PUTTING THE PIECES TOGETHER

1993
DEDICATION
For several years, Father Bob and Sister Joanne have been permanent fixtures at Bridgewater State College. But, like us all, they both found the need to move on. We will miss them and the hospitality they extended to us all through the Catholic Center and Campus Ministries. For all they have meant to us, we dedicate this 1993 yearbook to them. Thank you, Father Bob and Sister Joanne.
PUTTING THE PIECES TOGETHER

Since coming here as freshmen several years ago, we have changed. We are not the same as when we arrived. Since that time, that seems so long ago, but could have been yesterday, we have grown. We have learned. Learned about ourselves and about life. We have grown. We have met new people. We have had experiences we have learned from. Some we will never forget, some we wish we could forget. But we can’t. All the memories, good and bad, are now a part of our lives. Now it is time to put all the pieces together. The pieces of our memories, the pieces of our lives. We will put the pieces together of our time at BSC.

For a large number of BSC students, a good part of their school lives are spent in their cars, commuting to and from. A piece we can’t forget.

Off for a walk to enjoy the day!
The BSC campus is a favorite place for sports of all kinds to break the monotony of papers and tests.

Of course, we can’t forget the road to nowhere leading right through the center of campus.
Graduation... a time looked forward to, but also feared by many. Graduation from college marks the end of much hard work and many rewarding experiences. It signals the end of an era in many students lives. It is a time to anticipate and to look back on fondly. For those graduating in 1993, this is their final year here at BSC. After this, "real life" must begin. On the following pages those seniors become names and faces. These seniors are the next generation. They will make their mark on this world. They are the future.

Peace! And always remember your time at BSC.

Everybody smile! An evening at the Spring Ball is always an enjoyable time.
There's plenty of time to get in your exercise while hurrying from class to class across campus. But it's always more enjoyable with a friend.

And there's always time to sit and enjoy the fresh air and good company.

This page is dedicated to all of the graduates of 1993. For all of the years of hard work and dedication they’ve given here at Bridgewater State College, we commend them and congratulate them. Good luck!
The Spring Ball is one of the most important functions of the Senior Year. And of course one of the best memories of the year and our stay here at BSC. Enjoy this section and let it bring back the memories of a most memorable night.
GOOD LUCK!
The faculty. Without them, where would we be? We wouldn’t even be here. They have helped us learn. There are many great members of the faculty here at BSC. Think of your favorite professor from Bridgewater. What made them great? Did they teach you a lot? Were they fun? Perhaps you have a least favorite professor. Everybody does. There are so many members of the faculty who have helped us get through our time here. From professors to administration to health services to food services to the President. Without the faculty, we would not be here today. They have helped us put the pieces together. 

The commuter cafe is a great place for that last minute cram session.

A SPECIAL THANK YOU TO ALL OUR FACULTY AND STAFF WHO HELP BSC TO RUN AS EFFICIENTLY AS IT DOES.
People and Places ... BSC is full of both. Our 170 acre campus contains several dormitories, classroom buildings, the library, and of course hundreds of students. That's what this section is dedicated to ... all of us here who make up the pieces of BSC.

Christopher White is just one of the many students here who make up the pieces of BSC.
The fun of Bridgewater is the students. And of course the hypnotist that performed for us all.

Come on, guys! Don’t just stand there! Do something!
HOME COMING
Convocation

On September 25, the Convocation Ceremonies formally welcomed the Senior Class into its final year at B.S.C. In one of several speeches made that afternoon, President Tinsley expressed the special affection she feels for the Class of 1993, because most of its members began their term at the College the same year that she began her presidency here. She emphasized the spirit and sense of community that distinguishes Bridgewater, and urged the seniors to carry this with them after graduation. The keynote speaker was Scott McDonald of the Class of 1980, who is currently marketing manager of the Foley Fish Company in New Bedford. His experiences include playing golf professionally on the PGA Tour, and being a scout for the National Basketball Association’s Denver Nuggets. He joined the other speakers in encouraging the seniors to make the most of this last year, both academically and socially, and to value the B.S.C. experience and education in future years.

The occasion also was used to announce the renaming of the Burrill Avenue Academic Building, which has become “Walter and Marie Hart Hall.” This is in honor of the parents of Mary Terry Hart Cogan, Class of 1951, another featured speaker at the Convocation. Last spring her gift of one million dollars to the College was announced; this is the largest gift from a graduate in the history of the College. She too spoke of her fond memories of the years spent at the College, and the good preparation this gave her for graduate study and her career in teaching.

Following the ceremonies, participants and guests gathered for a reception in the fountain area of the Campus Center.
EARTH DAY
There's lots of places on campus for clubs to meet. And there are those friends we'll cherish forever, and not just in the conventional places.
Chances are, if one has a hobby or interest, there is a club or organization on campus for you. For those interested in speaking, there is WBIM, the on campus radio station and the forensic society. Any would-be actors or actresses may join the Ensemble Theatre. For those who like to write, there is the student newspaper, The Comment or Yearbook. There are athletic clubs, men's and women's rugby and karate. There are also clubs within ones major; like the AMERICAN MARKETING ASSOCIATION, Biology and Chemistry Club, English Club and Earth Science Club as well as many more. There are honor societies, like KAPPA DELTA PI (educational). There are also many special interest clubs, like Amnesty International, Residence Hall Association and College Executive Board.

There are many fantastic sports teams here at BSC. They do not get nearly enough media attention. In 1992, BSC boasted an almost undefeated football team. They lost only one game. The Bears had an excellent season in 1992.

There are many other sports besides football at Bridgewater. There is something for everybody, both men and women. Varsity sports include baseball, basketball, cheerleading, cross country, field hockey, women’s lacrosse, soccer, and many, many more.

Baseball’s always an interesting sport.

Everybody gets into the games... literally. Everybody cheer for your favorite team... Go Bears!

GALORE
Throughout the year, students participate in many events here at BSC. Program Committee brings many entertainers to Bridgewater. There have been comedians, musicians, and bands. Then, of course, there are many yearly events to look forward to, such as Homecoming and Spring Fest. Working on, participating in, and attending all the events offered some ways students enhance their lives here at BSC.

This is so much fun. I don't know how much more I can take.

The Chamber Singers Christmas concert is a great way to share the spirit.
This year's Spring Fest was an uplifting experience.

In closing, for those graduating, their time at Bridgewater has left behind many memories. There have been many new friends and fun times. Hopefully, the good times will never be forgotten. Now that it is time to graduate, the pieces are all put together.

Life at Bridgewater can often be just like diving. You never know exactly where you'll land, but you know there will be a big splash.

We'll never forget the good times we had, or the places where they occurred.

When life tries to tackle you, just get up and run for the touchdown.
