A U.S. Geographer

looks at the U.S.S.R.

by Yvonne Terlouw

A large crowd of 200 student and faculty members jammed into the science Lecture Hall to hear Dr. Martha Maewicz of Bridge- water State College speak on “The Russian Landscape as Viewed by an American Geographer.” Dr. Maewicz based her lecture on a lengthy trip she took to the Soviet Union last summer along with 17 other Geographers and one Canadian. Dr. Maewicz developed an interest in the USSR through earlier work in the satellite states of Eastern Europe, now patterning their development upon the Soviet Union.

The lecture was illustrated with color slides taken by Dr. Maewicz on her tour of the huge Soviet nation. In addition, she showed a slide from the official Soviet propaganda magazine “The Soviet Girl” which showed a woman-in an artistically rendered scene—ingrained with the steps of the Russian tango. Dr. Maewicz finished her presentation with a demonstration of the tango for the audience.

TRIO ADDS TO HOMECOMING

by Cheryl Fari

They could have been anti-Administrative reformers. They could have been peace protesters. They could have been prank students. They could have been a hooligan school. But for one night, they were all the Mitchell Trio, and that was enough.

The October 29th concert of the Trio at the New Hampshire State College library was packed by hundreds of James-Brown-weary students who came to enjoy a night of currents closer to home. There was a 7:00 show, with a second show at 9:00.

President Ronaldo's Calls Committee for New Library

President Ronaldo and the Deans of the College met with the Library Committee, the Campus Development Committee, and the Student leaders, on Oct. 30, to discuss the site for the new public library. The decision of preference for the site is still to be made, and the discussion, however, will be subject to the approval of the Board of Trustees. President Ronaldo hopes that the site will be chosen by the Board of Trustees before the end of the term.

Mrs. Mara of MTA to Speak

On Tuesday, November 9, 1967, both students and faculty alike will be privileged to hear Mrs. Mara, president of the Class of 1970, speak on the subject of New York. Mrs. Mara, president of the MTA (Machinery and Allied Trades Association), is a former student of this College and a member of the Board of Trustees. Mrs. Mara will be supported by the State College System to distribute the Youthful Readers Literature, which is available to any member of the State College System.
EDITORIAL RESPONSIBILITY - YOURS AND OURS

In the October 11, 1967 issue of the CAMPUS COMMENT we issued a statement of policy, and the editors of the STATE COLLEGE at Bridgewater commented on the present political climate. The statement was as follows: "The editors and staff of CAMPUS COMMENT would like to make it clear that Sound-Off is an open column, by which any member of the college community may express his opinions. These opinions are NOT necessarily those of the entire staff. The editors, however, reserve the right to reject the contributions of any individual who exceeds the prescribed format. The statement of administrators at Bridgewater State College. We, however, felt that it necessary to reject one student opinion.

**GALLUP POLL: CAMPUSES USE OF DRUGS FAR LESS THAN RUMOR**

Throughout the country, there have been rumblings about the use of drugs on the campuses of our nation's colleges and universities. College officials vary in their opinion on the prevalence of drug use. This is not a new situation; the challenge has been long-standing. The question is, however, whether this is a serious problem or simply a matter of public concern.

One recent Gallup poll, however, indicates that college students are not as heavily involved in drug use as some believe. The results of this poll show that the use of drugs at college campuses is far less than what is often reported.

**June 1971 Gallup poll of College Students**

**Introduction:**

Here are some questions concerning the use of drugs on the campuses of the nation.

1. *Do you think that taking drugs is likely to increase, or do you think that it is a bad habit that will die out?*
2. *Do you think the taking of drugs is likely to increase, or do you think that it is a bad habit that will die out?*
3. *Do you think the taking of drugs is likely to increase, or do you think that it is a bad habit that will die out?*

**Results:**

1. *Do you think that taking drugs is likely to increase, or do you think that it is a bad habit that will die out?*
   - **For:** Yes, 45%
   - **Against:** 55%

2. *Do you think that taking drugs is likely to increase, or do you think that it is a bad habit that will die out?*
   - **For:** 26%
   - **Against:** 74%

3. *Do you think that taking drugs is likely to increase, or do you think that it is a bad habit that will die out?*
   - **For:** 30%
   - **Against:** 70%

**Conclusion:**

The results of this poll show that the use of drugs at college campuses is far less than what is often reported. College students are not as heavily involved in drug use as many believe. The use of drugs at college campuses is far less than what is often reported.

