USA & USSR
Unite

The National Union Year of the Child/USA & USSR. ""Children need love,"" is the slogan which accented the entire year. This year, Prof. Christina Anderson gave a report on her trip to visit students in two USSR. From the USSR, Prof. Anderson brought back some children's paintings. These paintings were exchanged for any paintings that the children of the USSR could make for us. The paintings will continue to be exchanged for a few months.

The children left their paintings with the hope that they would see ours. It was very touching to see these children's works of art.

In Memoriam

Patrick Wong

Dear The Editors,

The staff of the News would like to extend its most sincere condolences to the family of the late Patrick Wong, a member of the Bridgewater State College Staff. Patrick was a valued member of the Bridgewater State College community and a true friend to all who knew him.

He will be deeply missed by all who knew and loved him.

Sincerely,

Yvonne Young

Letters to the Editor

Carrie Kleick

Editor-in-Chief

As I was reading the comments section of the evening SGA meeting tonight, I noticed that there were several students who seemed to be arguing about something. It seemed that they were discussing the topic of SGA President and how many students were present.

I then asked one of the students who was arguing about the issue and explained that it had nothing to do with what had happened earlier. The students then explained that the issue was about how many students were present.

I then explained that the issue was about how many students were present and how many students were absent. The students then explained that this was a very important issue and that they were going to try to make sure that all students were present.

As I was walking away, I noticed that there were several students who seemed to be arguing about something. It seemed that they were discussing the topic of SGA President and how many students were present.

Singers Lauded

Stephen D. Etheredge

The Washington Post, the school newspaper, included a story of the USA & USSR in its weekly edition. The article was about the singers who performed at the USA & USSR.

TYPING SERVICES

The views expressed in Commentaries, and Letters to the Editor are solely the responsibility of the authors, and do not necessarily reflect the views of The Comment, its editors, or staff.

The Comment, a weekly student publication, was published in the United States.

Editorial

Total Agreement ???

by Richard Wight

The response was one of agreement, and the majority of the students were satisfied with the outcome.

Notebook

by Michele Lombardi

The Notebook was a regular feature in the newspaper, where the students could express their opinions or share their thoughts on various topics.

Shame on Business

by Mike Reiman

The article criticized the business practices of some companies, urging for ethical and sustainable practices.

For the Editor:

Dr. Robert L. Carrick will not be running for the office of SGA President with the political science majors of the class of 1985. He did not view his run for the position as a realistic one, and has recommended that other students consider running for the position. The SGA election is scheduled for early November, and the candidates will be announced soon.

Irish Love & Laughter

Bridgeview State College—"Irish Love & Laughter" is coming to our campus on Tuesday, Friday, and Saturday evenings May 2, 3, and 4 from 8:00 P.M. The Student Auditorium.

The bridgeview State college Ensemble will present these three one-act plays each evening under the direction of lady Gregory, "Bedford" Story, "Laughter," and "Winnas." (from "Loven") by Brian Wallis.

"Spreading the News" by lady Gregory, which was one of the forementioned plays and productions of the abbey theatre in Ireland. The first, as an answer, which is that no person can assume the one channel through which they have already received their money. And before anyone opens his mouth to ask what the students voted on campus. This system includes the parking situation for the buildings and more information, call 697-6065 or 697-8141.

We are looking for your IDEAS and HELP in...-corporate management- profit planning - performing in dance, mime, and acting/singing -technical designers-science majors (computers, physics)

We are relatively new in concept, but the more we think about what the can didates intend to try and win the election for the position for the students to have a say in their government and who is their leader, we’ll explain the rest. "We perform the Future. We are the Future!"

Electoral 1985

Know Your Candidates

Hledi Berry Speaks

"I am Responsible" To the Class of 1987

We don’t know if you are from the SGA, but we do know that you are from the SGA. We have a group of students who believe in good, dedicated, leadership for your voice. We are looking for your vote to see from SGA Demcetian for student leader and for the student leader to be appointed to the job of being a student leader.

DiClemente Endorsed

Mr. DiClemente in my great opinion is not only a fine choice, but an excellent choice with a great future ahead of him. I urge all of my fellow students who believe in good, dedicated, leadership to vote for Susan Demcetian for Student President of the Student Senate 1987.

