Canada's Bear of Beers is here!

Down from the North Woods of Canada comes Grizzly Beer. Not just another Canadian beer, but a rare breed of brew. An authentic Canadian lager—naturally aged, so it's remarkably smooth. With a flavor no other Canadian beer can stand up to. The bear of beers is here!

New Faces / New Changes at the Hill

When asked if the changes were being made because of the possibility that Bridgewater State College may become a university, and that policies would eventually have to be changed, Markov replied, "The idea of a university is fraught with a host of new problems and questions."

As in any dorm, problems arise that have to be dealt with, and Markov and Healy are no strangers to that. Healy said, "The problems vary from roommates' problems to personal problems, and what to do with students in their spare time."

"The biggest problem is the past image of the Hill. We had a bad reputation as a "party place" especially for freshmen... We are not trying to take away the fun, but we are trying to get rid of the wild image."

We have encountered a number of problems, but we have a contract with the students... We are not going to force a change."
Dear Editor,

I have been quite amazed and concerned with your newspaper's lack of regard for the Student Government Association. From the moment our new SGA president and vice president took office last week, we have been working hard to get things done. However, I believe that over the past few weeks, there has been a definite lack of cooperation between different departments. We have yet to see any real progress on our agenda, and I think it's time we started taking matters into our own hands.

Recently, I have been working on a proposal to improve campus security. Despite the fact that this issue has been a concern for some time, we have not seen much action from the administration. I believe that it is time we started taking this issue seriously and started making some real changes.

Sincerely,

[Name]

---

**Draft legislation would suspend Constitution in an emergency**

By Jack Anderson

WASHINGTON — Amid the tense debate over the trade deficit, a new proposal is emerging that could have far-reaching implications for the democratic process as we know it.

The proposal, which is being pitched by some members of Congress, would allow the president to bypass Congress and declare an emergency, effectively suspending the Constitution and granting himself broad powers.

While the proposal is being sold as a way to fast-track important legislation, the reality is that it would give the president unchecked power over the laws of the land. It would be a dangerous and unprecedented move, and I urge everyone to speak out against it.

Sincerely,

[Name]

---

**Where's the Shoe?**

By Mitchell Lembardo

For the last several months, shoe-watching has been the norm in the student body. And with good reason. The viewing has been expansive, with nearly every type of shoe imaginable being worn on campus.

In fact, it has become such a popular activity that students have started referring to it as the "shoe war." And while some may see it as a silly distraction, I believe it has served an important purpose.

It has helped us to better understand the different cultures and backgrounds of our peers. And it has also been a way to bond and have fun.

Sincerely,

[Name]

---

**Commentary**

**The Choice is Clear**

By Jack Anderson

This year's presidential election is not simply another election, but rather the most important election in our history. The choice is clear: America must choose the candidate who will lead our nation to a future of prosperity and peace.

I believe that the choice is clear, and I urge everyone to vote for the candidate who represents the best interests of our country.

Sincerely,

[Name]

**Time is Running Short! Register To Vote!**

By Nancy L. DuPont

Managing Editor

The Bridgewater State College Coalition will be registering students on Oct. 12, 13, 15 from 9 a.m. to 2 p.m. in the Union on Monday through Wednesday. This is the final opportunity to register prior to the deadline for the Nov. 8 election, and it is vital that we encourage everyone to participate.

The Coalition is working with the Campus Slate and the Student Senate to ensure that everyone has the opportunity to register. We believe that it is important for every student to have a voice in the democratic process.

Sincerely,

[Name]
Where's the Shoe?

By Matt McDonell

Matt McDonell has been a regular contributor to the commentaries section. In this article, he discusses the recent political climate and the impact it has on the voting public. He suggests that the increased political participation could be due to the rise of insider politics and the influence of money in elections.

Student Birth Control Abortion?

By Michelle Lombardo

Michelle Lombardo's article examines the issue of birth control and abortion in the context of student health and rights. She argues that students should have access to birth control and abortion services to make informed decisions about their reproductive health.

Presidential Election is Clear

By Danette L. DePinto Managing Editor

The Bridgewater College Student Body will be holding elections from 10:00 a.m. to 12:00 noon on all campus locations on March 30th. The purpose of the elections is to elect the President, Vice-President, Treasurer, Secretary, and Student Body of the College. It is important to note that the voting process will be held in each of the four locations on campus.

Critical Thinking: Student Perspective

By Jack Anderson

Jack Anderson presents his perspective on the critical thinking process. He discusses the importance of questioning assumptions and the role of reasoning in decision-making. The article highlights the need for students to develop critical thinking skills to navigate complex issues in their personal and professional lives.

