Dear Editor:
The time has come for stu­
dents to start being heard! My name is Bill Brill of Sen­
ate 20 and I am once again a candidate for President of the S.G.A.,
and Vice-President of the Student Government Association.
For two years I have worked on behalf of students to make
the S.G.A. reflect the will of the students.

The S.G.A. is the only group, that truly represents the
students. It is the only group in which the students have a
voice. The S.G.A. is the only group that will continue to use the
money collected from the students to serve the needs and
interests of the students.

I have worked for three years,
and have experienced first hand,
what the S.G.A. is capable of.
I have worked first hand

Dear Students,

My name is Matt Donoghue and I am running for Student Trustee, the office of Executive Vice-President of the Student Government Association. I am running unopposed, and in my opinion, that is an accomplishment that I can take some credit for. I am not satisfied with the status quo. I will be one of the few students involved in the clubs and organizations that are trying to get things done. I am an active participant in the All-College Committee, and as secretary to the All-College Committee, I have the responsibility to share with you at all times the progress that is being made.

At this time, with the exception of the SGA elections on April 26th and 27th, my only interest is to become the president of the student government. To this end, I have been a member of the Student Government Association since my freshman year. I have served in the past on the All-College Committee and have served on the SGA as a senator.

Dear Students,

May I introduce myself to you? I am Carrie Kullick, and I am running for Student Trustee. I am a senior majoring in Computer Science. As your second Vice-President, I have been instrumental in organizing many campus wide events. I have also been a member of the All-College Committee, and as secretary to the All-College Committee, I have the responsibility to share with you at all times the progress that is being made.

Hello! My name is David Cameron and I am running for the position of President of the Student Government Association. It is very important that you understand that I am the only student who has attempted to become part of the student government in the past year. I have participated in the SGA elections on April 26th and 27th, and I have served on the Curriculum Committee.

I am proud of Bridgewater, and I applaud the student's philosophy, "Not to be muddled until, but to revolutionize." I would re-appoint your support, and I would like to express my appreciation for the support that I have received. Thank you for your support.

Sincerely,

Matt Donoghue
Candidate for Student Trustee, S.G.A.
MEET THE CANDIDATES

Student Trustee

Dear Students:

My name is Matt Donog

ful and representing the students of the Student Government Association. I am a student at the University of Massachusetts Amherst and have been involved in the S.G.A. for the past two years. I am currently serving as the Treasurer of the S.G.A. and have held various positions in the S.G.A., including Senator and Alternate Senator. I have had the opportunity to work with a dedicated group of students who are committed to improving the student experience at the University of Massachusetts Amherst. I am running for the position of Treasurer in order to continue my work in the S.G.A. and to ensure that the financial well-being of the S.G.A. is maintained.

Your sincerely,

Matthew Donoghue
Candidate for Student Trustee, S.G.A.
1985

Hi, my name is Peg Borge and I am running for a Senator-at-Large seat on the SGA. I have been a member of the student government, not only a voting member but also a working member. Anyone who has been in the SGA office knows that I have always been willing to help with any problems that you may have. If I am not up on the issues, you can always ask for updated information. I know what will affect the students and I will help other students to understand important issues of the SGA. This semester has been a busy one for me as I have been actively involved in many aspects of campus life...

2nd Vice President

My name is Bob O’Con- nell. I am running for the position of 2nd Vice President of the Student Government Association. My primary goal is to make the Student Government Association more relevant and related to students. This will be done by increasing the involvement of students in Student Government Association activities. Many students do not fully understand the importance of these activities. Each student must realize that the Student Government Association has the power to change the status quo. It is important that we work continuously to improve the Student Government Association so that it will be a true representation of the student body.

Because of the many responsibilities of the 2nd Vice President, I feel that the person who assumes this position should have much experience in the Student Government Association and related activities. I believe that this experience, including the following:

- Member of the Class of 1987--Governor of the Student Government Association--one year.
- Member of the Academic Policies Committee--one year.
- Member of the Class of 1987--Chairperson of the Finance Committee--two years.
- Member of the Educational Affairs Committee--one year.
- Member of the Class of 1987--Member of the Student Government Association--one year.

I feel that all of these experiences qualify me for the position of 2nd Vice President. I plan to run as a candidate for this position because it will allow me to work for the students and the Student Government Association. Although I have no length of time doing, and I know that as Senator for the Class of 1987, I shall give my vote to the student whose best interests I can promote.

March, I believe I’ve learned a lot about Student Government Association work since the last SGA meeting. I have been an active member of the Student Government Association, and have been working diligently on next year’s budget for campus clubs and organizations. I have also been present at all meetings and activities involved with different SGA projects.

With your continued support, I will be able to keep working for you, the Class of 1987, and the rest of the student body. Sincerely,