In the Running...
To the Class of 1985 and 1986:

Steve DiClemente

Mr. DiClemente in my great opinion is not only a fine trustee but an excellent history major who believe in good, honest, dedicated~

Currently I am running for student president, as I feel that this is time for a change!

Our junior year is a very important one socially as well as campus activities which could benefit ourselves and the college community.

As election time approaches, I urge all of my fellow students to do so as your President will be a competent leader who will listen to your ideas and complaints about the way the school is being run.

I will listen to your mind, don’t feel frustrated—there is nothing immediately comes to your ideas and complaints to make things work for your benefit.

Currently I am running for student president, as I feel that this is time for a change!

Our junior year is a very important one socially as well as campus activities which could benefit ourselves and the college community. This activities would not only draw our class together but would also create lasting memories of our college experience.

I am responsible enough to be held on May 2 and 3 in front of the bookstore.

I am running for senator of our class hasn’t shown much interest in the voting, and I hope that this will change.

Please keep me in mind. I am willing to work for you.

Sincerely

Denise Lawson

Candidate: Trustee (Primary)

Michael Volpone

Candidate: Senator-at-Large

Larry Speaks

The editor:

With the elections for student trustee not far away it has come to my attention that one candidate intends to try and win a position he now holds but chose to run for another position he is not qualified to run for.

What I see in Mr. Steve DiClemente is a bright, young, intelligent person who can do the job.

To the Class of 1987:

On May 2nd and 3rd the running for the SGA positions for the Class of 1988 will be held. On May 2nd the running for the positions and class officers for next year will be done over the past two years.

At the time of President of ‘87.

They are looking for so many that it is time for a change!

Our junior year is an important one socially as well as campus activities which could benefit ourselves and the college community. This activities would not only draw our class together but would also create lasting memories of our college experience.

I am running for student president as I feel that this is time for a change!

My interest is in furthering a classroom and in curriculum education, too much of it. Whether the school should educate or entertain depends on the material. What's needed is a reason for being from Jamaica, recording at Tuff Gong Studios (Prince's studio in his native country). The Born to Love, from the album "The Best of the Best," has been lauded as one of the best releases of the year. The album was released in October 2005 and features a mix of reggae, dancehall, and hip-hop music. The Born to Love single was produced by Prince and became a hit on the dancehall charts.

The main problem is the production, too much of it. Drumming, harmonies, anything. I don't care if it's just too neat and light and shiny. But I am going to try. Another big problem is the fact that the band has never been on a stage. It's a shame.

If you want to better your way...
Ford and Lincoln Mercury have $400,000 for the purchase of selected cars and trucks.

Ford Motor Credit also has preapproved credit for qualified graduating seniors.

The parachute not only maintains the attention of children in the clinic but is also an excellent tool for developing social skills.

By Geraldine Bryant
Contributing Writer

The Children's Physical Developmental Clinic is a unique program serving special needs children ranging in age from eighteen months to twenty-two years. It is devoted to the psycho-motor (play, sport, recreation) and social improvement of the children. The clinic holds eight Saturday morning sessions each semester from 7:30 a.m. until noon. Students in most majors and concentrations from Bridgewater State College participate in the program as clinicians working on a one-to-one basis with a child in the areas of:

- Early Intervention
- Physical Fitness
- Perceptual Motor Development
- Basic Motor Skills and Patterns
- Individual and Group Games
- Aquatic Skills
- Rhythmic and Dance Skills
- Recreation and Sport Activity

A Clinician's day begins at 7:30 a.m. when he or she arrives at the Kelly Gymnasium and pool to help set up equipment. Coffee and donuts are then served to all clinicians followed by small group meetings with their group leader. At 8:15 a.m., clinicians have an opportunity to hear a guest speaker addressing medical, psychological, and educational needs of the children. By 9:00 a.m., there is nothing more delightful and satisfying than to watch and greet the children as they come to the program on Saturday morning. It is fulfilling to see their happy faces and to know that they are eager and looking forward to coming in, working, and playing with their clinicians.

By 9:30 a.m., things have begun to roll. Each clinician is with his or her child working on activities planned by the clinician (with the help of his or her group leader) for the day. And before most clinicians can realize the time, it is 11:15 and time for the children to depart. By 11:30 the equipment is put away and the clinicians gather in the gymnasium for meetings in which they review the success with their child and to plan for the forthcoming work with their group leader (a senior student).