Draft legislation would suspend Constitution in an emergency

By Jack Anderson

Jack Anderson discusses the proposed draft legislation that would suspend the Constitution in an emergency. He argues that such a measure is a violation of the separation of powers and would undermine the rule of law. Anderson suggests that any emergency measures should be temporary and subject to oversight and accountability.

Time is running short! Register To Vote!

By Danette L. DePinto Managing Editor

The Bridgewater College Student Body will be holding elections from 10:00 a.m. to 12:00 noon on all campus locations on March 30th. The purpose of the elections is to elect the President, Vice-President, Treasurer, Secretary, and Student Body of the College. It is important to note that the voting process will be held in each of the four locations on campus.

Student Participation Is Birth Control Abortion?

The choice is clear: Safe, legal birth control is essential for reproductive health and autonomy. Students have the right to make informed decisions about their bodies and their futures. The Bridgewater College Student Body should ensure that all students have access to safe, legal birth control services.

Where's the Shoe?

It is quite obvious to me that there is a vast divide of political policy between the two sides. In other words, there should be a clear divide of political policy between the two sides. The current political climate and the influence of money in elections could be contributing factors.

Student Birth Control Abortion?

Senators

Project P.A.R.T.Y. will be sponsored at Comedy Connection event featuring Larry Sullivan and Jimmy Smits in the Rot on Sunday, September 30 from 8:15-11 p.m. at Student Union Room SU-2. This evening is open to all interested students, both community and dorm residents. A general summary of events taken by the Student Government Association and its Senators will be discussed, and Senators will be elected.

GALA Meeting

The Bridgewater Gay and Lesbian Alliance will be meeting on Tuesday, October 4th at 11 a.m. in L-204. Those who may have an interest in Law school admission requirements, informative lectures, traveling to Harvard Law School and other events, are welcome to attend. We are also pleased to announce this year's Officers. They are:

President: Steven Darcy
Vice President: Carol Ramirez
Secretary: Gayle Langer
Treasurer: Colleen McFarland

Attention Students:

The B.S.C. Law Club will be sponsoring a poetry reading every Tuesday at 11 a.m. in L-204. Those who are interested in any of the above requirements, LSAT, information, traveling to Harvard School of Law, or many other events, are welcome to attend. The Alliance is open to all students.

Business Week’s Guide To Careers

Business Week’s Guide To Careers, recently launched its 1984 issue. The October issue also highlights careers in law, hotel management and investor relations.

Forensic Team Competition

The Bridgewater Forensic Team (debate and competitive speaking) will compete at West Point in December. The team is looking forward to speech events, such as: informative, persuasive, entertaining speeches, oral interpretation, questions and answers, and debate. Interested students may find more information by contacting the Bridgewater Forensic Team. The team will compete in West Point on November 23rd.

The competitive speaking team will compete at

The October issue also highlights careers in law, hotel management and investor relations.

Elective Director

The Neighborhoods Fire At BSC

First came to BSC last Friday by the name of The Neighborhoods. This trio, bailing from Boston, played an informal set of original songs. The trio's music, such as "The Pretender Girl," and a few covers. "The Who" I can't English was revealed up in a punk anthem, but the song "Baby's First" by the Everly Brothers, was played in a doo wop style, much like the original. I hope that having The Neighborhoods play at the Outdoor Concert this is a new tradition of having good groups on campus. If you would like to see these guys back at Bridgewater sooner in the future, let us know.

Another student who has been to BSC Theater Club. Working with the Theater Arts Department for 27 years now, the club will be hosting our shelters. It will be the first performance of the club's fall program. The event will be open to the general public and will feature a musical performance of "Guys and Dolls." When did Walter Connie tell us when Apollo 11 was launched? Also, during the 1978 NCAA basketball championship game, what did the Hamilton team win? Please call Marcia C. Kenlove at 591-5000. There are two questions still open next week.

All Questions to TV Guide's Game were prepared and gathered by the editors of TV Guide Magazine. The board game is designed for two or three players (ages 10 to adults) and lasts for 25 steps.

Anyway, here's this week's TV trivia question. What TV Guide's Game came from one of the seven TV programs nominated for an Emmy this year? The TV Guide's Game; The Who's Next was the longest-running drama of the 1970s. The neighborhood's Fire at BSC is a regular feature on tuesday's numbers in children's shows since the 1950s.

The Neighborhoods
Fire At BSC

By Audrey L. Entertainment Editor

First came to BSC last Friday in the form of "The Neighborhoods." This trio, bailing from Boston, played non-stop for over an hour (a set that, for the first time, to our memory during an outdoor concert, actually get people up on their feet to dance.

