Hill-Ross Candidates Named

Bridgewater—Seven graduating seniors were nominated last week by the Deans of the College for the Hill-Ross Award. The award, sponsored by the Class of 1935, is presented to the outstanding member of the graduating class, who, by high standards of achievement and character, scholarship and participation in activities, has contributed most to the life of the College.

The Deans of the College nominate the candidates. After the candidates are informed they are asked to write a resume to be reviewed by the Award Committee from the Class of 1935. Each candidate will be interviewed by the committee later this month. For the first time in the history of the award the senior class will be involved in the selection. At last Tuesday’s Senior Class meeting ballots were distributed to vote for the Hill-Ross candidate. The result of this vote will be given in the award committee as another source of input.

The Award Committee, using the resume, the interviews and the senior class vote, will select the winner of the Hill-Ross award. The award will be presented at Commencement exercises Sunday, June 4, 1972.

The Class of 1935 established the Hill-Ross Award to perpetuate the memory of Lt. Paul D. Hill and Capt. Donald Ross, two outstanding members of the Class of 1935 who were killed during World War II. It is the highest recognition the College can bestow. The candidates are listed below in alphabetical order.

LETTER TO THE EDITOR
Open Letter to the Freshman Class
To: S.N.E.A. Members
From: Irene Potts, President S.N.E.A.

The close of the academic year
is within sight and so the approach-
ing of a very successful year for S.N.E.A.
Bridgewater.
Those of you who worked hard and
dedicated yourselves to participation in S.N.E.A. have a lot to be proud
of.
S.N.E.A. is now the largest and
does paying organization on campus
and has established an identity for
itself among the faculty, students, and organizations on campus. Its membership is over 300 compared
with last year's figures of 25.
The conference in November
put the organization going, and the
success of that conference justifies
the planning for another confer-
ence in the fall. We found the conference not only educational
but also an opportunity to ex-
change ideas with people.
Our faculty service auction
was not able to collect sufficient funds for the Recruitment Conference, but the possiblity of funding from S.G.A. will make the conference a
reality next year.
The retirement Bill was
defeated by the Mass. Law Makers
but students' political action as a
cohesive force can get the bill
passed next year!
The Ride-A-Bike for the
retarded held on April 20th
was very successful. The
next money can be mailed to MARC or
turned into the S.N.E.A. office.
Dave Koeckel was elected treasurer of the Mass. S.N.E.A.
and was re-elected to the position
of vice president. Bridgewater's
role in the state's activities was a
major one this year and will be
an even greater one next year.
S.N.E.A. will be sponsoring the
film High School, on May 11th
at 8:00 p.m. Donations are only 25c
so bring a friend.
On Wednesday, May 10th we'll be
having our election for next
year. Because of the many ac-

The MAIDS

A play from the Theatre of the Alumnus, "The MAIDS" starring Jean Genet, will be presented in the Horace Mann Auditorium, Beldon Hall at Bridgewater State College on Friday, May 19, by students in cooperation with the Speech and Theatre Department and Drama Club of BSC.

Stephen Bullard of Cape Cod, speech and theater major at the college, protege of William Bartlett of the American Academy of Dramatic Art in New York, is the play's director. He directed William Soroyan's "Hello Out There" last year as part of a dedication week program at the college, has acted in numerous college and off-broadway performances and will be working as summer stock with the Off-Broadway Theatre in Maine.

Susan Harre of Franklin, JoAnne Brennan of Scituate, and Karen Matter of Brockton make up the three women cast.

"The MAIDS" was the second play for Genet, his first to be produced on stage in France, 1940. It is the story of his life Bullard says, "his ascension through degradation." To quote Stephen Bullard, "I think it has something in it for everyone." The public is invited without charge.

Poetry Reading Festival At BSC

The Inter-Collegiate Poetry Reading Festival, involving a number of colleges of the Northeastern part of the United States, will be held in the New Library Lecture Hall on Saturday, May 6. Dr. Karl V. L. Dallin, Associate Professor of Speech and Theatre, is the Director. She is sharing the sponsorship with the members of the Verse Choir.

