Is There Value In Quizzing?

Dear Young Man,

Thank you kindly for leaving my pocketbook and wallet containing my identification cards, personal family pictures, and keys to my apartment. I am grateful that you did not destroy my pictures after you had removed a large sum of money from the wallet, although I cannot say the same for the other contents. I doubt if my keys would be of interest to you. If you are looking for a job, I would suggest that you try something more suitable for your education and ability.

As a teacher for his son, a soldier who risks his life daily for his country and has given everything to the nation and the service of his country, I feel a deep personal interest in the education of our young men and women. I believe that education should be a means of preparing young people for responsible citizenship and a productive life.

Unfortunately, I have observed a disturbing trend in our college system. I believe that education is not only the responsibility of the college, but also of the student. The student has a responsibility to make the most of the opportunities offered by the college and to develop a sense of responsibility for their own education.

In conclusion, I hope that you will consider the value of education and the importance of responsible citizenship. I believe that our college system can provide a valuable service to our society, but only if we all work together to ensure its success.

Yours very truly;

Open Letter To A Considerate Thief

Dear Young Man,

My faith in this generation of teenagers has been destroyed in the last few months by the theft of my wallet and my husband's wallet. I am not a rich woman, but I have worked hard to earn the money I have. I am, therefore, very upset by the theft of my wallet and my husband's wallet.

I have included this letter as an open letter to the thief who took my wallet. I hope that the thief will consider the consequences of their actions and think about the impact of their actions on others.

Yours sincerely;

Williamstown, Mass., (L.P.) - A new course in political science at Williams College, "Behind the Scenes in Social Transformation," has been approved by the faculty, as is an Honor seminar dealing with revolutionary theory and contemporary analysis of "the great social transformation of our time." Students selected the materials for this seminar and have the major role in conducting discussions.

The course has a faculty instructor, Assistant Professor Jerome Tripp, who has been an active participant in the political arena. The course will be open to students who have completed the prerequisite of a course in political science and have the ability to read and analyze political materials.

The role of the instructor will be one of facilitator and guide, with the students taking the lead in the discussion. The course will cover a range of topics, including the role of the government in social transformation, the impact of social movements, and the role of the media in shaping public opinion.

The course will be offered in the fall semester at Williams College. Students interested in participating should contact the Political Science Department for more information.

"The Students Initiate New Courses" from San Diego State, Calif., but that the new courses were not approved for regular credit. We were also disappointed with the new political science courses, as we felt the need to support and develop our curriculum.

"Particularly in underdeveloped areas, we can find that the study of politics is important for what happens to this country," the dean of the political science department said. "We are encouraged by the department's progress and are excited about the new political science courses." I was surprised at how quickly the students were able to understand the material and apply it to their own lives.

The idea of a student-created course was stimulated by interest in the new curriculum at Williams College, which will begin fall. The year will be divided into four, four-course semesters in the fall and spring, with an intensive one-course seminar in the spring.

"This semester, we have emphasized student initiative on our campus," the dean said. "We are interested in exploring new areas of study and encouraging student participation."
President: Robert Smith, SCA vice-president, is the one who will assist the president, and take over when the president is out of office. As vice-president, junior elementary major, a Kappa Delta Pi Brother, and a commuter from Norton, Bob knows enough about the school and the SCA to know where he can work best and help most.

As president, his largest single job is in the arrangements of the 1967-68 school calendar. This consists of programming and sitting together the schedules of all the different clubs and organizations, for functions, meetings, etc.

At the end of the semester, he is in charge of the SCA and the SCA edit of the SCA newsletter, and general expansion of services is among the things that are being considered. Under his guidance, the SCA just might have the experience to know what the SCA needs, what the SCA can do.

His home town is North Dartmouth, and he lives in the men's dorm, and he doesn't go to class much. He thinks of the SCA as effective, and he wants more individuals to be more responsible.

As vice-president, he is in favor of the SCA money not being used to pay for a student's drug habit, and he does think that the SCA should be more responsible and pay its own bills.

His home town is North Dartmouth, and he lives in the men's dorm, and he doesn't go to class much. He thinks of the SCA as effective, and he wants more individuals to be more responsible.

SPORTS BRIEFS — INTRAMURALS

by KarlCrowell

INTRAMURALS

Coach Peter Mazzarella has organized an enthusiastic and highly successful Intramural program this year. Basketball, volleyball, softball and track have been included to make this Intramural program the most extensive ever.

BASKETBALL

The basketball program was run on a round robin basis with the four top teams playing off for the championship. The winners were: Women’s Team — Tufts; Men’s Team — Bridgewater.

TRACK

Coach Mazzarella reports that a track meet is planned in the near future with events in the fifty yard dash, 150 yard dash, 220 yard dash, shot put, broad jump, high jump, pole- vault, and discus.

SOFTBALL

A soft ball league of nine teams has been formed and is operating on a round robin basis. The league is made up of dormitory and independent teams.