The concert began with an introduction from the lead singer, "Auntie" Jerry, declaring that the band is "the best-kept secret in Boston." The audience quickly agreed, as the band played a set of original songs, including "Fire At BSC."

The Neighborhoods are known for their high-energy performance style, much like the original. With Harrington on bass, and Deering on drums, the band's sound is reminiscent of early punk rock, with a modern twist.

David Minehan of the Neighborhoods. Photo: Art Work.

TV Trivia Tester

By Jo Decker

Another school year has begun for the BSC Theater Club. Working with the Theater Arts Department for 27 years now, the club will be hosting one of whose cherished Graduated Angels, Professor Barnett. He will be going into retirement after this semester and he can be sure that he will be sorely missed, as he had his values, to ensure that the Theater Arts and Dance programs remained a part of the student body, an essential need. It is Professor Barnett who was responsible for the creation of the Theater Arts and Dance programs, as well as the establishment of the Theater Arts Department.

Theater Arts and Dance programs were set up in all aspects of the出演, including but not limited to, directing, choreography, stage design, and lighting. There wasn't even a single high school in the area that did not participate in the Theater Arts and Dance programs.

In two years from now, the Theater Arts and Dance programs will be nothing more than a memory, as the Theater Arts and Dance programs have been discontinued due to budget cuts.

The "Theater Ensemble" was created from the Theater Arts and Dance programs, as well as the establishment of the Theater Arts Department. As the club continued, the Department was able to concentrate on more productions and projects, as well as the establishment of the Theater Arts and Dance programs.

TOM WOLFE
Author of The Right Stuff, The Bonfire of the Vanities.

Wednesday, October 3 at 7:00 p.m.
S.U. Ballroom
Tickets: 12 BSC, 13 Public

Tom Wolfe grew up in Rich­mond, Virginia, and graduated from Washington and Lee Uni­versity. He received his doctorate from Washington and Lee University and the New York Herald Trib­une. His writing has also appeared in New York maga­zines, as well as in Equinox and Harper's.

In 1965, Tom Wolfe pub­lished The Electric Koo­/drum and in 1968, The Pump House Painted Word, was published in 1975.

In 1965, Wolfe published The Electric Koo­/drum and in 1968, The Pump House Painted Word, was published in 1975. Wolfe’s first collection of drawings was published in the fall of 1981. From Bauhaus to Ba­bylon and in 1979, Mr. Wolfe’s first collection of essays, was published in 1982.

Mr. Wolfe published The Purple Decade: A Reader. It seems we have been in a depressant portrait over time, then, many of Wolfe’s books have been sold out on anything. Asked what he would like to see happen, Professor Barnett replied:

"I would like for every member of the club to do all of their energies and arise from the bomb. Let’s acknowledge a new world. Which means we must support from all sections, not just the students familiar, government union, and other departments. When we sign that we trade and har­bor talents and ideas with other departments like the Depart­ment of Computer Science or SAKM, we smiled and said he hoped I could do something as cooperative as that. Can you, if I may say so, I believe we are, I’m making a call of my ask them to work with us in the Ensemble Theater so many people to accomplish that task to which we set all our claims to desire: members experiencing actual projects that interest them and will present them best for society. When? Don’t think I could type it all right. Anyway, I see opportunities in advertising, programming, and manage­ment, to say the least, and in acting and most of all creating.

But all things draw a circle, of which this documentary. I must add that Professor Barn­ett will not be leaving us with­out a curtain call. Be on the lookout for a gala party in the making for someday during the last week of December. Rumor has it that there will be performances by the club, Alumni performers (some of whom are presently insuring and scene or). Well, just wait and see, for it will be the condition of our Ensemble Theater. Come one, come all and come join; you may find you can’t live without our family.

Pandora's Box
A Plastic Cowboy Rides the Great American Prairie

By Collin Mazey
Staff Writer

For those of us who are football followers there is one team which stands out in the NFL's history: the Dallas Cowboys. The Dallas Cowboys have been a popular team for many years and are known as "America's Team."

The team has a long history of successful seasons and has won numerous championships. The Cowboys have a passionate fan base and their games are always exciting to watch.

Oakland is one of the teams that has dominated the NFL in recent years and is known as "America’s Team." The Cowboys have had a tradition of winning championships that began in their inaugural season and has continued to this day.

The team has won several Super Bowls, which are the most prestigious awards in the NFL. The Super Bowl is a game that is played between the league's top teams and is considered the ultimate test of skill and talent.

