Homecoming - 1966
Brings New Traditions

The traditional "new" year is here for this year's Bridgewater Homecoming. The week will be overflowing with all of the activities connected with Homecoming, 1966.

Breaking with past patterns, the rally to be held Friday evening previous to the game will take place on the quadrangle, to make use of the amplifying system and lighting available there. After the bonfire on Lower Campus and tug-of-war between which is always prominent during the halftime show, the Homecoming Queen will be announced. Saturday morning and early afternoon will feature the competitions of athletes and the parade of the floats.

HOMECOMING SCHEDULE
Oct. 7-13
Elections for Homecoming Queen in the Rotunda, Friday, Oct. 14

Silence Reigns
At the October 11 Assembly, the stage of the Home Music Association will no longer be a stage. It will become a world, the world of Tony Montanaro. He will be a world of scenery that takes no space, of props that have no substance.

Tony Montanaro is a mime. Considered by some to be second only to his master, Marcel Marceau, he can make audiences feel and see.

Mr. Montanaro has performed frequently at dressings and on television, most notably on the Workshop Repertory Company presentation of "Sounds Familiar."

Players Flock North

The actress most common among our freshmen is Sullivan. We have six---Gael, Jean, Jeanne, Margaret, Paula and James. Next are the Lynches and Murphys---five of each.

We also have two sets of twins, one at Pinchin and Sullivan. We have two---Ogil, Joan, Jennifer, Margaret, Paula and James. Next are the Lynches and Murphys---five of each.

Dear Editor,

The Assembly Committee extends a blanket invitation to all faculty members and students at BSC to nominate faculty for vacant campus assembly positions. The committee, in its second year this fall, has already been quite busy, but the committee would like to extend another invitation to the 1965-66 year.

It is important that the specific interest that would be able to see over-

certified in an assembly program, or if any person has a specific speaker or group in mind, he is urged to submit a letter to the Committee.

AVOID FUTURE EMBARRASSMENT

Attention future teachers (and other students, too) Do you avoid the embarrassment situation that occurs when the teacher puts the filmstrip to spool and asks you what happens next? Do you want to avoid bursting your students' eardrums when you turn on the tape-recorder? Would you like to have something for Bridgewater? If you do, the Audio/Visual Club wants you!

Midi-skirts are definitely "in" for the fall/ winter season. Just about every retail store is carrying them, even though they might be worn to the limits of the Glamour-mass name for them. They are actually "out" this season, but "in" next. The midi-skirt is at the maximum length that haberdashers can do, as opposed to the mini-skirt which is at the minimum length. There are still a few groups like the Kooky ones favoring the Figure-Freaks Club, or the Conservation’s Society who are against skirts below the knee, but there are in the minority.

May not be many lavender suits on our silver metallic body bronzes up on campus this year, but at least some girls are going some lengths to reach higher fashions.

EXCHANGE

Water Valley, Ms. 25 members of the entering freshman class at Colby College will take part in a completely new four-year program of independent study. To be known as "Program II," the plan is a dynamic experiment in Colby’s "Junior Year Program," which requires all students to adopt the major of January in an independent academic work.

The selected Program II students will be given as much time as required to pursue study areas of their choice. Each year begins with a common core, but the student is free to choose his own class requirements, subject to the course load set by the college. BEARS WRECK SPRINGFIELD 33-8 FOR OPENING WIN by Karl Crowell

Bridgewater broke out big in its first game of their seventh football season. For the non-believers the score was Bears 33 and Springfield 8.

The pace had everything. And practically everything went to Bridgewater. There was a quarter of good defensive play (the third), two interceptions, a fumble, a safety, and a field goal.

The scoring went like this - Pete Rowe scored in the first period from the four and Tom Humphrey kicked the extra point. Jeff Fanning later picked up a fumble which Ralph Robinson turned into another score. Humphrey kicked for the extra point again. Both of those scores were set up by Doug Bromley passes to Dick Coppello.

Paul Stella set up a TD in the second period with the first of two interceptions. Snatching Bill Clifford, Ralph Robinson, and Paul Rowe reached in Rowe's second score of the day. Humphrey kicked the PAT to make the score 21 to 0. Stella came back with another interception to set up a Tom Humphrey field goal giving the Bears a 24 to 0 halftime lead.

The third period was a defensive battle. No points scored. SSC defensive end Larry Mihler opened the fourth quarter scoring by tackling the Springfield Quarterback in the end zone for a safety.

Two Humphreys ended the BSC scoring with a TD - 76 yard run from scrimmage and the extra point.

Springfield score either way points in the fourth quarter on a 50 yard pass play and a two point conversion. It obviously was a good day for Bridgewater and the Bear performance could be a sign of good things to come.
