Charming Faye Postle Made Queen of the Dixie Belles

Caught Uncrowned

Faye Postle—Dixie Belle who reveals heart interest in interview.

Selected twice as most beautiful girl on campus—once as Snow Queen of 1939 and now as Queen of Dixie Belles—Faye Postle's popularity was again affirmed last Friday evening at her Campus Carnival coronation.

Hailing originally from Santa Anna, California, she does more than just look beautiful it was revealed in an interview. Although she is in Glee Club, mixed dance orchestra, and plays both piano and trombone, her greatest interest is in art. In the senior class she fills the post of secretary and is also head of the committee in charge of prom favors.

Talks Plans For Future

Faye plans to teach for several years along with taking art courses. Then she would like to devote herself exclusively to some profitable type of art work.

Replying to a query, Faye insists that her little puppy, Freckles, who takes up all her heart interest at present is her little puppy, Freckles, who takes up all her space time.

Mrs. Pigeon Reelected To Second Term

Boyden House, recent addition to the campus, will be used as the college library, voted the alumni in their business meeting last Saturday, Alumni Day. While plans are still indefinite, it is expected that funds to acquire the landmark to accommodate approximately 20,000 books are to be raised in the near future of work.

Books, once owned by the Boydens, and now in Boyden House, have been given by Alumni Association to the college library. Some fine old volumes, many of which will be used for research purposes, are contained in the collection, according to Librarian Julia C. Carter.

To Serve Again

Mrs. Elizabeth West Pigeon, 98, was reelected to the presidency to serve her second two-year term. In an address, Mrs. Pigeon made reference to an essay she wrote in high school entitled "Education Ends with Life." This idea has been consciously carried by the alumni president who has been prominent in education and in the association throughout her post-college days.

Points To Job Preparation

The guest speaker was Dean Henry W. Halmen of the School of Education of Harvard. In his talk Dr. Holmes stressed the fact that education should fit the individual to meet present day needs; it should prepare the youth of today for the tasks ahead.

Dr. Holmes quoted from Dean Spaulding's "High School in Life" which states that the philosophy of life is the importance of work.

Mr. Charles A. Jenny, Brockton, is the chairman of the board of trustees for Boyden House. The alumni voted to buy the home of the Boydens, father and son, at their meeting last May. The association secured title to the property in their own name a few months ago.

SPORTS TRIBUTE OF 1941

BY DAPPER

Each year it is this column's pleasure to pay deserved tribute to athletes about to leave the glory paths of alma mater. This year the teams have been inspired and led by several athletes who will be hard to replace. Honors due gar as the crew's satellite. Edgar was mater. This year the teams have been Arnold Oliver, and Bill Edgar. We saw superior foes and saw them combine effort to our state teachers college champion. Permit us, however, to summarize the activities.

Soccer: Booters who will be remembered as outstanding as Tom Sparks, Jim Savage, Bob Van Annan, Carey Brush, Arnold Oliver, and Bill Edgar. We saw these lads struggle valiantly against superior foes and saw them combine efforts to amazingly defeat opponents more supposedly talented squads. While no one player should be given precedence over teammates, we class Bill Edgar as the crew's satellite. Edgar was the building type, never allowing fatigue or pressure to halt his efforts. Ranking very close behind him was Doc Savage who consistently turned in creditable performances and was the spearhead of every attack.

Basketball: Red and White basketeers far exceeded hopes and wishes of even most rabid rooters this past season. Credit for our state teachers college championship team was in great part due to the leadership and scoring of the seniors involved. A mediocre team became a whirlwind of efficiency when spirited seniors became inspired with that old college try. Individual honors and leadership was earned by Pete Meier and thus became a good tennis racket wielder. That's what Bob claims.

Boding Bob Van Annan profited from historic encounters with Coach Sparkes who was by far the best shortstop the ninemost could put out there. His fielding was always superb. Tom showed his power with the big stick when he belted the A. I. C. pitching for two solid hits.

The Fellows We Shall Remember:刷 Bill Broderick, Art Applebaum, Arnie Oliver, Henry Barber, Bill Edgar.

SIGNPOSTS from W. A. A.

“We reap that which we have sown”. The annual W. A. A. banquet held on Wednesday, May 21 served as a laudatory sanctum for those who have participated in the replete sports program for the past year. Let us overestimate our achievements, a day of reckoning is essential.

The banquet, guided smoothly along by the president of W. A. A., Mary Bogard; opened with songs and presented with a greeting by President Kelly. The guest speaker, Mrs. Raymond Hollis, gave a realistic talk on “Bicycling through Germany” — one filled with local color. It was received with great enthusiasm.

Then the following new officers were installed by Miss Caldwell and Miss Decker: president, Kay McGloin; 1st vice-president, Margaret Burrow; 2nd vice-president, Lois Pearson; corresponding secretary, Lea Hearn; financial secretary, Lillian Russell; recording secretary, Eileen Nolan; treasurer, Natalie Taylor; assistant treasurer, Mary Campbell.

Memorial Organ Recital To Be An Event

Dr. Francis W. Snow, organist and choirmaster of Trinity Church, Boston, presented on May 25 the first annual organ recital in memory of Miss Clara C. Prince, a graduate of the then Bridgewater Normal School. He was assisted by Roland Coates, Jr., soprano soloist at Trinity Church.

Last year Miss Bonnie N. Page of Boston, a Bridgewater graduate and executrix of Miss Prince’s will, presented this college an Aeolian-Skinner pipe organ as a centennial gift in the name of Miss Prince. It was decided that a memorial recital will be given every year in May on a Sunday near the birthday of Miss Prince.

Southern Hospitality: The clams mixed at the Dixie Jamboree . . . The picknickers hacked their mammies, who tended their bellies, who waited upon their queens, who was crowned by the colonel, who was advised by the congoorgang, who all had a snappy good time on the manor house on the hill, Magnolia to the chairmaanies; Ray Tieran, Ruth Carliet, Phyllis Nolan, and Kay McGloin.
