100th ANNIVERSARY
Dear Members of the Class of 1998,

Your years at Bridgewater are chronicled in words and pictures in this yearbook, and I hope they bring back many pleasant and happy recollections of the time you spent here.

As your class moved from freshmen, to sophomores, to juniors and finally to seniors, you witnessed the college going through an enormous number of changes, ranging from the opening of the John Joseph Moakley Center for Technological Applications in 1995 to the restoration of commuter rail service – with the Bridgewater station right in the heart of the campus – in the fall of 1997. Academically and physically, the college was a much different institution when you graduated than when you first enrolled.

There is a strong sense of momentum at Bridgewater today, and I thank you for all you contributed to the college. Now that you are alumni, we count on your continuing involvement and participation in the life of the college. We depend on the support of our graduates, and please be assured you are always welcome back here.

On behalf of the entire Bridgewater family, I wish you well in all of your endeavors.

Sincerely,

Adrian Tinsley
President
Dedication

The 1997-1998 Bridgewater State College Community and Yearbook staff would like to take this opportunity to recognize the contributions made by the following Staff and Faculty members to the BSC community:

Dr. Marilyn Barry, Dean of the Graduate School

Martha Jones, Associate Dean of Student Affairs

Prof. Margaret Souza, Chemistry Department

Mr. Thomas Walsh, Director of Academic Advising

Mr. David Wilson, President’s Office/Communications Department

The hard work and dedication put forth by these members of the college community has helped to create an institution dedicated to meeting the needs of its students, staff and faculty. Their many years of loyal service to the school has not gone unnoticed. Bridgewater State College wants to say Thank You to these men and women and to wish them continued success and happiness.
On Friday, September 26, 1997, the Bridgewater State College community gathered together to celebrate the opening of the school year with this academic tradition honoring the senior class.

Students watch as the procession begins, signaling the beginning of the festivities.
Students from the math and computer science department enjoy the senior luncheon held in the Commuter Cafe which followed the ceremony.

Both faculty and staff members joined the senior class at this luncheon held in their honor. These students from the Chemical Sciences department are enjoying their lunch and each other’s company.

A majority of the senior class attended this event with their friends and classmates. These students are having a good time at convocation and are looking forward to their last year here at BSC.

Following the convocation ceremony, the atmosphere was one of celebration at the luncheon. These students are enjoying themselves and the food.

President Adrian Tinsley addressed the senior class and inspired the audience with her speech to the Bridgewater College community.
Around Campus
Why ask Why? Should the campus go dry? Trustees to decide on alcohol policy for students at BSC.

BSC students were not very pleased with the new alcohol policy and many voiced their objections. However, the policy went into effect and it has been and will continue to be strictly enforced.

During the past year, the hot topic on college campuses around the country and in the media is college drinking. This is viewed as a right of passage by many students, but little attention is paid to the tragedies caused by binge drinking...until now. Pres. Tinsley spoke about the issues surrounding binge drinking and how our college community has decided to confront the issue. "We do a hood job with education and orientation," remarked Tinsley, "but it is not getting through." The college community held an open forum to discuss the issue, and student participation regarding the development of a stricter alcohol policy was encouraged. In the end, the State Board of Education gave schools specific regulations regarding alcohol on campuses. BSC designated a majority of the dorms "dry" and instituted a stricter punishment code for students drinking illegally.

After a fourty year absence, the Old Colony Railroad made an inaugural run on Friday, September 26, 1997. Dr. Adrian Tinsley was present at the ceremony to greet the train upon arrival. "It is an extraordinary day for all those who have labored so long to make it possible to restore this service. Bridgewater State College is pleased to be a part of this historic undertaking." The train is now providing commuter service for the public and students alike.

Computer terminals with full Internet access are now available at 22 different sights around campus. They are called "Express Stations" for a reason. With full Internet access, students may be tempted to linger or not return to the main screen.
The Alumnae Career Exchange was held for the sixth straight year and was attended by professionals, seniors and current students. This event provides women with the opportunity to learn about the various challenges they face in the workplace. The event was sponsored by the Career Services Office and was a complete success.

