Freshmen Draft Deferrals Eliminated

September 3, 1971. The Selective Service System today clarified expected policy changes in regard to college underclassmen. Due to a temporary increase in college enrollment, the system will no longer defer college students who are selected for the draft. This action is in response to the recent increase in college enrollment.

Dr. Curtis W. Tarr, Selective Service Director, stated: "Few incoming freshmen students are likely to be inducted in the near future because of the increased deferment phaseout. Of the 1,614,000 incoming freshmen males estimated by the Office of Education, approximately 80%, are 16 years old and over, and only 20%, are 18 years of age or older. The 18 year olds will receive their lottery numbers in 1972, and they will not be subject to induction until 1973, when draft calls should be low. The 19 year old freshmen received their lottery numbers August 1 of this year, and their first chance is subject to induction next year; at least 1/2 of those should have high enough lottery numbers to provide their induction. Of those remaining, approximately 50%, will be disqualified on mental, moral or physical grounds. This means that a maximum of 12,000 men will be directly affected in 1972 by the student deferment phaseout and one-half of these, or 6,000, will probably not be inducted because of enlistments in the Reserves or National Guard units. Participating in commissioning programs or because of procedural delays.

Dr. Tarr said that college students will not be drafted in the middle of a semester or term. "If called while enrolled, they will be allowed to postpone their induction until the end of the semester or term. But in the last academic year, they will be allowed to postpone their induction until after graduation."

Dr. Tarr advised incoming freshmen and students who started their program of study in the summer of 1971 or later to the application for student deferments even though the current law authorizes granting deferments to students in full-time programs of study. "If the pending Selective Service action is continuing on page 2..."
New Key Systems by October

Last year the decision was made to install a security system for the women's dorms. This year a similar system will be installed in the men's dorms. The system will be monitored by the University Police Department and will include audible alarms. It is hoped that this system will prevent break-ins and other crimes.

Mr. Perry estimated that within a week or so, when the work force comes to a complete halt, the system will be operational in the men's dorms. He is very interested in the system and feels that it will provide an added measure of security for the students.

The COMMENT interviewed Mr. Perry on Wednesday, September 19th.

Mr. Perry said, "It is our hope that this system will prevent break-ins and other crimes. We have already had several incidents of vandalism and theft in the dorms, and we feel that this system will provide an added measure of security for the students."

Rath Skeller Underway

The COMMENT has learned that Mr. Edward Moses, the President of the Student Union Building (S.U.), has decided to go with the Rathskeller idea. The Rathskeller is expected to be ready in time for the start of the fall term.

The Rathskeller idea was originated by Mr. Moses. He felt that the Rathskeller would be a good place for students to study and get their work done. It would also be a good place for students to eat and socialize. The Rathskeller would be located in the basement of the Student Union Building.

Mr. Moses has proposed the idea to the Board of Trustees, and they have agreed to support it. The Rathskeller will be ready in time for the start of the fall term.

The Rathskeller will be open from 8 a.m. to 10 p.m. daily.

The Rathskeller will have a kitchen, a dining room, and a bar. The kitchen will be open from 8 a.m. to 7 p.m. daily.

The Rathskeller will be open to all students and will be free to students with S.U. cards.

The Rathskeller will be run by a concessionaire, who will be paid a percentage of the profits. The concessionaire will be responsible for all operations of the Rathskeller.

The following is repeated from the National Wildlife Federation.

As America expands, deeper and deeper into the environmental decaed, it is becoming clear that technology will not solve all our problems. Many solutions will require...
**Bear Tracks... Bears Open at Boston State**

by Jim Doody

Bridgewater: The Bridgewater State Football team will try to put it all back together Saturday night when they kick off the 1971 campaign against Boston State College under the lights at Middlesex Field. Game time is 7:30 pm. The Bears, who finished through their worst season last year posting a 0-8 mark, are ready to go.

Veteran quarterback Vince Hickey will lead a rebuilt offense which has lost six starters from a year ago. Team Captain Phil LaFave, a hard nose stenter at fullback, will head up the line which also features senior tackle Peter Bousquet, left guard and junior Jon Bousquet, a fine placekicker preference in 1972 who will again be at right tackle.

Sophomore Tom Perry, a defensive end, will line up at left end to fill a hole which has been impressive thus far.