The Clinic is directed by Dr. Joseph Burtner with the help of Provost, Annamie Smith and ten to twelve student group leaders. It is staffed on campus with over 60 student clinicians and over 70 special needs children enrolled. The Clinic has proved to be a satisfying experience for students knowing that they are helping a child to reach his or her fullest potential, physically, intellectually, emotionally, and socially.

Clinicians represent most majors of the Bridgewater State campus. These include the following:

- Art
- Biology
- Computer Science
- Early Childhood Education
- Elementary Education
- Health Education
- Management Science
- Music
- Physical Education
- Psychology
- Recreation
- Science
- Secondary Education
- Social Work
- Sociology
- Special Education
- Speech Communications
- Communications Disorders

The Clinic is now accepting applications from all students interested in applying. Applications may be obtained at Dr. Burtner's office, rm. 103 in the Kelly Gymnasium.

Work you come down and join us in our effort to make a difference in the lives of the special needs children we serve! We guarantee it will be one of the most rewarding and satisfying experiences of your college career.

By Mike Snyder

Today is Friday, the 29th, and this is a beautiful day. It’s a perfect day to be outside! The sun is shining, the birds are singing, and the wind is blowing. All in all, it’s a great day to be a Bears fan! Here are some highlights from the past week:

**Bears Business**

The women’s Lacrosse team has been on a roll as of late, winning three of their last four games. They’ve won two in a row, losing to Boston University and then defeating Northeastern University. The women’s basketball team has also been on a roll, winning three of their last four games. They’ve won two in a row, losing to Northeastern University. The men’s basketball team has been inconsistent, winning two of their last four games. They’ve won two in a row, losing to Northeastern University.

Today is Friday, the 29th, and this is a beautiful day. It’s a perfect day to be outside! The sun is shining, the birds are singing, and the wind is blowing. All in all, it’s a great day to be a Bears fan! Here are some highlights from the past week:

**Bears Business**

The women’s Lacrosse team has been on a roll as of late, winning three of their last four games. They’ve won two in a row, losing to Boston University and then defeating Northeastern University. The women’s basketball team has also been on a roll, winning three of their last four games. They’ve won two in a row, losing to Northeastern University. The men’s basketball team has been inconsistent, winning two of their last four games. They’ve won two in a row, losing to Northeastern University.

**Watersol Pois**

By Steve D'Urso

**Contributing Writer**

Water Polo is a tale of two teams, each with their own unique story to tell. But tonight, the story would be told by the team that had the last laugh, as they came from behind to win a thrilling contest against a tough opponent. The game started off with a bang, as the other team came out guns blazing and put their opponents on the defensive. But the defending champions showed resilience and fought back, eventually taking the lead and never looking back. The final score was 15-14, with the defending champions emerging victorious. The team was led by the ever-reliable captain, who continued to inspire his teammates with his leadership and determination. It was a night to remember for the defending champions, as they proved that they are still the team to beat in the world of water polo. The night is young, but the defending champions are already looking forward to their next game, where they will face a tough opponent and aim to continue their winning streak. The defending champions are the team to beat, and they will continue to show their dominance in the world of water polo.
The sun poked through the clouds at noon on Saturday and, right on time, the fourth annual Heritage Day Parade stepped off, with bands playing, floats moving, and sirens and horns wailing. Led by BSC cheerleaders and members of the football team, and followed by dozens of antique automobiles and the Oliver Ames High School "Tiger Band," the parade left the lower parking lot at Great Hill heading for the center of town where large and enthusiastic crowds of spectators awaited them.

It was the largest Heritage Day Parade so far at Bridgewater State College -- 19 floats were entered by various student groups and organizations in a lively competition for trophies and prizes, and when it was all over, here were the results:

- President's Cup Grand Prize and $150 cash went to Chi Alpha, the Christian Fellowship organization which put together an imaginative float that included live doves.
- Second Place and $100 cash went to Pope Hall for its "There's No Place Like Pope" float. Dorm President Lauree Morency and her team worked hard on this entry.
- Third Place and $75.00 cash went to Sigma Chi Fraternity whose "Born in the USA" float featured important historical events in American history. Those were the overall winners; in addition, each of the four divisions had individual awards, and those were:

  - **Division II - Greek Organizations:** Sigma Chi beat out very tough competition from Kappa Phi Omega (who took first place last fall in the Homecoming competition). Kappa's float, developed under the leadership of President Jeanette Humphreys, highlighted the history of sororities at BSC. "It was a real tough choice," admitted the judges. "Very, very close." The judges also had kind words to say about Alpha Upsilon's entry as well, and they enjoyed Phi Beta Sigma's entry too.
  - **Division III - Residence Halls trophy went to Pope Hall, which had to fend off stiff competition from Woodward Hall, Scott Hall (the "Scott Hall Cow Parade") and Shea/Durgin (whose float featured beds crowded together, illustrating quite graphically how Shea/Durgin is when school opens each fall).**
  - **Division IV - Clubs and Organizations - The Student Union Program Committee put together a clever and imaginatively designed float featuring a replica of the Rathskeller that had everyone along the route stamping their feet (including the judges).**

Other entries in the two divisions for clubs and organizations included great floats from the Class of 1944, the Chess Club, S.A.M.S., the Basketball Cheerdancers, and BSC Athletics.

Parade Coordinator Andrea Kaufman, Class of 1985, said, "I don't think we can say enough about how hard all the students worked on this year's parade and what a terrific job they did. The quality of the floats and the imagination they displayed were very impressive. This was the fourth annual parade, and every year the entries keep getting better and better. And so do the crowds watching the parade - an estimate of 3,000 people turned out along the route to enjoy it.

The Heritage Day Parade Committee expressed its thanks to Dennis Lawrenz, Jr., Student Government President and Parade Marshal, for his "superb" work and to the Student Government Association, which provides the funding and is instrumental in the planning each year.

This year's Honorary Parade Marshal was Mr. Harold Goodestrogh, Class of 1943, who with his wife rode in the parade with Dennis Lawrenz.

Miss Kaufman, on behalf of the Committee, expressed her thanks to all of the organizations which participated, and also to key members of the College staff, including Mr. Joseph Perry who each year helps, as she put it, "in a hundred different ways," and Mr. Louis Perry, who employs his good relations with area contractors and businesspeople to help acquire trailers and trucks for floats and works with town officials to enlist their cooperation with the many details which go into the parade.

"We also like to express special thanks to these businesses that provide the trucks and trailers -- such as Silvon Tracking of West Bridgewater, Gabriel Tracking of Bridgewater, Collins Rigging of East Bridgewater, Prell's Equipment of Bridgewater, and Mitchell of Brookline, " Mr. Michael Comiskey, the Student Union Program Committee chairman, said.

Miss Kaufman also singled out for special praise Mrs. Kinlaw, vice president of the Student Union Program Committee, from the S.A.M.S. office, who personally makes many telephone calls in her job to acquire trailers for the parade.
The sun peaked through the clouds at noon on Saturday and, right on time, the fourth annual Heritage Day Parade stepped off, with bands playing, flags moving, and seniors and juniors walking.

Led by BSC cheerleaders and members of the football team, and followed by dozens of antique automobiles and the Oliver Ames High School "Tiger Band" (the last of three bands), the parade left the lower parking lot at Great Hill heading for the center of town where large and enthusiastic crowds of spectators awaited it.

It was the largest Heritage Day Parade so far at Bridgewater State College — 19 floats were entered by various student groups and organizations in a lively competition for trophies and prizes, and when it was all over, here were the results:

- President's Cup Grand Prize and $100 each went to Chi Alpha for its "There's No Place Like Pop's" float. Dean President Laurens Moroney and her men worked hard on this entry.
- Second Place and $100 each went to Sigma Chi Fraternity whose "Boys in the USA" float featured important historical events in American history. These were the overall winners, in addition, each of the four divisions had individual awards, and those were:
  - Division I - Club Organizations: Sigma Chi beat out very tough competition from Kappa Phi Omega (who took first place last fall in the Homecoming competition). Kappa's float, developed under the leadership of President Mary Jo Humphrey, highlighted the history of sororities at BSC. "It was a real tough choice," admitted the judge. "Very, very close." The judges also had kind words to say about Alpha Chi Omega's entry as well, and they enjoyed Phi Beta Sigma's entry too.
  - Division II - Residences Halls: Trophy went to Pop's Hall, which led to a field of eight competitors from Woodward Hall, Scott Hall (the "Scott Hall Clown Patrol") and Shaw-Dugan (whose float featured beds coupled together, illustrating quite graphically how Shaw-Dugan is on a roll when school opens each fall.
  - Division IV - Clubs and Organizations: The Student Union Program Committee put together a clever and imaginative float, which was the high point of the parade that had everyone along the route clapping their hands (including the judges).
Editorial continued from page 2