The BSC Files

Homecoming 1998

This year's homecoming was filled with excitement and anticipation. "The BSC Files" A Sci-Fi Weekend was the theme for the events this year. The festivities began on the 15 when the BSC Women's volleyball team beat Fitchburg State. PC sponsored the movie, "The Devil's Own" in the Moakley Center following the game. As a part of the PC Blues Series, "Big Jack Johnson" played in the Rat Thursday night. The 2nd annual Pep Rally was held on Friday night in the Gym. The cheerleaders and the football players all geared up for the big game with the support of many BSC students.

During halftime, President Tinsley crowns the King and the Queen. This year's winners were Kim Pert and Derek Driskell.

The BSC Bears rolled over the team from Westfield State 55-21 in front of their home crowd on Saturday.

The marching band then led the way to the bonfire at the Miles/Dinardo field which was sponsored by Sigma Chi. The floats for the parade were built Friday night behind Harrington Hall beginning at 9pm. The parade kicked things off on Saturday and was led by Mark Goddard, an alumni of BSC, and the BSC marching band. The parade marched into Swenson Field and the big game kicked off at 1pm against Westfield State. Bridgewater won the game 55-21 in front of a supportive and excited crowd.
Students from Alpha Eta Rho dressed up as the popular characters from Mel Brooks movie SpaceBalls for the parade on Saturday. Their float was one of many which captured the out-of-this-world theme of this year's Homecoming.

The BSC Bears almost broke a school record for most points in a game during their Homecoming game on Saturday. After their victory against the Westfield Owls, the Bears were undefeated in the New England Football Conference.

The BSC Cheerleaders tried to get the crowd revved up for the big game during Friday night's pep rally.

A tribute to the movie Star Wars was the theme of this float, although the students took a little creative liberty with their props.

Student Records/Registration
**Starting Point:** All freshmen wait here while letters of admission are being mailed out.

**Registration:** The GER you need is full. Sign up for the only class available—what a choice! Victorian Prose and Poetry or Aquatic Insect Ecology.

**Orientation:** Always good for a laugh. You’ll receive your orientation booklet and campus map at graduation.

**Rip-Off!** Go to the Campus Bookstore and pay twice the publishers price for your textbooks.

**Surprise:** On your first trip to Tilly, you realize that mystery meat does exist. You should know, you just ate some.

**Dorms:** To-let: A spacious 10x10 cinderblock cell with a view of a vacant parking lot and broken bottles. Outrageously priced with common bathroom for 40 people. Inquire: Director of Res Life Housing.

**Foul Up:** SAT Scores and application were lost in the mail. Lose one turn while you reapply.

**Setback:** Your scholarship application was turned down. Try again incognito.

**Weird:** Meet your roommates—one real neurotic, a plant freak and a Marilyn Manson groupie.

**First Day of Class:**
You study 3 hrs a day for each class which amounts to 15 hrs for 5 courses. Add 5hrs for the time in class, 2 hrs in the Rat, and you’ve 2 hrs left to eat and sleep.
**MIDTERMS:** Go ahead two spaces if you studied. You must go back two spaces if you crammed during breakfast.

**Athletics Dept:**
Basket! Too bad it was the coach's mouth and not the hoop. No score!

**Philosophy Dept:** In the words of the great philosopher, "If I am, and you are, then what on earth are we doing here?"

**Education Dept:**
You may flunk! Your crayons are broken, your glue dried up and your scissors are rusty.

**Final Exams:** After twenty cups of coffee, and pulling an all nighter, you find you studied for the wrong exam.

**Grades:** Too bad you don't get marked for social achievement, with a ratio of 10:1 it ain't easy!

**GRADUATION:** THE BATTLE IS FINALLY OVER AND YOU'VE WON? YOU DESERVE THE DEGREE (FOR WHAT IT IS WORTH.)

Organizations
This year marked the second year of the BSC "Gridiron Bear Band" who performed at the football games during halftime. Led by Dr. David Garcia, a.k.a. "Doc," this growing band gained the attention of the college community with its powerful music and inventive field maneuvers. After its promising debut season last fall, this year's band proved to be even better. Thanks to the members for their hard work and dedication. Congrats on a great season!