The Bears' defensive unit remains a question mark, with linebacker Ed Cassidy the sole returning starter. Defense could be a key factor with three freshmen in starting. Freshman Prier Dyer is slated to start at left end and senior George Kelly, converted from guard to open at right end.

Veteran running back and second-year man Tom Hickey rounded out the back line as onlooker George Kelly, converted from guard to open at right end.

The Bears will also line up a new defense, with a split T to a pro set. Although a veteran blocker will be lost, the move should spread defenses and allow Hickey, a good passer, running back.

**In Pro Circles**

by Dave Peruzzi

The exhibition season is finally over, and not all of it in the N.F.L. season. The Patriots appear to be heading for a 2-2 record this summer, but probably not all that far off. Miraculously, they have managed to win three of their four games and all of them, only Eddie Pay in on a tie game against the Eagles.

The Philadelphia Eagles, who have had two of their first four pre-season games against the Dallas Cowboys, will start the season without the services of wide receiver Larry Craig, who will be out for the season due to his unseasonal injury.

A few clubs appear to have firepower for the upcoming season, but none as much as New England.

**Off and Running at Taunton**

by Lee Smith

It seems like there are a few more gardens sprouting around the campus this fall, but there is no one to say that's not the case. Hardly any of the regulars are likely to be around.

Bears Open at Malden Catholic Field

This Sat. 7:30 p.m. at Malden Catholic Field. Admission $1.50 at the gate.

**Weekend Sports Shorts**

A new site has been born last week in North Dartmouth near the Dartmouth College Forest Hills. After hardly a month of business Forest Hills, which has been opened in the form of a group of kids without too much money in the neighborhood, is already being recognized as the finest racetrack in the land.

Most people, especially us, were suprised to see Willis Johnson from Atlanta, gives them a pair of experienced players already this summer. Out for a couple of years ago, Willis is back to TAUNTON, where he ran for the South College crown, and is steadily gaining in popularity on the national level.

The dogs are fiercely competitive, notably among them, Buffalo, New York, is outstanding, and the race makes for good excitement, especially if your dog is in the lead.

**Spotlight: Phil Lefavor**

by Steve Medock

Captain Phil Lefavor will be leading the Bears against Boston State College this Saturday night at 7:30 pm. Phil, who is a three year starter with the Bears, will spearhead the team at the center of the backfield as the team's running back.

Phil has made the most of his time at the Bridgewater College and his senior year at Boston State College. Phil is also very dedicated to his team, he has had every game, with the exception of last year, since he entered college, because of an injury and once

Bridgewater-The Bridgewater State Football team will try to put it all back together Saturday night when they kickoff the 1971 campaign against Boston State College under the lights at Holyoke College Field. Game time is 7:30 p.m. The Bears, who suffered through their worst season last year, also want to lick their Week 1 opener.

Volume quarterback Vince Minkley will lead a rebound offense which both has had six starters from last year. Team Captain Phil LeFavor, a half back starter at Holyoke High last year, will be one of the six... End coach, Leo Fanning.

**Off and Running at Taunton**

by Lee Smith

It seems like there’s a few more garbs on around the campus this fall, but here’s one who just can’t find any action right now. If you see big guy wearing flashy colors, the brick (fill in the blank) at 6’3” and 220 pounds, Taunton’s grey-jacketed pole vaulter from last year, hasn’t been vaulting this season. He should be returning to the track and field scene before the season is over, however, the emphasis is still going to be on the pole vault.

**B.S.C. Bears Coaching Staff, from left to right: assistant line coach Kasabian, line coach, Ed Braun, Head Coach, Pete Mazzaferro; backfield coach, Bill Clifford, and end coach, Leo Fanning.**

**In Pro Circles**

by Dave Perrowdy

The exhibition season is finally over, and not all of it is the 1971 exhibition season. The Patriots appear to be having bad news play on their hands this summer than anyone expected. A game against the Lions just a few days ago and the Lions’ star receiver, Kellen Winslow has given the Pats a few problems, but that’s all. None of the players are expected to attend the next game.

**Sports Shorts**

A new star was born last week as 16 year old Chrissie Evert stole the show from all the pros at Forest Hills. After handily defeating a formidable group of opponents before she fell victim to veteran Billy Jean King in the semi-finals, Willie Stargell’s hot bat has provided Pittsburgh with the needed lift to stay on top in the East. Former All-Star catcher, Pete Rose seems to think the Dodgers will overcome the Giants. The reason: pride.