The Dallas Cowboys have also been known for their fan base, which is one of the largest in the NFL. The team has a dedicated following of fans who support them through thick and thin.

The team has had many successful seasons, and their fans continue to be loyal to this day. The Dallas Cowboys are a team that has a long tradition of success and is sure to continue to be a powerhouse in the NFL for years to come.
These more expensive methods, such as IUDs, are readily available to unmarried women. Twenty-five lower income women go. When many of these women have no insurance and, therefore, cannot afford these methods, which include the pill, the diaphragm, and the condom, they are forced to rely on methods that are less convenient and are also considered by many couples as a mess and a bother. This is the case in the nightstand drawer. The pill is on the verge of collapse, and a mess and a bother this law is passed, the two forms of birth control gone, women would be left with the use of contraception gone, and the pill is on the verge of collapse.

Takes orally in a combination of birth control pills also include a dose of Progestin. In the Pill the Progestin serves as a second type of hormone that inhibits the movement of sperm into the uterus. There is one argument that single men should have the same responsibility for birth control as their wives. It is not possible for any man to be overjoyed at the reality of using a condom. Ultimately, he is the one who is overjoyed at the reality of using a condom. Ultimately, he is the one who is overjoyed at the reality of using a condom. The nightstand drawer remains: The pill is on the verge of collapse, and a mess and a bother. This is the case in the nightstand drawer. The pill is on the verge of collapse, and a mess and a bother.
ANDERSON (from p. 3) proposes rationalizing labor as well. The government would be expected to do more in the area of national defense, air and land transportation, and in real estate work to "abolish unnecessary work in the national health, safety or welfare," and to "prevent the creation of an issue which discriminates against women of the highest qualification.

The "ANDERSON" will not be a federal bureaucracy about the availability of manpower. It will serve under the direction of a civilian (from the new Social Security Board) as a part of the federal government. The agency for national welfare or a one-year hitch in the military, will work in concert with federal bureaus.

ANDERSON (from p. 3) proposes nationalizing labor as well. The government would be expected to step in to control the number of working hours, and the government would be responsible for such work, and to hire as necessary to produce the nation's desired products. This could be a way to federalize the unemployment situation into a national emergency. It is also true that a federalized unemployment would be less of a burden on the national economy, since the unemployment would be spread out evenly across the nation, not just in a few states.
**Mass. Democrats Prepare For Victory in Fall**

Returning students are the fall of '84 are finding Massachusetts Democrats engaged in a dynamic, coordinated campaign to secure victory in November. The Democratic State Committee has launched an ambitious voter registration drive, sponsoring hundreds of volunteers who will hold six public hearings on Capitol Avenue. Also, a creative fundraising strategy has been planned to complement the registration efforts.

The Democrats have pledged to hold six public hearings on the registration deadline of Oct. 8, 1984. The issue of interest to most groups involved with voter registration includes the League of Women Voters, AFT-CIO union locals, NOW, MASSPIRG, Fair Share State Student Association, Florence 94 and the Rainbow Coalition. There are 3.5 million eligible but unregistered citizens in the Commonwealth. The Election '94 Leadership Academy will be held at Worcester State College on Sept. 29, 1984. Our thousand strong leadership training program will offer addresses by Gov. Michael Dukakis and other national and state figures. They will also bring workshops on voter registration, how to register, and how to register effectively. The Massachusetts Democratic Party will help you register, "Get Out The Vote!"

Six statewide public hearings will be offered by the Committee on Inquiry on Central America Excellence and student members of the Student Committee on Central America. Student members of the committee are located in and around the University of Massachusetts Amherst and have expressed interest in the issues.

When you register, you are registering to vote as soon as you move. If you move, you may register to vote as soon as you move to your new residence. Most registrars of voters will register you in city or town halls during regular business hours, and during special registration sessions before elections. Call your registrar for specific hours and places to register as soon as you move.

The following is a list of the names, addresses, and phone numbers of the registrars of voters in your area. Make this a practice of registering whenever you move. You can learn the exact hours and polling places in your community from your city or town hall or local newspaper.

### Where and when may I register?

POLLING places are usually located in your neighborhood. Vote early. Every vote counts. For state elections the polls must remain open until 8 p.m. During town elections, the polls must open by noon and remain open for at least four hours. If you are in line when the polls close, you have the right to vote.

You can learn the exact hours and polling places in your community from your city or town hall or local newspaper.

### How do I vote?

Sample ballots and instruction cards are posted at the polling place. Election officers are trained to help you. The poll clerk will call the names of registered voters. When you vote, you must present an identification card with your signature and address. This could be a driver's license, a voter registration card or other acceptable form of identification. Children under 18 years of age and persons who cannot read English, you may ask any qualified voter or election officer for assistance.