Bridgewater State College 1998

Tomo Shirno

Erin R. Twomey
Bridgewater State College began as Bridgewater Normal School in 1840. It was a new and controversial idea that teaching, "...like law and medicine, was a profession and required some degree of preparation and professional training..." With the help of a few dedicated men (ex-President John Quincy Adams, Horace Mann, and Senator Daniel Webster among them) funds were raised, a public hearing was held, and on September 9th, 1840, Mr. Nicholas Tillinghast, a native of Taunton, was named principal by Horace Mann. Twenty-eight students (seven men and twenty-one women) were also admitted on that very same day.

The first two decades proved to be turbulent for the new school, but under strong leadership, the Normal School emerged and "a definite professional standard was, for the first time in American teacher education, set up." Once through this "experimental stage," the Normal School was accepted generally as an important part of American education.

Succeeding Mr. Tillinghast in 1853 was Marshall Conant, also from the Bridgewater area. Serving as principal until 1860, Mr. Conant was instrumental in creating positive changes at the school. Out of his term graduated many leaders in education, as well as ministers, physicians, and lawyers.
1912, the student body took over the production of the yearbook. Money to finance the project was raised through play performances and candy sales. Course offerings were expanded that year. For the first time Spanish was offered instead of Latin. American Literature was added as well as a greenhouse and related courses.

The 1912 yearbook included an essay written by William D. Jackson, a member of the faculty. Fifty years had passed and memories of the Civil War still lingered. Bridgewater and surrounding towns were not left untouched by the bloody war:

Memories of the Civil War

"I was in the cemetery (Lakeville); there was a great company there who met for the funeral of a soldier. I know now that the time was during the week following the fall of Richmond and preceding the death of Lincoln.

A part of the war was also in our backyard at Lake Assawompsett in Lakeville. Here recruits were drilled and organized. There were long rows of white tents, lines of blue uniformed, drilling soldiers, and the exquisite odor of baked beans."
Apparently not affected by the Great Depression in any significant way, Bridgewater State Normal School carried on throughout the 30s with stability and little change. The president at this time was Zenos E. Scott. Students were involved in numerous clubs and organizations. Examples of these are as follows: garden club, hobby club, library club, glee club, and many others. One of the more popular clubs was the topics of the day club. As the name suggests, they discussed and addressed current issues and were essentially an organization of "ists:" pacifists, socialists, anarchists, economists, and sociologists to name a few. Some of the main issues of the day were, of course, the growing totalitarian governments in Europe and Asia, as well as less worldly issues like swinging and how to peel the "big apple".

Another large and popular organization was the Girl Scouts of America. In the words of one scout, "...Scouting combines practical training with adventure, work with fun, and weaves into every endeavor high ideals and aspirations." Some of the Scouts' activities included camping, working with the brownie pack, philanthropy, and leadership training to aid in starting and planning "troops of our own."
The 1960s were a period of extensive growth. Pope Hall, a new women's dormitory, opened in 1960. It was named in honor of Miss Elizabeth Pope, dean of women from 1919 to 1955. Scott Hall, built in 1961, was the first all-male dormitory ever built at Bridgewater. It was named in honor of Dr. Zenas Scott, fifth president of the college. In 1964 was the opening of the science building, named in honor of Marshall Conant, distinguished scientist, who served as the second principal of the school. In 1967, on Great Hill, two new residences were built to house 600 students — 300 men and 300 women. They were named in honor of Dr. Ellen Shea, dean of women from 1955 to 1975, and George M. Durgin, a veteran math teacher at the school.

