mike Boyle

Boyle, Leoffler Bear Co-Captains

Mike Boyle and Tom Leoffler are good friends and great competitors. Both are seniors and members of four varsity BSC teams. They have seen a good team transformation take place over the past four years.

Leoffler has been a constant on the basketball team for the last season, averaging 17 points and 2.8 rebounds per game. His 42 percent three-point shooting percentage is top-rated in the league.

Mike Boyle's long time association with the team has enabled him to be a leader for the team. He is the current captain for the basketball team, a position he has held since his senior year.

Hockey Team Starts Slow

A Colarusso-Brielouc Get Honorable Mention

This week, the hockey team started slow but improved significantly. Colarusso and Brielouc were both named to the all-star team for their outstanding performances.

Benninger Named All-Star

Dulye, Mass.- New England Football Coaches Association today named BSC's Bob Benninger to the all-conference team. Benninger was one of only three freshmen named to the team.

Colarusso-Brielouc Get Honorable Mention

BSC's Colarusso and Brielouc were both named honorable mention to the all-conference team. Their performances were praised for their impressive statistics.

Open Letter to the Students at BSC

To the students of BSC,

We are pleased to announce the opening of a new position in the Office of Student Development. The position of Director of Placement has been created to better serve the needs of our students.

In the past, we have relied on two graduate students to assist in the placement process. However, these individuals have been overworked and are not able to provide the level of support that is needed.

We are excited to announce the appointment of 5 students to the All College Placement Committee. This is the only committee in the new contract which is involved in self-evaluation.

We hope that this will allow us to provide better guidance to our students and help them achieve their career goals.

Thank you for your time and interest.

Approval Received to Hire

Director of Placement

The Comment

The Board of Trustees has approved the appointment of Dr. John Smith as the new Director of Placement.

The role of the Director of Placement is to provide guidance and support to our students as they navigate the job market.

Dr. Smith brings over 15 years of experience in higher education and has a strong background in counseling and career development.

We are confident that Dr. Smith will be a valuable addition to our team and will help us achieve our goals.

James H. Sharples

THE BOARD OF TRUSTEES

Closed Christmas Issue 1978

The Comment's second annual Christmas issue will be published as usual this year. As always, we will be accepting contributions of any kind for the issue.

Again, we invite all members of the college community to submit Christmas-related material to us for this special issue. Your contributions may include poems, stories, or pictures, related to Christmas, and we will be delighted to publish it in our 1978 Christmas issue.

The submission deadline is Monday, December 4 at 12 noon. Help make this issue even better than last year's! (Material is subject to editing and condensation.) Get that material in NOW!

Thanks, The Editors
Applying for Positions

At the moment, the most popular job for our society is the position of President. The position of President is a very important one.

The President of the Student Government Association (SGA) is responsible for overseeing the activities of the SGA and ensuring that they are in line with the goals of the organization. The President also serves as the primary liaison between the SGA and other campus organizations.

The President of the SGA is elected by the students and serves a term of one year. The President is expected to be a leader and role model for the other members of the SGA.

Interested students are encouraged to apply for the position of President. Applications should be submitted to the SGA office, located in the Student Center.

The SGA office is open Monday through Friday from 9:00 AM to 5:00 PM.

Letters to the Editor

Thanks for the job well done!

To the Editor:

I would like to thank the administration for their hard work in making the campus a better place. The improvements they have made have been significant, and I am grateful for their efforts.

With appreciation,

[Name]

DJ at WBIM insulted ... rebuts letter

May I have the privilege for a moment to respond to the letter by David Morrow, which appeared in the Nov. 30 issue of The Comment. I would like to rebuff the assertions he made about the treatment he received.

I can assure you that my intentions were not malicious. I was simply trying to express my views about the station's policies.

I am sure you will understand my position. If not, I would be happy to meet with you to discuss the matter.

Yours truly,

[Name]

Watch "Sparks Parte" W B C S - T V

Your college television show shown exclusively in the Student Union Building brought to you by IM Dept and Student Union. The show is the latest in the "Sparks Parte" series.

At 8:30 until 11 p.m. on every Monday evening, the college administration is presented in a humorous, light-hearted format.

The show is produced by the IM Department and the Student Union. It features a variety of performers and guests from the college and community.

The show is broadcast in the Student Union Building and is also available online.

Announcements

ES & G Offers Trip to the Yucatan Peninsula, Mexico

For those of you who are planning to travel to the Yucatan Peninsula, Mexico, the ES & G travel agency is offering a special package deal. The trip includes round-trip airfare, all meals, and accommodations at a luxurious resort.

The package is available for $1,500 per person, and the trip can be booked online at the ES & G website.

For more information, please contact the ES & G travel agency at 555-1234.
Editorials

Apply for Positions

At the moment, there are several important committees that need student representation. These committees are associated with the Student Senate, the Student Senate Committee, and the Academic Senate Committee. To learn more about these committees, contact the Student Senate at 555-1234.

The Student Senate is responsible for making the Student Senate Committee as well as the Academic Senate Committee. Undergraduate Curriculum Committee, and the Long Range Planning Committee. Student Senate members are elected by the students, and each student has the opportunity to serve on at least one of these committees. (For details about the senators, contact the Academic Senate Committee.)

