The "spirits" will be flowing fast and freely this Homecoming weekend. Several events revolving around the weekend's central theme of "Past Eras" will be serving alcoholic beverages, following the recent acceptance of the college's Alcoholic Beverages policy by the Board of Trustees.

The Senior Class will sponsor an "Old Fashioned Beer Blast" on Saturday following the Homecoming Game with Curry. The event will take place in the Student Union Ballroom at 4 p.m. In another area of the building at the same time, the Alumni Association will be hosting the Alumni at a Cocktail Party in Conference Rooms 205A, 206, and 307.

One of the major events of the weekend will be the Student Union Program Committee's "Gay Nineties Night." This event will be modeled after an old-fashioned beer parlor. The cover charge for the evening will be $1.25 per person. Beer on tap will be $1 and mixed drinks will be $1.50. Peanuts in the shell and pretzels will be served at each table. The dress for the occasion will be informal. Those attending the event will be encouraged to deposit their peanut shells on the floor. To further set the mood for the evening, straw hats will be distributed. Music for the festivities will be provided by the popular night club group "The Banjo Stampers."

I.D. Required

Since alcoholic beverages will be served at the event, I.D.'s will be required. The only forms of identification that will be honored will be a driver's license or a birth certificate. Identification is not necessary to gain admittance to the ballroom but it is necessary for the purchase of tickets for alcoholic beverages. The same system that was used at last year's homecoming dance will be employed this year. I.D.s will be checked at the door. Those who may purchase alcoholic beverages will have their hand stamped. Once inside the ballroom there will be no further check of identification cards. Students are not required to show identification to anyone inside the ballroom, other than campus police and then only Bridgewater State College I.D. Cards need be shown (as per college regulations).

The COMMENT asked why all the precautions were being taken. The answer from the S.U. Program Committee was that if the A.B.C. should be present Saturday (as they were last year) the Program Committee does not want to endanger the College's chances of getting a liquor license do to infractions because of age.

**MEN INFESTING HILL WOMEN'S DORM**

Two meetings were held at Great Hill Dorm last week to discuss the problems of Open House and women's side. "The first, a Proctors' meeting was held Monday night. The problem of unescorted men in the dorm during Open House was discussed. The presence of BSC men visiting particular floor(s) of Great Hill women was not seen as necessarily a problem but the random wanderings of "college" and "other unknowns" was generally agreed to be an unwanted aggravation."

A later full dorm meeting was also held last week to make Hill women aware of the problem of signing in unknown men.

Just this last Tuesday a Houseboard meeting was held on Great Hill Women's side. A new policy was announced; one that supposedly will eliminate the problem of unescorted men coming the dorm after curfew.

Four men from lower campus will patrol the halls, lobby and fire doors of the dorm from 2 A. M. to 5 A.M. on weekends. Anyone caught opening the fire doors will be brought before Houseboard and then put on dorm probation for one week; a second offense will result in expulsion from the dorm.

Any woman caught signing in a guest she does not know and does not seem to plan on escorting him in the form will lose Open House privileges for a week.

The new policy begins this Thursday night.

With prison reform making headlines, the next lecturer to appear at the Bridgewater State College Student Union Auditorium for its 1971-72 Lecture Series is one of whom many townspeople and students will want to hear. He is Tom Murton, who with Joe Hyams in January 1970, authored a book entitled "Accomplices to the Crime." This event will be modeled after an old fashioned homecoming dance will be system that was used at last years Homecoming Game with Curry. The event will take place in the Student Union Ballroom at 4 p.m. In another area of the building at the same time, the Alumni Association will be hosting the Alumni at a Cocktail Party in Conference Rooms 205A, 206, and 307.

Mr. Murton has a vast background in penology having worked in positions ranging from jailer through warden to Chief Corrections in Alaska. His lecture, entitled "Reform or Revolution", is a rude awakening to the cruelty and corruption festering within penal institutions. He is scheduled to speak at 9:45 a.m., Tuesday, Oct. 19th, in the Student Union Auditorium. The talk is primarily for students, but should there be any empty seats, the public is welcome to use them. While there is no charge the tickets must be obtained from the Information Desk in the Student Union Building.

The Student Union Board of Governors has come under a great deal of criticism lately from many sectors of the college community. I believe this criticism is the result of lack of information about the Board of Governors, what it is and how it functions.

We hope that this effort will present the community with enough information to formulate their own independent opinion of the effectiveness of the Student Union Board of Governors.

Last week the Quincy School Committee informed the Norfolk County Commissioners that the number of Noon Masses at the Red Cross will be discontinued effective Friday. This was unfortunate because the Red Cross is one of the most effective charitable agencies in the community.