The 1970s were exciting at Bridgewater State College. The years were a time of wonder; wonder of what life was really about and what the future held. As James Scroggs said, "Questions, questions, always flooding in on me. But I wouldn't have it any other way. What a bore life would be if no questions occurred or if no problems presented themselves. That wouldn't even be living." (1971)
Oing into the 1990s, students across the state face an uncertain future. The state is in a fiscal crisis and the colleges and students are struggling to absorb drastic cuts in budget and hikes in tuition. Yet these factors will not dampen the school spirit, but strengthen it, as the past 150 years have shown.
A Few Last Words of Encouragement

The time has come to enter into a new world filled with different experiences and expectations. Your years here at Bridgewater State College have prepared you well for this new world and you will flourish in it.

Although the road ahead may be filled with unexpected difficulties and obstacles, all of you will rise to meet the challenge and fulfill your potential.

As the years go by and you all make your mark on the world, remember to look back at your years here at BSC and recall all that you have experienced and learned.

Whatever trials and tribulations may lie ahead, whatever obstacles you may face, whatever the future may hold, your experiences at BSC will always give you the strength you need to make it through and to succeed.

Best Wishes to all the Graduates,

Gamma Phi Beta

Gamma Phi Beta was founded in 1874 at Syracuse University in New York. We promote high academic standards, social interaction and involvement on campus as well as in the community. Today, there are 150 chapters across the U.S. and Canada. Also, a notable fact is that Gamma Phi Beta was the first organization to coin the word “sorority.”

Our open motto is “founded upon a rock” which symbolizes the stability and durability of our sisterhood. Our symbol is the crescent moon and our flower is the pink carnation, both of which you can easily find in any Gamma Phi’s room or home. Our international color are brown and mode (light brown) and our local colors are blue and pink. Gamma Phi Beta headquarters are located in Englewood, Colorado, where Gamma Phi Beta information is found.

Locally, Gamma Phi Beta was formed here at Bridgewater State College in 1987. In the fall we hold Mr. Greek, where the proceeds go to benefit the CPDC. In the spring all donations from the Rock-A-Thon go to our international sorority, Camp Seshelt, a camp for special girls. Whatever the event, Gamma Phi Betas come together as a sisterhood and have a great time.
Our team, made up of sisters and brothers of Kappa Delta Phi place 3rd in Sigma Tau Gamma’s 9th Annual Winterfest Softball Tournament. Sisters get together at GPB’s 10th annual Snow Ball.

Senior Jenn Putnam was a regular volunteer at our new philanthropy, Handikids.

Kappa Delta Phi National Fraternity was founded at the old Bridgewater Normal School, which is now known as Bridgewater State College, on April 14, 1900. This Fraternity was the first recognized fraternity in the history of the college. There has been generation after generation of young, proud Kappa Delta Phi members, who have come and left Bridgewater State College. In fact, many brothers of Kappa Delta Phi have left their mark as part of the Bridgewater State College faculty. Boyden Hall, the main administration building, as well as the Conant Science Building, Tillinghast Hall, Flynn Dining Commons, and Dinardo Hall are named after highly respected members of the college staff and administration, all of whom were brothers of Kappa Delta Phi National Fraternity. Furthermore, there is a plaque permanently displayed in the science building in memory of a Kappa brother, Martin T. Rizzo, who excelled on the football field here at Bridgewater.

Originally, Kappa Delta Phi was a professional fraternity comprised of men involved in education and business, but has since grown into a social fraternity. Kappa Delta Phi encourages its members to achieve their potential scholastically and socially so that they will be capable and respected leaders in their profession, whatever it may be. Also, there are numerous professors here at BSC who are brothers of Kappa Delta Phi. This helps greatly in terms of assistance, advice, and inspiration for academic excellence, which we strive strongly for.

Kappa Delta Phi grew out from Bridgewater and into twenty-four of the surrounding schools in the New England area. In fact, Kappa Delta Phi has more chapters in the New England area than any other Bridgewater State College fraternity. Also, Kappa established two chapters outside of New England, one in New York and another in Pennsylvania.
Presently, Kappa Delta Phi is still interested in establishing more chapters in New England, as well as in the surrounding states.