By the faculty including student representation in these committees, the Student Senate will ensure that the student body has a voice in the decision-making process. If you have any questions or concerns, please contact the Student Senate Committee.

The Student Senate would like to thank all of the students who have attended and participated in these meetings.

Announcements

The Student Senate is pleased to announce the following:

1. A scholarship has been established by the Student Senate Committee for at least 5 years. The scholarship will be awarded to a student who has demonstrated outstanding academic achievement and leadership qualities. Applications are available at the Student Senate Committee office.

2. The Student Senate Committee will be holding a meeting on January 8th, 1978, at 6:00 p.m. in the Student Senate Committee Office. This meeting is open to all students.

3. The Student Senate Committee is looking for volunteers to help with the Student Senate Committee's upcoming events. If you are interested, please contact the Student Senate Committee at 555-1234.

4. The Student Senate Committee would like to thank all of the students who have attended and participated in these meetings.

Letters to the Editor

Thanks for the job well done!

To the Editor:

I am a member of The Green Hill Executive Board, and I would like to thank you for your effort in organizing our first Science Fair. Your hard work and dedication are greatly appreciated.

UFO’s: A Question of Reality

Any claims about a UFO researcher go out the window as soon as they are brought to you. For instance, if I claimed that a flying saucer is about to land in your backyard, you would be skeptical, right? But imagine if I were to bring up the case of a UFO expert who claims to have witnessed a UFO. How would you react to that? Do you think his claims are credible? Why or why not?

At first he gives the impression of being a quiet, unassuming man; a curious observer. But as you get to know him, you realize that he is passionate about the subject. He has spent years researching and investigating the phenomenon, and has numerous contacts within the community of UFO researchers. He has even been involved in some high-profile cases where his expertise has been sought.

One such case involved a group of researchers who had gathered evidence of a UFO encounter. They had come across footage of a UFO in the sky, and were trying to make sense of it. The expert was brought in to analyze the footage, and he immediately recognized it as a alien spacecraft. He was able to provide a detailed description of the craft, and even estimated its size and speed. His analysis was later confirmed by other experts in the field.

But the expert is not just content with analyzing footage. He is also involved in field research, attempting to capture evidence of UFO encounters. He has even claimed to have witnessed a UFO himself, although he is careful not to reveal too much about the incident.

So, when it comes to UFOs, do you believe in them or not? Do you think the expert’s claims are credible? Or do you think he is just another conspiracy theorist? The truth is, we may never know for sure. But one thing is certain: the question of UFOs will continue to intrigue us for years to come.

McNulty to Join Computer Network

Raynham, Mass.: The Raynham Alliance Computer Company is getting ready for the holiday season with the opening of its new computer network.

“Competition is doing that all the time,” said John Brennan, SAHC volunteer who worked the system implementation. “We helped him with the project, and he was impressed by his quiet authority and interest.”

At the end of the war American devices were reported by pilots in World War II. “We are not interested in the data,” says the expert. “It is not consistent with the reality of the situation.”

When asked about being the report- ed phenomenon, the expert replied, “I am only doing it to find the psychological influence that UFO’s are exerting on the population.”

Another theory Vallee discounts happens to the witnesses. “The experts—men with no history of hallucinations—have talked to Plasma to study what happens to us as a consequence of our environment, our environment sets around before and after.”

If we are to believe society must take part in the process of change. Student Action for Human Conservation is doing that. We have a broad vision of the future.”

As the expert relayed to us from the great American Smokeout-Nice job, we are content to continue our analysis of the expert’s material. For more information contact the expert at 508-825-7220.

After six years at BSC:

McNulty to join computer network

By Pat Duffy

Mr. Scott McNulty, coordinator of the Computer Services Department here at Bridgewater State College, has announced that he is leaving his position. Mr. McNulty has enjoyed working here for the past six years and feels that it is time for him to try something different. Although he is leaving, he has many favorite memories of his tenure here at BSC. He will continue to live in Mansfield, and commute to Boston. He has been working here for the past six years, and feels that it is time for him to move on to new challenges. He has enjoyed working with the students and faculty here at BSC and will miss them dearly. He has been a great asset to the college and will be missed by all.

Reynolds Aluminum Recycling

Aluminum Recycling-17¢/lb.

When he came to Bridgewater as a computer specialist in Boston, he designed and built the Applications Computer for the college. He has been working here for the past six years and feels that it is time for him to move on to new challenges. He has enjoyed working with the students and faculty here at BSC and will miss them dearly. He has been a great asset to the college and will be missed by all.

Reynolds Aluminum Recycling

The Reynolds Aluminum Recycling Company has announced that it will be offering a new service to its customers. From December 8, 1978, to December 10, 1978, the company will be offering a 17¢/lb. rate for aluminum cans. This rate is well below the current market rate of 22¢/lb. The company hopes that this lower rate will encourage more people to recycle their aluminum cans.