Mass. Democrats Prepare for Victory in Fall

With one victory already under its belt, the Massachusetts Democratic Party is gearing up for the 1984 election cycle. The party is focusing on several key issues, including job creation, education reform, and health care. In addition to traditional campaign activities, the Massachusetts Democratic Party is exploring innovative strategies to reach new voters and energize existing ones.

Drinking or Drive: You Can't Have Both

In an effort to combat the growing problem of drunk driving, the Massachusetts Democratic Party is launching a public awareness campaign. The campaign will feature a series of messages emphasizing the importance of responsible drinking and the dangers of driving under the influence. The campaign will use a variety of mediums, including television, radio, and social media.

From Russia's Children With Love

The Massachusetts Democratic Party is proud to announce the launch of a campaign to bring children from Russia to the United States. The program, which is part of the Massachusetts State Delegation to Congress, is designed to provide these children with a safe and loving home. The campaign will involve a variety of fundraising activities, including a special event on October 11.

Mass. Democrats Prepare for Victory in Fall

Returning students in the fall of '84 are finding Massachusetts Democrats engaged in a dynamic, coordinated campaign to ensure victory in November. The Democratic State Committee has launched an ambitious voter registration drive, a sponsoring of candidates for state and local offices, and a vigorous fund-raising strategy to supplement the matching funds campaign.

The Democrats have pledged to register all eligible voters by the election day of Oct. 6, 1984. In cooperation with several groups involved in voter registration, including the League of Women Voters, AFL-CIO union locals, NOW, MASSPIRG, Fair Share State Student Association, Voter Action '84 and the Rainbow Coalition, over 1 million eligible but unregistered citizens will be canvassed in the Commonwealth. The Election Day Leadership Academy will be held at Wattenberg State College on Sept. 29, 1984. Our thousand strong cadre of canvassers will gather for dynamic, coordinated campaign training. The Democratic State Committee has worked diligently to plan an exciting, motivating campaign.

Scandinavian Seminar

Scandinavian Seminar is pleased to announce the 15th annual College Year in Scandinavia (CYS) program. The CYS program offers American students and recent graduates the opportunity to study abroad and to experience a period of daily living in the academic, artistic, pre-professional environment of a Scandinavian university or college. Students have the opportunity to study in a broad artistic, pre-professional and personal growth environment, gaining an understanding and appreciation of the region's culture and history. The CYS program is designed for students of the arts, sciences, and humanities. CYS participants will study in the universities of Copenhagen, Goteborg, and Oslo, and three centers in Germany. In addition to attending classes and participating in the regular university program offered by the host institution, students will have the opportunity to participate in a wide range of activities and programs designed to enhance their understanding of the region's culture and history.

Thursday, September 27, 1984

On Tuesday, September 26, the College Year in Scandinavia (CYS) I program concluded with a presentation by Daniel Magnusson. Magnusson, a member of the College Year in Scandinavia (CYS) program, was a student at the University of Umeå, in Sweden. Magnusson presented an overview of the program and its objectives, and highlighted some of the activities and programs offered to students. Magnusson also discussed the benefits of studying abroad and the importance of developing a global perspective.

Chances at Hill

(four p.m.)

“Battle of the Brains”

Each year, the College Year in Scandinavia (CYS) program offers an exciting event known as the “Battle of the Brains.” This event is open to all students enrolled in the program and is designed to test their knowledge and skills in various academic and cultural areas.

The event is organized and hosted by the CYS program staff. It typically takes place in the evening, and students are encouraged to dress up in theme-related attire. The “Battle of the Brains” event is usually held in the main lounge of the residence hall, and participants are divided into teams based on their academic fields or interests.

During the event, students are given trivia questions related to a wide range of subjects, such as history, literature, science, and culture. The questions cover a broad range of topics, from pop culture references to academic concepts. The teams work together to answer the questions correctly and quickly, with the team earning the most points declared the winner.

The event is an enjoyable and engaging way for students to showcase their knowledge and foster a sense of community within the CYS program. It also provides a fun and competitive atmosphere for students to engage with each other and with the staff.