Alpha Chapter of Kappa Delta Phi, here at BSC, volunteers to help the community of Bridgewater, as well as other organizations or establishments which need a helping hand, through their philanthropic events. These events usually take place at least once a month throughout the academic school year. They comprise of a baseball clinic for handicapped children, helping out at Old Folks Homes, collecting food to give to shelters for Thanksgiving, and the winter holidays, clothes drives, as well as donating our time to any other good cause.

The current active brother membership of Kappa Delta Phi at Bridgewater is 30, all of whom are very active in college life and organizations including Student Government, Program Committee, athletics, the Outing Club, the IFC, as well as being leaders in their own organization.
Phi Pi Delta is a co-ed fraternity, and it is the oldest recognized social fraternity on campus. Founded in 1962, Phi Pi Delta just celebrated its 35th anniversary last year.

Although small, Phi Pi Delta is growing in numbers, Spirit, and Pride. For the spring '97 and fall '97 semesters, Phi Pi Delta had the highest GPA of all Greeks on campus.

Community relations are a major part of this fraternity, and the Deltas put their all into their annual Holiday raffle. The proceeds are used to buy Christmas gifts for underprivilaged children and their families at the Jay McGillis/Christina Mihas Center in Brockton.

Camping trips and frequent outings are just a couple of the ways that the brothers and sisters stay so close and tight-knit. Phi Pi Delta is not just a fraternity-We Are Family!
Established at Bridgewater State College in 1989, Phi Sigma Sigma believes in the fostering of ideal womanhood through its goals of sisterhood, scholarship and service. In keeping with the tradition of the national organization, at BSC we believe in high scholastic achievement as well as philanthropic work. Being a member of Phi Sigma Sigma carries with it a certain degree of pride and achievement. In addition to our national philanthropy, The National Kidney Foundation, we also partake in several local philanthropies. Our members volunteer at nursing homes, participate annually in Toys For Tots, and on campus we volunteer at the Children’s Physical Development Clinic, and co-sponsor Alcohol Awareness Week with McADOC.

However, being a member of Phi Sig isn’t just service. Through sisterhood events such as sleepovers, ice skating, and ice cream socials, we are able to form a bond of close friendship which will long exceed our college experience. Phi Sig’s are also very active on campus. We are involved in activities such as Orientation, Program Committee, McADOC, Peer Advising, AAHPERD, Student Government, Amnesty International, and AMA. Therefore, our members are as diverse as the organizations they belong to. To sum it up, Phi Sigs at Bridgewater uphold true to our motto “Aim High,” and we strive for the best in all we do.
“AIM HIGH”
The Sigma Chi International Fraternity was founded in 1855. With more than 200,000 members, over 230 chapters have been established on college and university campuses across the United States and Canada. The Theta Zeta Chapter at Bridgewater State College received its National Chapter in 1983. Since that time it has won significant chapter awards from the headquarters for its accomplishments, and it continues to flourish at Bridgewater State College.

Friendship, academic excellence, positive social standing, and community fellowship are among the many characteristics Sigma Chi seeks to develop within its membership. The fraternity challenges each member to reach his fullest potential as an individual, as well as a group member. Sigma Chi also serves as a stepping stone for success and involvement within the college community.
Sigma Chi’s most prominent contribution to the college and the Bridgewater community is the annual Derby Days event. Over 300 participants compete in a week of events to raise money for the Children’s Physical Developmental Clinic housed at Bridgewater State College.

