A day comes ...
and a day goes ...
It brings with it
a thousand incidents,
thoughts
and feelings
It brings a smile . . .
or a tear
a pleasing thought
or a melancholy moment
All these are filed
in the archives of my memory.
MESSAGE FROM THE PRESIDENT

There is a general disposition among some today to assume that almost everything from the past is irrelevant and that new ideas and new words are probably much more useful in dealing with today's problems than any of the old ideas and old words.

If this debatable proposition be indeed true in some regards, I am certain that it does not apply to the idea of the College as a Community. Let me illustrate why by a little personal history which I may be forgiven, since it is only from personal experience that one really understands things both intellectually and emotionally.

All of my undergraduate experiences and all my graduate experiences, plus many years of teaching and administration convinced me in the 1940's and the 1950's that a college was either a community or a disunity. In those days the facts and experiences that led to disunity were such things as: first, lack of understanding and of communication between students and faculty and administration; secondly, highly departmentalized institutions in which the faculty of each department tended to think that the only really important matter going on in the college was the instruction that they were giving in their own discipline; and, thirdly, a general indifference and often hostility between the college and the town in which it was located; and of special interest to Seniors - who are in transition from being students to becoming alumni - a lack of common interest and understanding between students and alumni. Putting it in today's language, many forces tended to polarize the members of the college into groups which were either indifferent or actually hostile to one another. So it was clear that the concept of College Community to bring some sense of order out of chaos was necessary.

What of the situation today across the country on college and university campuses? The same sources of disunity described above still exist. But now they are supplemented by other forces which tend to separate student from student, faculty from faculty, and, even on some campuses, administrator from administrator. There are those who are so sure they are right in their opinions that in the name of freedom they would deny those who disagree with them the freedom to have contrary opinions. There are those students who accuse students who do not agree with them of being disloyal to the interest of all students. There are also faculty who equate their opinion of faculty welfare as being so right that they are impatient and antagonistic toward fellow faculty members who disagree with them. The mood of too many students, faculty and administrators is to assume that anyone who doesn't agree with them is unintelligent, Machiavellian, and full of insincerity and bad motives. In such circumstances as exist today, it is clear that as never before the college is either a community or a chaos.

It is therefore not idealistic and irrelevant to seek for a genuine College Community in which there is an understanding not only of what the college must do to be a successful democratic educational enterprise, but also of the spirit of civility and tolerance of opposing viewpoints that must obtain if the institution is to fulfill the great expectations which are part of the American Dream. The College Community was relevant in the 1940's and 1950's. In the 1970's there is nothing more terribly relevant than the philosophy and practice of a genuine College Community. Such a true College Community has two vital dimensions: the inner core, consisting of students, Alumni, faculty, staff and administrators; and an outer sphere consisting of trustees, legislators and members of the local community and of the broader society.

SPORTS
As the school opened for the 1969-70 year, the varsity football team had already started practice behind the gym. It was a special year for collegiate football as 1969 marked its 100th anniversary. For Coach Pete Mazzaferro, it marked the return of a host of lettermen from last year’s squad, best in school history. The team was led by co-captains Herb Lynch and Leo Fanning; they hoped to keep the winning ways of Bridgewater continuing.
The season opened with Bridgewater travelling to Lewiston, Maine to play Bates College. The Bears scored in the first period on a 3-yard pass from Jim Waters to fullback George Sullivan. Before Bridgewater was able to score again, Bates scored 36 points. The Bears' final score came when Vin Hickey hit Rich Roath with a ten-yard toss to make the final score 36-15.
On the following weekend, BSC played host to Frostburg (Md.) State under the lights at Legion Field. To say that the game did not have a storybook ending would be a lie.

Quarterback Vin Hickey masterfully engineered the Bears 80 yards in the final two minutes to tie the game.