FATHER AND SON BANQUET

Coach Edward Swanson has released the following names of the men who will be recipients of varsity sweaters on Father and Son Day, May 15, 1967, at the Father and Son Banquet. The men are: Al Peterson, Mark Michaluk, Doug Bisbee, Douglas Broudy, Richard P. Capelo, Andy Ferris, Ferris Wilson, Larry Kullaber, Scott Wolfe, Kenneth Krivitz, Joe Kuczynski, Dave Marshall, and Larry Mach. The following men will also receive their senior certificates: Bronislaw Baranowski, Douglas P. Broudy Joe Guarnere, Kenneth F. Delitto, Frank Delia, Robert Diod, Geoffrey M. Fanning, Larry L. Thompson.

CAMPUS COMMENT

extends its congratulations to Sandra Eller, sophomore math major, who was chosen Miss Fall River at the pageant there April 25.

The Agathypne have recently acquired new edition of SYNCHRO SOOP, the national news letter for the Association of Synchro Swimming for College Women.

Applications are now available to the Gymnastics for the American Red Cross 1967 National Aquatic and Small Crafts Schools.

Birth Control: A Hidden Problem

Continued from Page 1, Col. 4.

matter which you view desire to, birth control is a definite problem and will grow as a population of the world grows.

The people of all societies and classes should have an understanding of the nature and workings of birth control. This will not cause any great moral downfall, for it is important that parents who use these methods for purely sexual reasons are morally wrong and not the method itself. The end result of these parents will still rest with the individual and the entire world but hopefully it will be an educated choice and no longer the choice of birth which is a result of ignorance, or lack of knowledge. The question must be dealt with, eventually and sooner the better for all concerned.

It cannot be hidden by adopting laws for they only breed confusion and misunderstanding. I fear most people are capable of deciding for themselves if given the opportunity.

Bears Win Second Straight

by Karl Crowell

A live five inning and a three run pitching job by Joe Petkunas powered Bridgewater to a 7-3 home win over Rhode Island College.

After a shaky start in the first inning, when UIC got two runs, Petkunas settled down allowing only one run over the next seven innings, and striking out seven.

BRC tied the game in the second with two runs on a triple by Brice Baranowski, a walk to Pitts Palladino, and a single by Ross Dziergowski.

In the fifth Bridgewater put the game out of reach. Baranowski walked, Petkunas helped his own cause with a single and Palladino filled the bases with a walk. The BRC pitcher wild-pitched in one run, and a throwing error resulted in two more runs. The Bear's ended their scoring with two more runs in the eighth.

BRC returns home for a double header against New Haven on Saturday afternoon, May 6.

Bryant Tennis Team Wins

by Karl Crowell

The Bryant College tennis team defeated the Bears, 9-0, here April 25. The Bryant sensation trumped 7-2, 6-3 over the Bears' defeated DeMello-Furtado, 6-4, 6-3; Kelleher-lysette defeated Farley (Bry) defeated Quadriu, 6-4, 6-2; BSC's Halまずing-Hasing (Bry) defeated Farley (Bry) defeated Quadriu, 6-4, 6-2; BSC's

Baseball Quiz

The Bears' after a postponement and lose to BSC, traveled to Providence for a double header. In the first game Pete Melkowitz handled BSC well except for the right field Ferrera who bunted out doubles to first and third, scoring four of the six BSC runs. Two singles and a doubles choice produced Bridgewater's sole run. The brightest pitching spot in the first game was Don Ward who worked the last three innings in relief, allowing only one run, but Darien State, freshmen right fielder from Bridge City, collected all of BSC's six in four trips to the plate.

Second Game

"Hark" Comler, a Bridgewater-Bayham graduate, was BSC's starting pitcher for the second game. The Bears pushed a run across in the first and in the second, a two-out single by Petkunas, a walk to Taylor, and an Allen Fatigue double gave Comler a 3-1 lead to work on. Fitchburg scored the game with single runs in the third and fifth, and then unloaded in the seventh with a single, a double and triple producing 2 runs and handing Comler and Bridgewater State a 3-1 defeat.

In the two games BSC mustered 12 hits. Of those, Darien State, DeMello, Pittas, and Stedla had 9. Darien State went to the plate and got 4 hits, while DeMello went 3 for 3, Pittas 3 for 4, and Stedla 2 for 3.

First Game

BRC 0 0 0 1 0 1 6 2
FS 3 0 2 1 0 0 1 7 2

Second Game

BRC 3 1 0 0 0 0 3 6 1
FS 1 0 1 0 0 2 0 7 1

Ward Fills the Void

by Karl Crowell

Oliver Ames graduate, Don Ward looked as though owned Lowell State, and BSC looked as though they were taking batting practice as the Bears devastated Lowell State, on Tuesday, April 25, winning 15-0, Bridgewater State built a 2-0 lead into a 6-4 lead with 3 runs on successive doubles by Darien State, Darien State, and Taylor along with a single by Capello. Five more runs were hung across the plate for the 4th and 5th innings each.

The other side of the story was all Don Ward. Combining a good curve and live fast ball with pin point control enabled him to strike out 8, while going the distance to pick up a 1-0 shutout. So far this season he seems as good as had he been Ward Fills the Void — Baseball.