BSC ROLLS OVER QUONSET
by Chris Brady

Saturday, October 29th, Bridgewater mauled its biggest offensive show and completely devastated the Quonset Point Seabees. The Bears opened the scoring game early and Quonset was never even close. In the 1st period 35 yard field goal from Flaherty to Matheson was good for 3 points. The conversion by Tom Humphrey got Flaherty off to a 7 - 0 lead. In the 2nd period, a two yard plunge by freshman Herb Lynch, set up by a Frederico interception, iced the score for the Bears. Humphrey's conversion made it 13 - 0. Early in the 3rd period Clifford's 11 yard sweep and Humphrey's 2:14, gave Flaherty a 21 point lead. Later in the period Matheson was on the end of a 6 yard toss, followed by Humphrey's conversion, and the Bears were up 28 - 0 lead. In the 4th quarter Quonset broke the scoring tie with an 11 yard run, the conversion failed. Ed Theresson came on to replace Paul Stella and promptly fumbled a 22 yard strike to end George Sullivan, finishing the scoring, and Humphrey's kick failed.

CHAMPS ARE UNTOUCHABLES
by Brian Gilligan

The intramural football season came to a conclusion with the final play-off games between The Untouchables and The Dragons in a hard fought battle. The Untouchables went with a well balanced offense as they did all year. The passing game consisted of Al Swepes passing to his end Larry Larrigan and Dick Taylor. They had an excellent running game with Barney Ross and Paul Moore gaining considerable yardage when needed. On defense they had a strong stand with Jack Leonard, Larry Melcher, Kevin Dono, Ed Latta, Dan Morgan, and Phil Tortorella all chipping in for the win.

The Dragons proved to be a formidable opposition. The strong running game found a jump to P. J. Larrigan and Tom Evens kept the game all chipping in for the win. Basketball is next on the schedule with notices and applications passing of Jack D'Angelo to P. J. Larrigan and Tom Evens kept the game twice with Tom Evens accounting for the third.

CHAMPIONSHIP GAME

FIN

1967, The Year Of The Bear

Offense, spearheaded Paul Stella and Ralph Robinson, and defense, spearheaded Tom Humphrey, the game's most valuable player, succeeded in making history October 28th as the Big Red Bear marched to its fourth victory and a 4-0 unbeaten season by any other team in the history of B.S.C. football.

In the whole game the only thing Nichols' was the toss of the coin. They elected to receive. Eleven plays later Nichols had failed on a fourth and two situation and Bridgewater's scoring wheels began to roll. Rolls opened up and down the Nichols defense as Ancians, Tripple, Winning, and Woods went on to work. Eight plays and 77 yards later Paul Stella found his favorite target, sophomore end Bill Matheson in the end zone and connected for 5 points, Humphrey's conversion made it 7 - 0.

Bridgewater State went back on defense, Tom Humphrey, Herb Lynch, and Carmen Quarto were brilliant. Nichols quarterback could never really get set. He was forced to stop extra plays and the Bridgewater defense was too much. In the fourth period Bob Woodman crossed over from the 1, on a fourth down situation, for a T.D. Humphrey converted the score and the Bears were on top again.

In the fourth quarter Nichols got through to score twice, but twice they weren't a threat. Bridgewater State was just too much for Nichols.

As to individual players there was sophomore guard Leon Nevattis playing his usual brilliant game; Herb Lynch and Carmen Quarto an unbeatable pair in the defensive backfield; Paul Stella 9 completions in 15 attempts; Ralph Robinson who gained 134 yards rushing and 68 yards in receptions for an amazing total of 505 total yards gained; and there was the rest of the team playing the game the way we know. Then there was the game's most valuable player - Tom Humphrey.

The Beat Goes On
by Ann O'Connell

You are cordially invited to attend a new and exciting experience in rhythmic recreation sponsored by the Women's Recreation Association for the Massachusetts Association of Physical Education and Recreation and co-author of the recent book "The Beat Goes On" ... and on ... and on ... from 9:00 A.M. to 3:00 P.M.

HOCKEY TEAM FORMED

Bridgewater will have a hockey team this year formed by the male students on a voluntary basis. The activities will be financially supported by the members.

Arrangements have been made to accommodate next week at Weymouth Hockey Rink. After a six week period, the team will be selected. Games have been scheduled with Bay State College and other hockey clubs in the area.

At least two other state colleges, Boston and Salem, have other hockey teams. It is hoped that the hockey club being formed will be elevated to a varsity sport in the future.