The TD came on a Hickey to Sullivan pass to make it 21-19. The Bears went for the two points and hit paydirt when Hickey hit halfback Jim Federico with a pass for the two points. The final score was 21-21.
Hitting the road again, BSC travelled to Maine Maritime. After failing twice to score, Bridgewater scored on a 42-yard pass from Hickey to Bill Matheson; the extra point failed. In the second half, Maine scored on a Cahill-Mercer pass and then added the extra point which proved the margin of victory in this hard fought battle. The final: MM - 7, BSC - 6.
Still looking for win No. 1, Bridgewater travelled to play Hudson Valley Community College, an addition to Bear football. After a scoreless first half, Bridgewater scored on an 80-yard punt return by George Sullivan. The Bears scored again when Sullivan cracked over from the 3 to make it 14-6. Hudson scored but missed the extra points when the defense held and Bridgewater left Troy, N. Y. with VICTORY #1.
Homecoming saw Bridgewater playing Nichols College and the Bears rambling to a 40-0 rout. The Bears had over 458 yards in total offense as they were able to manhandle Nichols. Five different players scored as BSC won its second game of the year.

The next weekend saw Bridgewater playing Brockport, a team they had never beaten. After trailing only 6-0, the roof collapsed and the Golden Eagles romped to a 34-0 victory as Bridgewater continued to be jinxed when playing Brockport.

The Bears returned to the winning track with a 25-6 win over Curry College. The Bear defense was tough as they kept the Curry offense at bay by interceptions and fumbles.

With a 3-3-1 record, the Bears hoped to make it a winning season as they travelled to play Trenton (N. J.) State. It was a crisp snow-flurried afternoon, but Bridgewater got caught in the storm of a powerful Trenton offense. The outcome was Trenton, the victor, 51-6 in the first meeting between the schools. The final slate showed the Bears finishing 3-4-1.

After the season, Bridgewater was crowned NESC Champs in the league with Maine and Curry by virtue of scoring the most points compared to the others.

During the fall of '69 a determined field hockey team took on a number of teams from the various colleges throughout the state. The first game saw Salem State fall victim to Bridgewater by a score of 3-1. For the remainder of the season, wins weren't so easy to come by.

It wasn't until the Bridgewater girls shutout Westfield State in their final game that they obtained their next victory.

The season ended with Bridgewater posting a 2-2-1 record.
This year the scene changed for the cross-country team inasmuch as it had a new coach in Ed Calabrese, a former cross-country runner at B.S.C. The team had high hopes when the season began, but after losing the first meet by one point, they realized that stiff competition lay ahead. During the season the team was captained by David Layton.

Corey Powers and Paul Branigan exchanged the first position frequently while Bill Busiek and Tom Steele were in the third and fourth positions respectively. Dave Layton and Jeff Livingston both did well in most meets. Unfortunately, injuries hurt the team a great deal and the final team record was 5 wins and 7 losses.
An annual event on the Bridgewater campus is the Martin Rizzo Memorial Game. This year the faculty played host to the Harlem Magicians. The Magicians, having appeared at Bridgewater a few years back, were returning to the grounds of a previous victory.

All the members of the Magicians were adept in some or all phases of basketball. They showed talent in dribbling, shooting and just plain fun.
The Harlem Magicians and the faculty, led by some outstanding players such as "Pistol" Pete Mazzaferro, Tom Knudson and the ever-popular Mr. Donald Keay, were able to produce another successful Martin Rizzo Scholarship Game. Though victory did not come to the faculty, they can always wait until next year.
Volleyball

The 1970 season is the first season for women’s intercollegiate volleyball. The team’s youth provides a basis for future teams. The season proved to be an exciting one as the Bridgewater women sought THAT first win in intercollegiate competition.

