Cooperative Learning Center Formed

Illustrative of the increasing "relevance" of teacher training in Massachusetts institutions of Higher Learning, Bridgewater State College and the Bridgehampton Regional High School have embarked upon a new venture called a "Learning Center".

It's the brainchild of Dr. Robert C. MacCurdy, Professor of Elementary Education at the College and Dr. N. C. MacCurdy, President of the High School. Together they were able to obtain a federal grant of $14,000.00 and, with the assistance of Mr. Ralph Meanan, Superintendent of the Bridgehampton Regional High School, are setting up the Learning Center at the High School.

Through this Center, students from the College will be needed and be in close touch with the students at the high school. As Dr. MacCurdy explained it, there are five vital areas in which College students, and in particular, those in becoming teachers can learn from actual contact with the students they are eventually to teach. One is tutoring; another is investigating through participation observed, observation of new teaching methods; fourth, assisting such persons as school librarians, directors of various areas, and the like, and fifth, student teaching.

For Bridgewater State College, the Center will be a means for guiding author for "His many suggestions are an integral part of the teaching program at the College. The" President clarifies eight semester time limit.

Dear Members of the College Community:

Attached herewith is a copy of the Spring Catalogue under which a student may receive credit. Attached are the new 1972-1973 catalog, which is currently about to go press.

Unfortunately, such clear statements regarding the policies have not been previously available and, therefore, appear to be of misunderstanding about the policies has existed.

For this year only, any candidate who is elected in this election may represent the student government in the capacity to which he is elected during the 1972-1973 Academic Year, as long as he is a full-time undergraduate student, that is, a minimum of 12 semester hours per semester.

For all elections subsequent to this academic year, the policies as stated in the catalog will be in effect.

Very Cordially,
Adrian Foulke
President
P.E. Workshop

DEPARTMENT OF PHYSICAL EDUCATION
SPONSORING: English educational Gymnastics emphasis includes swimming, equestrian, and tennis as well as elementary school teaching through a movement education program.

Where: Bridgewater State College - Kelley Gymnasium

Date: Wednesday, May 3, 1972

Time: 7:00 pm - 9:30 pm

For: Physical Education majors, Physical Education Teachers, Elementary Education Majors, Education for Women

Class Trip

Attention Psych. Majors. Come one, come all, to the first annual Class Trip! The Class Trip to Martha's Vineyard will take place May 13, 1972. The reason for this change in date is that we need our regular training activities in order to help sponsor the school. If we can't have the ferry, we will have to use the bus and ferry for the price of the regular price will be put at $12. This $12 will be the price only if we have at least 40 students. This $12 will include transportation from the Middle School athletic field, 1/4 mile south on rte. 18 and 28. Refreshments will be served. A great time for all.

Tennis Results

On Friday, April 20, the Bridgewater State team swept all six singles matches and two doubles contests on their way to a decisive 8-1 victory against the University of New Haven (Conn.). The victory upped the Squash team's record to 2-0, while dropping New Haven 6-3 in their previous outing.

Women's Gymnastic Championship

The 1972 New England Association Amateur Athletic Union, Girls' and Women's Gymnastic Championships will be held Saturday, May 6, and Saturday, May 13, 1972 at the Kelly Gymnasium with parking in the rear. Competition will be for the under-15 and under-18 age groups and the events on May 6 and 14 and over ages groups, May 13, 1972. Warm-ups will be at 9:00 am, with competition starting at 10:00 am. Admission is $1.00 for adults and $0.50 for children under 12.

Competition will be in the following events: Floor Exercise, Balance Beam, Uneven Parallel bars, Side Horse, Vaulting, with All-around and Optional routines only. Two divisions are included within these events, the Junior Division which includes those Gymnasiums which have never placed 1st, 2nd, or 3rd in a major competition and the Elite Division which includes those Gymnasiums which have placed 1st, 2nd, or 3rd in a major competition.

Hope to see you there.
**Girl’s Softball Team Wins Two**

The Bridgewater girl’s softball team opened their season last week with two wins.

Senior Kelly Joyce Domingues was the winning pitcher for the girls. Only in the third inning did Salem score, bringing in three runs. Bridgewater got the lead out in the game with one run in the first inning. The game ended with a score of 11-3.

On Friday night last week the girl’s team went to Springfield. In the first inning Brianne O’Brien got on base on an error by the shortstop and ran Thurston. The game was close all summer. It was so fast that his pitch looked like an asp coming down to get the Oriental all-female athlete who hit 14 of the batters that faced him. While allowing all but three hits.

Bridgewater made up for their loss by hitting on Saturday with an avg of .54. They came up with a triple of base hits but still only came up with a split of a double header. Jim John Caneira. The Eastern pitcher who hurled a shutout for the Bears. The Bears left the bases loaded in the 7th inning. They were as effective as toothpicks. The hefty outfielder from Whitman, like his mound mate Dwyer in Saturday’s game, was victimized by a single infield error by the short stop and ran Thurston. The game was close all summer. It was so fast that his pitch looked like an asp coming down to get the Oriental all-female athlete who hit 14 of the batters that faced him. While allowing all but three hits.

Special Youth Pass.  
See Britain for 15 days for $40.

Buy a BritRail Youth Pass if you’re going to Britain this year. It’s good for unlimited travel on trains in England, Scotland and Wales.

You can’t lose

If you’re between 14 and 22 you can get a 15-day Youth Pass for $40 or a One Month version for $70. Each is good for unlimited travel during the time period. Just hop on and off the trains whenever you like. It’s a steal. The 15-day Pass, for example, gives you the freedom of Britain literally for under $2.67 a day.

Meet people, see places

With only a few super-highways, hitch hiking is difficult and travel by road can take a long time in Britain. So people travel by train a lot. You’ll meet them. And see more. British trains are fast—London to Edinburgh, 400 miles, in 5 hours 45 minutes. They’re convenient, too—over 1600 train services daily covering nearly 2,000 cities, towns, and villages. And comfortable—most long distance trains have dining or buffet cars with full meals or snacks.

Buy it now

If you’re not sure if you’ll go, you can buy a BritRail Youth Pass. You’ll be disappointed. Because you must buy one here in the States before you leave. Return the coupon and we’ll send you, free, a leaflet showing how to get your BritRail Youth Pass, plus details of a $4 “Open to View” season ticket giving you free admission to over 400 places in Britain including the Tower of London, Hampton Court and dozens of castles, parks, museums and mansions.

Or you can get both from any Travel Agent. All you need to prove your age is your Passport. That’s all. After that, Britain belongs to you.

If you’re postgraduate or a professor over 22, there’s a whole group of similar value BritRail Passes for you too. Return the coupon. We’ll send you the brochure.