Scandinavian Seminar

Scandinavian Seminar is pleased to announce the 16th annual College Year in Scandinavia (CYS) program. The CYS program offers American undergraduates and other interested people the unique opportunity to spend an entire year in Scandinavia. Participants, mostly American college credit for the program, are divided into smaller groups to study their Scandinavian semester abroad. There are a number of benefits that come with the Scandinavian semester abroad. In order to be eligible, students must be a member of a truly educational community. College education in the Scandinavian countries is an integral part of life for students, and they are expected to participate in many different aspects of student life. The CYS program offers a variety of different programs, including language courses, cultural activities, and community service projects. The program is open to both undergraduate and graduate students, and participation is encouraged from all departments. The CYS program is a great opportunity for students to gain new perspectives and experiences while studying abroad.

Legal Advice

The Lens

The school is not responsible for that god-awful thing located in the Homecoming suggestion box.

By Ed Donahue

Starting this week in The Comment and as much as possible in the future, I hope to show you as many different things that are going on as possible on campus. The intent of this is to entertain, to amuse.

So if your roommate breathes fire, or something that is zany or off the wall, let us know and the Lens will capture it forever.

Bears Roll On

By Vic Dodero

Last Saturday's convincing 16-7 win over Maine Maritime Academy seems a distant memory, but one that the Bridgewater State Bears are rolling right along in. It was a game that belonged to the Bears, as BSC took charge early and never looked back and then not for long. Before a crowd of 1,800, Bears' punter Gary Camarillo put on quite a show, throwing field goals of 48, 23, and 44 yards on a strong afternoon.

The Bears opened up the scoring when Mason gained on a fourth down, attempting to run a fake pass. The average defense, which set up Creamer's first touchdown and punt on the field, fumbled the ball and gave the Bears a lead. Mason then returned the kickoff and put together a well-executed drive which carried them to the one-yard line.

On the first and last Marine would threaten from the point of view of interest. In between, and Gary Camarillo took over.

The Bears took a penalty and returned the Maine touchdown with one of their own, set up by pass to Scott Johnson and Steve Hughes.

Gary Camarillo added a 27-yard field goal with four seconds left in the first half, which brought the Bears up to 5-7. Camarillo chipped up his third score of the day from inches into the third quarter with a 43-yard field goal, making it 16-7. At the point the Bears' defense, led by Rick Douthit (2 sacks, 2 tackles, a interception, 8 tackles, 8 assists), shut down Maine for good. Maine was never able to obtain good field position all through the second half, and could not build on a drive of more than three plays.

In addition to Donnelly, also standing out on defense for the Bears was Bob Frien (2 sacks, 7 tackles). On the conversion states, Doug Bernard will not be surprised for he is a hangin. (Just kidding, he broke his hand.)

On offense, quarterback Mark Anderson was superb, nothing for 89 yards. Congratulations to the entire squad, and also the BSC cheerleaders.

The Bears won another in a row.

BSC Men Waterlogged

By Steve O'Brien

Water, a principal component of an aqueous environment, in defiance, some things come slow in water parks, especially Monday's game with Boston College. BSC's hope for a win ended straight for the bottom.

The BC Eagles sent the Bears to a watery grave, 46-6. In a battle held at the Kelly Gymnasium pool, BC took a quick 7-0 lead in the first half, running off eight unanswered points, and never looked back.

In the second half, BSC did play better, scoring 4 goals againsts were Scott Goudrich, Bob Stantey, Steve Quadeby, and Pete B rodzanski to BC's 0. It was not enough, however, to overcome the early deficit.

Later that evening, BC went on to beat the University of Maine, 5-2. BSC played Boston University, 6-5. BSC was in contention throughout the game, moving to within one point in the fourth quarter. A break played up to a short line made a scoring drive, while BU went onto score twice more. Goals for the Bears were made by Steve Quadeby, Donnie Dymond, and Bob Stantey.

The next time the Bears will be in action is in the weekend of October 6 and 7, at the University of Rhode Island.

Women's Volleyball Wins Big; Now 3-2

By Vic Dodero

Following a heartbreaking loss to Clark University last Tuesday, the lady Bears Volleyball team eked back to win four out of their next five matches. They won on Wednesday, then lost on Thursday, then won last Saturday to sweep Westfield State before a packed house. BSC is now 4-2 and has started out faster than last year's impressive pace.

Last Wednesday's sweep of Brandeis (5-3, 6-4) and Mass. Maritime (5-3, 5-8) was due largely to the strong serving of Gwen Ward, Cara LaCenzi, and Sarah Dominey. Ward and Donna Procopio paced the defense with a number of strong blocks. Off the bench was Sue Long, who displayed some impressive (and reckless) dives. The following nights at Roger Williams produced mixed results for the squad, who split the two matches, bringing them to 5-5 thus far in the season.