Feb. 11 – Northeasterm U.
Feb. 26 – at Northeastern U.
Mar. 7 – at Salem State
Mar. 17 – at Boston State
Apr. 8 – at Westfield State
Apr. 11 – Second Annual State College Volleyball Tournament at Worcester State
Last year the school entered the Annual State College Volleyball Tourney. Though not competing on the intercollegiate level they finished second. If the volleyball team follows the road of the girls' basketball team, success will be assured!
Swimming!!!

During the recent four years at B.S.C., the athletic program has grown immensely. In the fall of '69 Bridgewater added its newest varsity sport, swimming. Coach Joe Yeskewicz was the new mentor for the fledgling swimmers.

The season has turned up records in: the breaststroke, George Pelati; the freestyle, Bob Johnston; and the butterfly, Mel Crotty.
Success measured in victories has been difficult, but the important matter is that a foundation has been laid for future aquatic teams.

Only three years ago a new organization appeared on the sports scene at B.S.C. Through student interest a hockey squad was born at Bridgewater. The squad is only a club sport, but is hoping for varsity status in the expanding sports program.

The season opened with the hockey club edging archrival Stonehill by a 5-4 margin. In its next outing at Meehan Auditorium the Bears were outclassed by a tough R.I. College of Design Team.

Following that, the icemen lost to Stonehill, 5-4, the same score by which Bridgewater had defeated that team previously.

The Bridgewater attack, led by Bob Lovett's brilliant stickhandling and Dan Cobb's solid checking, combined with the reliable goaltending of Frank "Gump" Cullen, produced a reputable season.
Basketball: 1969-1970

The season looked bright for the Bears’ hardwood fortunes. Coach Tom Knudson had several returning lettermen led by co-captains Jerry Crowley and Barry Fitzpatrick, in addition to two transfers, Barney Ross and Frank Smith, and 6'8" freshman Keith Richards.

The Bears opened at SMU and came out a winner. Sparking the Bear attack was Barry Fitzpatrick and Frank Smith.

Playing host to Salem State in their next outing, the Bears lost. Later in the week, Salem awarded the game to BSC because they used an ineligible player.

Standing 2-0, the Bears went to Nichols for an SNEC game. A loss here started a downhill trend which carried
through until the Christmas vacation as the Bears won only 1 of the next 7 contests. The record was now 3-6 on the campaign.

After semester break, the basketball team returned to the firing line. They hosted Curry College and lost 72-70 in a hard-fought game.

The next outing was against Quinnipiac, one of the best small college clubs in New England. In a complete turnaround of the season's previous form, the Bears ambushed the Braves from Quinnipiac 71-66. The Bears were on the move.

They next knocked off Fitchburg State 79-73. In a return game with Nichols, the Bears won 88-77 behind the 27 points of Barney Ross and the 20 rebounds of the ever-improving Keith Richards.

Hitting the road after 4 straight home games, BSC travelled to Merrimack and fell 111-83. Seniors Dan Ryan
(29) and Barry Fitzpatrick (27) led the Bears in a losing effort.

Returning to their home, Kelly Gym, the Bears ripped Lowell State after 32 minutes of close basketball. The Bears posted 99 points in a 99-78 trouncing of Lowell.

The record stood at 7-8 when Boston State came to Bridgewater. But, for the second time in the season, Boston State proved too tough as Bridgewater fell 102-86.

The next night, traditional rival Stonehill came to do battle. After a close game for the first half and third quarter, Stonehill broke away and coasted to a 91-68 victory.

then fell again before returning home to play SMU and winning 82-77. Dan Ryan, who had been setting the pace most of the year, canned 21 points in the effort.

The next outing was against Westfield State. Bridgewater was forced into overtime by the Owls, but finally won 88-87 as Dan Ryan scored 32 points before fouling out. The Bears' record was now 9-11 with a 7-5 record at home.

After travelling to Salem and scoring a victory, Bridgewater had two important meetings left with SNEC members, Bryant and Quinnipiac. The Bears suffered two setbacks and a chance for the conference crown was lost.