To those members of the Senate to whom this does not apply, I apologize to you, and I am convinced that the majority of senators really care about the student body. I also believe that some of these things are being done, and I also believe that the students are the right car and accessible to those things are being done. I want to be able to put things into perspective and apologize to you. I am convinced that the majority of senators really care about the student body, and I even think that some of these things are being done. I think to give them a perspective and for those involved to reassess their positions.

This has been a great year for us, but great for the last two weeks. It feels good to really try something new, and in two weeks, next year, I’ll be writing a great essay. Same paper. Same space. Have a nice day!
Dear P.J.

Don't be disheartened there are still many boys on campus.

R.R.

Dear R.R.

Although this is not the most unusual habit I've ever heard of, most definitely see how you might be able to get the girl to stop doing it. It's not only bad for your health, but I find it hard to deal with his unusual habit. What should I do?

Signed R.R.

DEAR P.J.

My roommate met this girl that I really don't want to be about to ask her out. I had told her to think about it, but that day before she started coming to my room, she was talking to me the whole time. This has been going on for the last two weeks. If she feels really good to me I may ask her out. If I suggest you pick a new girl and find her drinking juice.

Dear P.J.

(Please cut after the word, "Oh my天!!"

Signed R.R.

Dear R.R.

Don't be disheartened there are still only a few weeks left in the semester. I would suggest you try to do your roommates again, maybe some of your arrangements can be made. If your roommate likes him, she might have some reducing qualities. Be patient. I'm sure she didn't like all of your friends either. If talking about it doesn't work, I think he is a little approach, if this doesn't work, it may make being with a little easier.

Signed P.J.

Dear P.J.

My boyfried picks his nose in public. I hate it when that happens, but I don't know what to do about it. I believe it is an unconscious habit. What should I do?

Signed P.J.

SBC Saddened By Loss
By Marc McGaughin
Consulting Writer

The Political Science Depart-
ment and the entire Bridgewater
State College community are deeply saddened by the recent
loss of a dedicated professor, Dr. Robert A. Larson, who passed
away on Thursday, April 12, 1985.

Professor Larson taught here at Bridgewater for fifteen years and
served as the first chairman of the Political Science and
Economics Department. His quest for knowledge was as
inspiration to his colleagues and students alike, enabling many
of them to pursue their own academic endeavors. To this
end, Bridgewater will always remember Robert Larson.

For many of us, a portion of him will always remain inside our
hearts, as we carry on carrying the knowledge he instilled within us. He leaves us with a legacy of a multitude of present
and previous students whose beliefs and knowledge are based
in part on Dr. Larson’s teachings.

We are grateful for the time he had to share himself with us.
He will never be forgotten.

Sympathy cards must be sent to:
Mrs. Robert Larson
94 Washington St.
So. Easton, MA 02375

Dr. Larson will be remembered,
Robert Larson

A FEW THINGS...

By Kevin Shaver
Staff Writer

With my third year of college
 officially done—fingers crossed—it's
familiar to some of the people on this cam-
pus are currently experiencing
some variation of it. This is only
natural.

THE END: For all of us
freshmen, it's been a great
experience, one that we look
forward to every year.

As you enter your senior year,
are you going to continue
the classes that you've
already taken? Are you going to
continue the classes that you've
already taken? Are you going to
continue the classes that you've
already taken? Are you going to
continue the classes that you've
already taken?

One question is, are you going
to continue the classes that you've
taken? Are you going to
continue the classes that you've
taken? Are you going to
continue the classes that you've
taken? Are you going to
continue the classes that you've
taken?

For me, the end of the year is
always a time to reflect on what
good or bad things have
happened during the year.

I've learned that it's
important to keep
things in perspective
and to enjoy the
moment.

Sure, the end of the year
is always a time to reflect
on what good or bad things
have happened during the
year. I've learned that it's
important to keep things in
perspective and to enjoy the
moment.

Sure, the end of the year
is always a time to reflect