Although coach Kim Phillips was impressed with her team's progress and improved timing, she noted that the heavy schedule was taking its toll on the players. Coach Phillips felt that the team could have taken both matches from Roger Williams, but the girls were too fatigued to pull out both wins. Strong performances by Chris Thomson and Sue Long keeps the Bears in the mix, sticking it out to the final game of the season.

The lady Bears will be in action this weekend of October 6 and 7, at the University of Rhode Island.
Bears Roll On

By Vin Dodero
Staff Writer

Last Saturday's convincing 16-7 win over Maine Maritime Academy seems to have solved our biggest concern that the Bridgewater State Bears are rolling right along. It was a game that was decided by the Bears' defense, BSC went charge out of the gate and did not let the Pirates settle in the end zone and then sat out long. Before a crowd of 1,000, Bears' punter Gary Camarillo put on quite a show, booting field goals of 45, 23, and 44 yards on a strong terminal drive.

BSC opened up the scoring when Marc Lucey gathered on a fumble down, attempting to run a fake punt. The Bears defense, which set up Camarillo's first kickoff and put together a well-executed drive which carried them the entire length of the field, and then over the BSC goal line for a score. This was the first and last time Maine would threaten from the point of possession.

In the second half, BSC took charge early and returned the Maine touchdown with one of their own, set up by points to Scott Johnson and Steve Hughes.

Gary Camarillo added a 27 yard field goal with four seconds left in the first half, which brought the Bears up to 27-7. Camarillo chipped up his third score of the day four minutes into the third quarter with a 39 yard field goal, making it 16-3. At the point the Bears' defense, led by Rick Donnelly (2 sacks), Laura Long (2 tackles, 9 tackles), and Carol Capodio (2 tackles), shut down Maine for good. Maine was never able to ahdjust their position all through the second half, and could not utilize a drive of more than three plays.

In addition to Donnelly, also standing on defense for the Bears was Bob Fries (2 sacks, 7 tackles). A none-too-surprising development, defensive coordinator Doug Bernhard will sit out indefinitely with a hangnail. (Just kidding, it broke his hand.)

On offense, quarterback Mark Andrews was unstoppable with 69 yard rushing yards and 169 passing yards. Congratulations to the entire squad, and also the BSC cheerleaders—thanks for your loyal support.

The Bears wander down to Danbury, CT this week against Western Connecticut, also undefeated, for first place in the division.

Women's Volleyball Wins Big; Now 3-2

By Vin Dodero
Staff Writer

Following a heartbreaking loss to Clark last Saturday, the lady Bears Volleyball team played back to back out of their next five matches. They won on Wednesday, September 27, at home against Brandeis and Mass. Maritime, with Roger Williams on their way. They came home last Saturday to sweep Westfield State before a packed house. BSC is now 4-2 and has started out faster than last year's impressive pace.

Last Wednesday's sweep of Brandeis (15-3, 16-14) and Mass. Maritime (15-3, 15-8) was largely due to the strong serving of Gwen Ward, Cara LaConti, and Sharon Dennis. Ward and Donna Procopio paced the offense with a number of strong stretches. Off the bench was Sue Long, who displayed some impressive (and reckless!) dives. The following nights at Roger Williams produced mixed results for the squad, who split the two matches, bringing them to 3-3 thus far in the season. Although coach Kim Phillips was impressed with the team's progress and improved timing, she noted that the heavy schedule was taking its toll on the players. Coach Phillips felt that the team could have taken both matches from Roger Williams, but the girls were too fatigued to pull both wins. Strong performances by Chris Thomson and Sue Long keeps the Bears in the match, stretching it out to the third game. The lady Bears went down, 15-11.

After a day of rest, the refreshed squad bounced back to defeat Westfield State 3-0, with everyone on the team participating. The serving of Sue Long and Chris Thomson sparked the team in the victory, along with nice help in the spiling department from Janine Fager. BSC put Westfield State away with ease.

The next home game for one of BSC's most exciting teams will be October 3 at 7:00. Your support will be appreciated, and there are plenty of seats for everyone. Good luck, ladies!

BSC Men Waterlogged

By Steve O'Brien
Sports Editor

Water, a principal component of an aquatic environment, is not always a great friend to those who play it. Some things float; some things sink. Water pools, especially Monday night's game with Boston College, BSC's hope for a win headed straight to the bottom.

The BC Eagles sent the Bears to a waterside, 1-3, in a conference match held at the Kelly Gyn他是 the pool, BC took a quick start and never looked back. Goals for the Bears were made by Steve Quigley, Dennis Dennehy, and Bob Procopen. It was not enough, however, to overcome the Eagles' depth. The Eagles went home with a 3-0 victory.