Famous national alumni include Woody Harrelson, Brad Pitt, David Letterman and John Wayne.
Sigma Pi Fraternity was established nationally in 1897 at Wincennes University in Indiana and has been on the BSC campus since 1987. This past year the fraternity celebrated its 100th birthday nationally and its 10th locally on February 26th. On campus, Sigma Pi actively contributes to campus life and in the community the fraternity does annual philoanthropic events. During the fall, a fundraiser for Multiple Sclerosis is organized and in the spring the Sleepout for the Homeless with Phi Sigma Sigma contributes close to $1000 annually to the Brockton Coalition for the Homeless. Halloween is also an important time of year. This past year, Sigma Pi held the Tenth Annual Fright Night Costume Party at the Wooden Nickel. Close to 400 students attended, which was the biggest turnout ever. The fraternity and its Brothers would like to congratulate John Camera and Rick Demelo on their graduation this year and good luck in the future. Good job, guys.
The Sigma Tau Gamma National Fraternity was founded in 1920 at Central Missouri State College in Warrensburg, Missouri. “Sigma Tau Gamma was born of the desires and aspirations of seventeen men in the belief that all men are social creatures and that friendships of college men are lasting ones” (A chain of Honor, 7). With over 120 chapters and 4,800 active members, Sigma Tau Gamma; which is one of the countries fastest growing fraternities; is expanding at a steady and prodigious rate.

Established in December, 1989, the Bridgewater State College chapter of Sigma Tau Gamma has dedicated itself to the highest ideals of manhood, brotherhood, and citizenship, inspiring hundreds of men at the college to follow in their footsteps. The brotherhood has sponsored and organized the annual Winterfest Softball Tournament at the College which has raised hundreds of dollars for a variety of worthy charitable organizations including the MAKE-A-WISH Foundation and Cystic Fibrosis.

By setting realistic goals and holding high ideals, the individual who decided to participate in the brotherhood of Sigma Tau Gamma will undoubtedly better themselves as a gentleman, as a citizen, as a student, as a husband, and as a father. The lessons learned in the fraternity will last a lifetime, as will the friendships gained.

“Sig-Tau For Life”
Tau Alpha Kappa, founded in 1987, is a co-educational fraternity. With the knowledge that friendships made by men and women in college last a lifetime, this fraternity is based on a core of brotherhood and sisterhood.

Tau Alpha Kappa understands the importance of excelling in academics, and is a past recipient of the award for the highest grade point average for a co-ed fraternity.

Tau Alpha Kappa is involved in many public service projects which include volunteering for the Muscular Dystrophy Association, decorating the Burnell School, organizing canned food drives for the homeless, and performing various activities for Women’s Place.

Each member of Tau Alpha Kappa contributes to the college in many ways, such as serving as registration assistants, participating in athletics, and being involved with other clubs and activities on campus.

Tau Alpha Kappa is a family sharing, playing, studying, and working toward the common goal of fraternal and school pride.
Theta Chi Fraternity at Bridgewater started as an interest group in 1988 and eventually attained colony status in January of 1989. The colony worked hard and recruited 45 quality gentlemen, the minimum in order to be awarded chapter status. On October 31, 1992, these 45 members were initiated as the 200th chapter of Theta Chi fraternity.

We have kept up the strong tradition of attracting the most elite of gentlemen on campus. These gentlemen all have one common goal in the Fraternity: philoanthropy. Theta Chi is known to be the “helping Hand” Fraternity. Some of our past events include: the Annual Couch-A-Thon for the American Cancer Society, Amnesty International Letter Writing Campaigns, Adopt-A-Highway Program, and the Annual Hanover Dinner for the elderly.

Theta Chi’s purpose doesn’t stop at philoanthropy. We are proud to be a very diverse group with backgrounds in political science, psychology, sports therapy, athletics, management science, and theatre production. With all this experience, it’s no wonder we excel in scholarship. If anyone has a problem in a certain area, he is bound to find help within the brotherhood.

Keeping these attributes in mind, our motto comes as no surprise:

“Theta Chi Fraternity,
A Proud Past,
And A Future Force.”
Theta Phi Alpha

Theta Phi Alpha national sorority was founded on August 30, 1912 at the University of Michigan at Ann Arbor. It was founded under the guidance of Bishop Edward P. Kelly, Auxiliary Bishop of Detroit. In September of that same year at the University of Michigan, the ten founding members took on their first pledge class. Theta Phi Alpha’s colors are blue, gold and silver. Its jewels are pearl and sapphire and the flower is the white rose. Theta Phi’s mascot is the penguin. In September of 1990, Theta Phi Alpha came to Bridgewater State College and merged with the local sorority, Delta Psi Rho, to establish its own chapter, Beta Mu. Our National Philanthropy supports the Glenmary Lay Missioners and our motto is: “Nothing great is ever achieved without much enduring.”

