**Movie “should be banned.”**

Dear Editor,

Please allow me to address the issue of the latest comments regarding the movie “Boys Don’t Cry.” As written by Michael B. Butzky, in The Comment’s addition to the Grove St. building is so historical, it’s so revolutionary, it’s so revolutionary, you know? And I must say, I wholeheartedly agree. It’s a shame that this movie, which I believe to be one of the most important and thought-provoking films of recent years, is not being shown in more theaters.

Sincerely,

**Blood Donors Needed**

Dear Reader,

We have received an urgent request for blood issued by the students who are commuting to the nearby airport, is an FAA (Federal Aviation Administration) Press Conference. It is a call to action for all college communities to participate in the blood drive.

Please consider donating blood. It’s a simple act of kindness that can make a significant difference in someone’s life. For more information, please contact the Blood Drive office.

Sincerely,

Bendix Bus Lines, According to its "red tape" is the biggest impediment to any of the plans. The idea to keep the bus service that is provided by the bus company is to get the city to pay for it. At least, that is what the city council is trying to do. But, at least for now, the plans look good and the city council will be meeting to discuss the issue on the River Place. 

Bus Service

Steady on their mission to start the route was requested but denied because the DPU did not consider it as the situation. An emergency meeting of the city council will be held on Wednesday. 

The SGA will hold this information on October 18, 1980. The SGA will be holding a meeting to decide on the future of the bus service. 

Christian Fellowship "RAP" Sessions

The Christian Fellowship "RAP" Sessions are open to all BSC students. The sessions will be held on Monday and Thursday at 7:00 p.m. at the same time. 

The Project "Spiritual Counterfeits: Confrontation" is open to all BSC students. The project will be held on Wednesday and Thursday at 7:00 p.m. at the same time.

The fall semester is in full swing and the students are busy with their studies. The fall semester is also the time when the students become aware of the importance of spiritual growth. The students are encouraged to participate in the "Spiritual Counterfeits: Confrontation" project and the "Christian Fellowship "RAP" Sessions.

Blood Donors Needed

The blood drive is scheduled for November 1980. The students are encouraged to participate in the blood drive and to encourage their friends and family members to do the same.

The Doobie Brothers are reported to have received a One Million Order. Should this event take any place, it will be this first by the hand of a new and exciting national outfit. A recent Doobie Brothers interview by Richard Markart and Mr. Nicotribn. After telling the reader about the various aspects of the new network, I must say that, in comparison, last week's Doobie Brothers were a bit too rough. For every time you said to me, what about that, I thought, didn't they mean it? There were some things that didn't mean it, but most of them were successful. Even those that were not, most of them were successful.

There's Company, Four A's. Wilson both at Yukon and Crawford become popular. Alan becomes someone to remember. This week, he's back in the studio with his own band. He's been working on a new album, and it's been recorded. You can hear it now on your local radio station.

"But from the centrum of "This," the Beatles tell us not to worry about it. Don't draw attention to the fact of love. The Beatles are the number one group of the sixties. They are a phenomenon. They have been going on for so long, but there is a lot of things going on in the world as well. It's not something that is going to last for ever. It's a fact."

MOTHER KNOWS BEST! Anne Beverley, mother of the late Sel Veasey, recently told the London News of the World, that she taught the drug that killed him. The heroin that ended his life was almost 90 percent pure. Most street heroin is only 60 to 70 percent pure. Vicious, recently told the London News of the World, that she bought the heroin that killed her son.

Recently, we've lost many members of the rock community. Carl Wilson, former member of the Beach Boys, has died. He was 37. Garry Cooke, the former bassist with Derek and the Dominos, died May 30th. He was 37. Garry was suffering from a kidney ailment. He was 37. He had previously played with Blue

Carpool Services

Do you own a vehicle? Are you a student at Framingham State College, and are you interested in sharing a ride with others? Then you are eligible to use the Framingham State College carpool service program. Applications are now available at the Masspool Data center, located in the Student Center. Application forms must be submitted by September 15, 1980.

The carpool service is a unique opportunity for students to save money on transportation costs, reduce traffic congestion, and promote a more environmentally friendly campus community. Carpooling also helps to reduce carbon emissions, lower fuel consumption, and improve air quality. By pooling resources, students can save on the cost of fuel, insurance, and repairs. Additionally, carpooling encourages social interaction and camaraderie among students.

To participate in the carpool service, students must fill out an application form and submit it to the Masspool Data center. The application process includes providing information about your vehicle, your intended route, and your weekly availability. Once approved, you will be assigned a Masspool number, which you can use to register for rides. Masspool numbers are also required for participating in other student group and activity programs.

To find potential carpool partners, students can visit the Masspool Data center and check the Masspool bulletin board, which lists available Masspool numbers. Students can also contact Masspool Data staff for assistance in finding carpool partners.

Carpooling is an effective way to reduce traffic congestion and promote a more sustainable campus community. By participating in the carpool service, students can contribute to a more environmentally friendly campus and reduce their overall environmental impact. The carpool service is available to all Framingham State College students, and applications are now available at the Masspool Data center.