The final game saw Plymouth State roll to a 113-98 victory over the Bears. This year's club gave the school its best record in a decade with a 10 win-14 loss mark. The Seniors taking their places in the record book were Dan Ryan, becoming the most prolific scorer in any campaign for Bridgewater, and co-captain Barry Fitzpatrick becoming the third highest career scorer in Bridgewater history.
Women's Basketball

The women's basketball team again had a big season. The team, captained by senior Jeannette Beres and coached by Miss Judith Schneider, in her first year as coach, led the girls' basketball fortunes. The top scorer was Karen McDonald along with Jeannette Beres.

Bridgewater has changed from six player basketball to the new experimental five player game. It employs tactics and strategy similar to their male counterpart.

The team, with its superb record, brought Bridgewater much recognition as a result of their competition in the Women's National Invitational Tourney at Northeastern. They competed against some of the leading women’s teams in the country.
The Junior Varsity participated in the Massachusetts State College Basketball Tourney, of which the varsity had been the defending champs.
The jayvee club played against varsity squads of the other State Colleges in the Tourney.
To Plato, the educated man was trained in body as well as mind. At Bridgewater, those unable to engage in varsity sports take part in a wide range of intramural activities. Included are football, basketball, softball, volleyball, swimming and track.

The intramural program started with a strong eight team football league. The championship was determined in the last game when the Sigs outplayed a strong Kappa team in an 8-0 victory.
With activities moving indoors, basketball took its place as the sport of the season. Eighteen teams went to the line in an effort to win one of the positions in the playoffs.

Between the basketball and softball season, the annual volleyball tourney was held. The activities encompassed by the softball league, swimming tourney, and track meet concluded the intramural program.

Honor's Day
Horace Mann Award

The Horace Mann Award is the highest award that can be given by the student body to a teacher at Bridgewater State College. The award symbolizes excellence in teaching as well as genuine interest and concern for those taught.

The Class of 1970 presented this award to Mr. Robert J. Bent, Professor of Mathematics, whom we believe best fulfills these qualities.

The baseball team produced the best record in a decade as they ended with a 10-11 slate. The team was coached by Harry Lehmann and led by senior co-captains Gary Langenbach and Ron Dzergowski.

The season opened with a 4 game pre-season trip south, the first in Bridgewater's history. They played at Towson (Md.) State, twice at Salisbury (Md.) State and finished with a game against Johns Hopkins.

During the regular season the team suffered early and stood at a 4-10 record. Then after a ninth inning victory over Lowell, the Bears streaked to five wins before losing at Nichols in the second game of a doubleheader. Then in the season finale, the Bears pulled out a ninth inning victory over S.M.U. This brought the record to 10-11.

Some of the outstanding players included Dan Ryan who played a great defensive game at third and Henry Cormier, pitcher. A large contribution to the Bears' success was Peter Johnson, a junior, who set a school batting record (.367), home runs (5) and led the team in rbi's with 24. Bruce Larson led the pitchers with an e.r.a. of 1.70. The season was an improvement over the past and the outlook for the future, good.

Bridgewater's tennis team enjoyed its best season in the school's history by rolling up twelve victories against a lone defeat. The surprising netmen reversed the previous year's record in which the Bears captured only one match. The keys to the team's success were newcomer Bill Busiek and captain Augie Furtado. Busiek captured the MVP trophy by winning all but one of his matches. Furtado, the only senior on the squad played well in singles and doubles. The other members of the squad were Ray Sousa; Joe Walker, capt-elect; Ron Kendall; Nagy Webby; and Frank Cullen. The Bears' only setback of the year came in the ninth contest versus powerful Salem State. However, B.S.C. had previously defeated Salem to hand them their only defeat of the year. Joe Walker and Augie Furtado won the honor of representing B.S.C. in the NAIA national tournament in Kansas City, Mo. In all, the netmen under the guidance of Dr. Henry Rosen, combined skill with desire to compile the best record of any sports team this year.