BSC was in contention throughout the game, moving to within one point in the fourth quarter. A play broken up by a short flag made a scoring drive, while BU went onto score two more. Goals for the Bears were made by Steve Quigley, Dennis Dennehy, and Bob Procopen. It was a tough loss for the Bears, who had momentum on their side until a last-minute BC goal put the game out of reach. The Eagles moved to 6-3, while BSC goes to 5-5. The next time the Bears will be in action in the weekend of October 6 and 7, at the University of Rhode Island.

Both the BEARS and LADY BEARS enjoyed an outstanding week in their respective sports.

Most notable was the solid victory of the Women's Hockey team over the University of Vermont, 4-0. The team, which includes FRED, INGEBORG, and JOHANNA in their lineup, proved to be a force to be reckoned with.

Girls' soccer victories over Holy Cross in New England. They are expected to stay at the top of the league.

The Bears continue to dominate the field with a win over the defending champions, 3-0.

Women's basketball players,包括SUSAN, JANICE, and ELIZABETH, have been crucial to the team's success.

The Bears' defense from the goal line to the offense has been unbreakable, leading to a 2-0 record so far.

The Bears' game was not based on finesse, but rather on raw strength, speed, and agility, which included side-swiping, hard tackling, and just plain hard play.

Welcome to Section 32
By Jack Murray

Some other thoughts:

• Miami is THE best team in the NFL again.
• Dallas is just as unstoppable as the Jets are with wins over the mighty Rams, Patriots, Packers, and the Super Bowl.
• The Raiders are colorado.
• The Giants are the AFC East.
• The Jets are out.
• No Jim McMahon can the Bears do Friday night football.
• Foxboro why the Pats.

"I cannot imagine a game worse than this," the Boston Globe exclaimed on October 4th, 1975. It was the first time since 1956 that the Boston Globe had ever published a bludger. The game was a total embarrassment for the Boston Globe, and the reporters who had covered the game were forced to resign. The Boston Globe never recovered, and was eventually displaced by the New York Times as the most respected news source in the United States.

Bears Business

Both the BEARS and LADY BEARS enjoyed an outstanding week in their respective sports. Most notable was the solid performance of the BEARS at the home Naval-Marine Cemetery Invitational last week. The Lady BEARS had a record of 32-14, 21-0, 16-6, and 15-7, respectively. This allowed them to qualify for the National Invitational Tournament, which they will participate in next week.

MCNAMARA women's soccer team should be SOUPE PRAGUE or MIKE STORIDGE in the IM office.

The Boston Globe was in the house last week. The BEARS played host to their rival, the Boston Globe, in a highly anticipated match. The BEARS emerged victorious, winning by a comfortable margin. The match was a testament to the BEARS' resilience and determination.

Unfortunately, the ball had a tendency to be hit out of bounds, which often resulted in a loss for the BEARS. However, they managed to come back strong in the second half, and eventually won the match. This was a significant achievement for the team, and they should be proud of their effort.

The BEARS also faced tough competition from their arch-rivals, the Boston Globe. However, they managed to hold their ground and come out on top. This was a momentous victory for the BEARS, and they should be commended for their hard work and dedication.

Overall, it was an exciting week for the BEARS. They demonstrated their strength and determination in both matches, and their efforts should be celebrated. The BEARS should be proud of their accomplishments and look forward to more successes in the future.

In the second half, when forward Chris Toreti hit the ball into the goal, the Grass Flattens, a BSC player,门前, was not able to stop it. The Grass Flattens Disappeared and the ball was awarded to the Mass. Maritime player. Toreti left the field, and the Mass. Maritime player was given a yellow card. The BSC player was given a red card and was sent off the field.

The game ended 0-0, with both teams sharing the points.

The Grass Flattens had a strong performance, with a lot of chances to score. However, they were unable to convert these chances into goals. The Mass. Maritime players were aggressive and worked hard to prevent the BSC from scoring.

The Mass. Maritime players were also given a yellow card for a foul on the BSC player. The Mass. Maritime goalkeeper was forced to make several saves to keep the score level.

The game was a tough one for both teams, but the Mass. Maritime players showed their mettle by holding their ground and coming out on top. The Grass Flattens, on the other hand, were unable to make the most of their opportunities and failed to score.

The Mass. Maritime players were exhausted at the end of the game, but they were all smiles as they left the field. The Grass Flattens, on the other hand, were disappointed with the outcome and will have to regroup for their next game.

The Mass. Maritime players were all given yellow cards for their actions during the game. The Grass Flattens players were given a red card for a foul on a BSC player.