The Arts "Pure" Opens Tonight

By Bob Hunting

On Wednesday, December 1, BSC will present "The Delusion Conspiracy," a one-act farce about a man who believes he is the reincarnation of a defender of ancient peoples. The play was written by Donald Ogden Stewart in 1940 and revised in 1977. It is directed by Mr. Curtin, a member of the class of 79.

The following is an open letter to Mr. Curtin.

Dear Mr. Curtin,

I am writing to you today to respond to the letter you sent to the Comment office on November 29, 1978.

In the letter, Mr. Curtin took me to task on a lot of points, some justified and some not. For those of you who didn't catch it, the letter ran worth a worthwhile piece to read.

The rather dubious efforts of Marshall, Spelling, and Goldberg are theirs indeed make the jump. During the typeset process, two lines of my reference was supposed to be to "Wonder Woman," a series that did not apply. " <

The MothBOX

The Arts

The Mail of the Species

by Bob Hunting

summed up a problem that I would like to bring to your attention. This past weekend, I noticed that a lot of the mail in the Student Union was not being delivered. It seems that the mail is being placed in boxes for people to pick up, but many people are not doing so.

The New Maritame Model Pocket Dictionary defines the term, "lux," as a colorful phrase or grouping that is composed of a "clique" of people who are close friends and who all share the same interests.

I believe that the placement of the mail in boxes is a waste of time and energy. I think that the mail should be delivered to the people who need it, not placed in a box for them to pick up. I would like to suggest that the Student Union make a change in the way that the mail is handled.

Your sincerely,

Karen Donnen, John Richards and Donald Canney, Photo by Jan Carney

The Christmas Concert is Next Friday

The Bridgewater State College Choir presented their Christmas concert on Thursday, December 1st at 7:30pm in the auditorium. The concert consisted of a variety of Christmas works performed by the Bridgewater State College Choir. The concert opened with "The Little Drummer Boy," sung by the Bridgewater State College Singers. The choir then performed "Oh, Holy Night," "Silent Night," "O Holy Night," "White Christmas," "Do You Hear What I Hear," and "Away in a Manger."

The Bridgewater State College Choir is a renowned group of singers and instrumentalists who have performed throughout the United States and Europe. The choir consists of approximately 100 members, and they perform a variety of styles, including classical, contemporary, and spiritual music.

The choir's concert was a beautiful way to celebrate the Christmas season and bring people together. The performance was well-received by the audience, and many people expressed their appreciation for the choir's talent and dedication.

Mr. Hurwitz's Lecture on International Children's Art

Dr. AI Hurwitz will speak on International Children's Art, today, Monday, December 11th at 12 pm. Mr. Hurwitz has collected quite a few pieces of art done by children from around the world, which are sure to ease those pressures are on us all, we would welcome! Mr. Hurwitz's lecture will be held in the seminar room of the Art Gallery from 11:00 am to 1:00 pm. Why don't you stop in and see what we have planned for next semester. Suggestions are always welcome! Mr. Hurwitz.

Now what?
You can work 9 to 5 for the man or work full time for mankind.
The PEACE CORPS and VISTA offer you a real alternative that could be the most rewarding experience of your life.

In the PEACE CORPS you can go where your skills and training are needed. You can live in a new land, speak a new language, and be adopted by a new people.

VISTA offers you the opportunity to help people right here in this country, whether it's in the troubled ghetto, the mountains of Appalachia, or in your own community.

If you want to do something really important, consider the PEACE CORPS or VISTA because you can make a difference in the world.

To find out more about the opportunities awaiting you in the PEACE CORPS or VISTA call 697-8321 extension 422.
Boyle, Leoffle Bear Co-Captains

Mike Boyle and Tom Leoffle are good friends and better captains. Both are senior members of their respective teams. They have been a good team throughout their high school careers.

Coach John Krok made his high school bid in a memorable way. The former Boston State basketball team was the teams’ outstanding performer last season, averaging 16 points per outing and four rebounds per outing. Thus rearranged, Boyle and Leoffle were set to fill remaining gaps. Thus rearranged, Boyle and Leoffle were set to fill remaining gaps.

The Bears' second goal, scoring it unassisted 19:59 of the second period. However, by the final two-thirds of the third period, the Bears had settled for four points to Framingham's six.

In their second match against SMU, the Bears presented a formidable attack, but in a volley for control, the Bears were foiled when SMU rallied, scoring three uncanny goals late in the game, including a fifth straight in the final frame to make the final score, 5-3 in favor of the Bears.

The Bears, stopping forty FSC shots on goal.

Deacon Perrotta was in the net for the Mass State College Athletic Conference. But Tuesday night in the hometown gymnasium, he discovered Boston State behind the hot shooting of Co-Captain Jody McFayden.

The Bears were led to the win by hot shooting of Co-Captain Jody McFayden.

Among the leaders of the Mass State College Athletic Conference. But Tuesday night in the hometown gymnasium, he discovered Boston State behind the hot shooting of Co-Captain Jody McFayden.

The Bears were led to the win by hot shooting of Co-Captain Jody McFayden.

In the third period was marked by good defense. Bridgewater played for twenty-two pass and nothing happened.