The remaining sisters of the Beta Mu chapter congratulate and wish the best luck to the graduating sisters: Jenn Bellavance, Marni Couture, Alison Drumm, Kelley Moore, Adrienne Prosser, Lori Rose and Jen Szrom.

Best of luck to the graduating class of 1998! From the Sisters of Theta Phi Alpha!

Seniors enjoyed one last party during Springfest in April.
Students take advantage of the break before finals start to celebrate "Apartment Fest," an event which went on until after 3am.

Thanksgiving Dinner will never be the same after students held their own dinner with all the trimmings at the Student Apartments.

What are your plans for Springfest?
I am going to relax and have a good time with my friends, since it will be the last time to see them.

Joi Allen

What are your plans for Spring Break?
I'll spend time with my parents and head to Myrtle Beach for golfing and a little relaxation.

Ian Brock

What was your favorite event held during Springfest?
Hanging out with Katie Marino and Kelly Graves. The rest I don't remember.

Melissa Sheridan

What is your impression of the Winter Olympics?
There is not much advertising, so we need more naked chicks and dudes.

Kara Tupper
The time has come to step forward away from the comfort and familiar of college life. To step forth into the "real world" with anticipation and dread. Life as you know it will change. No longer will life be one "big party" Interrupted by all nighters and exams. Professors lecturing on material you may or may not find relevant. Now you will fight tooth and nail to get ahead in a world famous for "Stabbing you in the back." But persevere, these words are not intended to scare, but inspire you to succeed. To stand at the top and marvel at how you got there. Knowing how your knowledge and skills have served you well. And time in school was well spent. -Elisa M. Martin
BSC students take a moment to ponder some of the more difficult aspects of college life.

Seniors Katie Cook, April Shepard and Glenna Riley all stop for a minute to smile for the camera before dancing in Dance Kaleidoscope '98.

Congratulations are in order for all the seniors who graduated during this past year. Best wishes for the future!

The Dance Company held a banquet to celebrate the success of Winterdance. In attendance were dancers Hillary Cartin, Katie Cook, April Shepard, Melissa McCarthy, Christa Mattera and Katie Aerias.

"What lies behind us and what lies before us are tiny matters compared to what lies within us." Oliver Wendell Holmes

"All our yesterdays are summerized in our now, all our tomorrows are ours to shape." Hal L. Borland

"Space. The final frontier. These are the voyages of the starship Enterprise, whose continuing mission is to explore strange new worlds, to seek out new life and new civilizations, to boldly go where no one has gone before." Gene Rodenbury
Best Of Luck
To the Members of the Class of '98

For the past four years, you have gone to classes, competed in athletic events, participated in different events and activities, and created memories which will last for a lifetime. Never forget your years here at Bridgewater State College. No matter which direction you chose to go in throughout your life, BSC will always have a special place in your memory. I wish each and every member of the Class of 1998 the best of luck with their futures. Your continued success will make the college proud. Congratulations!

I would like to take this opportunity to thank all the people who have helped us to created this yearbook. First, I would like to thank Norval Garnett, our Jostens publishing rep who constantly pushed us to make the yearbook the best one yet. Thanks to Caren Korin at Davor Photography for all your help and terrific ideas. A special thanks to the Student Activites Office for all of their time, energy and patience. I want to thank all of the parents and businesses who placed ads in our yearbook. We appreciate your support. A special thanks to Katie Cook for donating dozens of pictures to the yearbook. Another special thanks to Amy K., a non staff student who volunteered countless hours of her time to help the staff create the yearbook. I couldn’t have done it all without your help. Thanks to the Comment for letting us borrow their photos. I would like to thank my staff for their endless hours of hard work and dedication. Theresa, Helen, Laurel, Becky, Nicole, Joyelle, Alicia, and Maria, congrats on a great job!