Two weeks ago the H.P.D.C. announced that Judge Sils will retire on April 15, 1972. Judge Sils is a former Quincy High Principal who has been a chief judge for a number of years.

In the past week the quarry School Committee informed the Norfolk County Commissioners that the number of Noon Masses at the Red Cross will be discontinued effective Friday. This was unfortunate because the Red Cross is one of the most effective charitable agencies in the community.

The COMMENT  
October 14, 1971

Editorial

The Student Union Board of Governors has come under a great deal of criticism lately from many sectors of the college community. Largely, I believe, this criticism is the result of lack of information about the Board of Governors, what it is and how it functions. Speaking as a member of the Board, I believe that this situation is the fault of the Board of Governors. The Board has made very little effort to explain itself to the community. In fact, in the last week's issue of the COMMENT an article will be made to the Board of Governors, the new Board of Directors and the new Board of Governors. We hope that this effort will present the community with enough information to make sure that our Board is functioning in an effective manner.

This Board has been established by the University of Nebraska to serve as a medium for communication between the Students and the University. The Board is composed of nine students, three from each of the three University of Nebraska campuses. The Board also has a faculty advisor, who is appointed by the President of the University.

The Board is involved in many activities, including: organizing and sponsoring events on campus, providing a forum for discussion of student issues, and acting as a liaison between the students and the administration.

The Board meets on a regular basis to discuss important issues and to plan events. The Board also has a committee system, with each committee responsible for a particular area of concern.

I believe that the Board of Governors is functioning effectively, and I encourage the community to learn more about its activities and to get involved in the process. The Board is always looking for new members and ideas, so if you are interested in getting involved, please contact me or any of the other Board members.

- April Johnson, President, S.U.B.

Annapolitan Club

Annapolitan Club is the undergraduate varsity fraternity at the University of Nebraska. The club is open to all members of the University of Nebraska community, and is one of the largest on campus.

The club meets regularly, and provides a variety of social and recreational activities for its members. The club is also involved in community service projects.

If you are interested in joining Annapolitan Club, please contact me or any of the other members. We would be happy to welcome you to our family!
Curry to prove tough opposition

The Bears are looking forward to the remaining games with Curry and will aim for the quarter mile finish line at England Dragway. They have a strong engine displacement, allowing a flat start to the quarter mile finish line. The Pino brothers are expected to be strong in the quarter mile finish line at England Dragway.

Bears End Streak roll over Maine Maritime

The Bears have maintained a streak for over 12 weeks, scoring points in each contest. After a 0-12-0 run and a 16-7 victory to start the season, the Bears have scored 32 points, all from the quarter mile finish line at England Dragway. The team has faced Maine Maritime in their four contests and have scored 16 points, solidifying their win against Maine Maritime. The Bears scored their highest points in the quarter mile finish line at England Dragway.

In Pro Circles

By David Splitter

The baseball season may be over but the trading season in baseball is still in full swing. The New York Yankees have once again completed a 邪 player swap with the Chicago Cubs. The Cubs have sent out five players to the Yankees in return for three New York prospects. The deal, according to reports, is the largest ever in baseball history. The Yankees, who have been long-time rivals of the Cubs, are expected to make a strong push for the American league championship this year. The deal is expected to give the Cubs a strong team for the upcoming season.

Curry to prove tough opposition

The Bears are looking forward to the returning Glencoe Gnome with Curly Jurgensen at quarterback. Jurgensen is expected to dominate the game with his powerful arm and accurate passing. The Bears, who have won their last three games, are looking to continue their winning streak against the tough Curry College. Jurgensen is expected to lead the Bears to victory with his strong arm and accurate passing.

National Open at New England Dragway

By Paul Sekob

This past weekend at New England Dragway, the National Hot Rod Association's annual Eastern Open was held. Thousands of fans and drag racers came to the track to watch the races. The event was packed with intense action and high-speed racing. The racers were divided into several classes, each with their own unique set of rules and requirements. The event was a great success, and the track is looking forward to hosting more events in the future.

Intramural Scoring

Girls remain undefeated

Girls volleyball continued their streak against KSC. The girls are now 5-1 on the season after their victory against the Statesmen. They continue to dominate the court with their powerful attacks and strong defense. The girls are looking to keep their streak going in the upcoming matches.

Bears End Streak roll over Maine Maritime

CASTINE, Maine (AP) - The Bears ended a six-game losing streak with a convincing victory over Maine Maritime Academy on Saturday. Bridgewater scored twice in each of the first two periods, taking a 4-0 lead by the end of the second. The Bears continued their strong play in the third period, scoring three more goals to win 7-0. Maine Maritime had struggled from the beginning of the season, but the Bears were too much for them in this game. The Bears are now 4-9-2 overall and 2-6-2 in conference play.
