With this issue of the *Bridgewater Review* we take a new step in the evolution of the magazine. Students from the Art department will take on the responsibility of designing the *Review*. Under the supervision of Professor Mercedes Nuñez, each issue of the magazine will have a guest designer who will have the responsibility of creating a unique *Bridgewater Review*. This issue of the *Review* is designed by Jason Rallis, a senior from Halifax, Massachusetts. We at the *Review* are very pleased with Jason's work and feel he has a wonderful career ahead of him.