The theme of this year's Festival is CONTRAST. One or two students from each of the attending colleges will read poems expressing this theme. The morning reading will begin at ten o'clock; the afternoon readings at two.

B. S. C. will be represented by Karen Matter and John Moniz. Miss Matter, Under Dr. Dallin's direction, has won three trophies in inter-collegiate competitions, and has performed several times with the Verse Choir. Mr. Moniz is the President of the Verse Choir. Miss Judith Veres has been named alternate.

The college community, as well as hometown, will be welcome to attend the readings which, embodying, as they do, varying styles of presentation, always prove to be both enjoyable and controversial.

There will be no charge for the programs. There is a charge for meals with the groups, but such participation is optional. See Dr. Dallin if interested.

This is the forty-fourth annual Inter-Collegiate Poetry Reading Festival. The Festival was initiated in Massachusetts by three women who were professors in Mt. Holyoke College, Smith College, and the University of Massachusetts. One of them, Miss Joanne Wuschke, is still active in private teaching.

The ninth annual Professional Conference sponsored by the Division of Professional Education and the Alumni Association of Bridgewater State College will be held on Saturday, May 12, in the Student Union Building. A large turnout of students, teachers and educators from the area are expected to attend due in part to the performance of the 1973 theme, "Bilingual and Bicultural Education in the Bay State" and also to the interest in current legislation which has been passed, or is pending, in the State Legislature.

Dr. Isabelle R. King, Assistant Professor of Elementary Education, is serving as chairman of the Conference Committee which includes Dr. Stanley L. Clement, Director of the Division of Professional Education; Dr. V. James DaNardo, Dean of Undergraduate Studies; Mr. Edward J. Meaney, President of the Bridgewater State College Alumni Association and Director of the Student Union Building; Mr. Robert Sharplins, his Assistant Director, and Professor Vincent Worden, Paul Prescott, Gerald Thorwell, Leo McGarigal, and area Vining. The latter is also the Executive Secretary of the Alumni Association. Four students at Bridgewater State College are also on the committee. BSC Sweeps Doubleheader from Barrington

by Tom Perry

The baseball team got back on both feet again here at Legion Field last Monday as they swept the hapless Barrington College Warriors in a doubleheader. Bridgewater’s loyal legion of fans, who came to the field armed with cooler to ice their refreshments, were more than delighted by the fireworks display that the Bears ignited in the first game as they bombed and blasted the Warriors 11-2. The second contest, however, was no laughing matter! In fact, the Bears had to spell a last inning Warrior uprising in order to escape with a 7-6 victory.

The first fray’s fireworks were set off first by senior tri-captain, catcher Mike Fiero, who blasted a clutch double to left-center field with the bases loaded and two outs but the Bears out infield 3-0. Another third of the BSC’s tri-captainship Ed “Fuzzy” Thurston also aided the Bridgewater offensive cause in the third inning as he teed off on a Steve Ahern fastball and drilled into the nearby football field, in right, for his third home run of the season.

Meanwhile, as the Bears were lashing away, freshmen righthander Fran Sdwyer was baffling Barrington batters with a good combination of fastballs and curves. Dwyer, who has seemed to draw the pitch whenever the Bears are in a hitting slump, had plenty of support behind him Monday as the BSC nine kept chipping away until they had tallied 11 runs on 10 hits. However, the Hurley from Holyoke really didn’t need all that much hitting help as he only allowed two harmless hits.

Once again Larry Norton, who scored every time he got on base, and Jim DeFazio who had his second consecutive perfect day at home plate helped Fuzzy Thurston, the team’s leading hitter, shelve the Barrington pitchers with a barrage of basehits.

As it stands now the trio of Thurston, Norton, and DeFazio are all batting over .300 clip to give the Bears three solid hitters in their line up. So much for the good old fashioned shellackings and now to the third game of the doubleheader Ed “Fuzzy” Thurston also added the Bridgewater offensive cause in the third inning as he teed off on a Steve Ahern fastball and drilled into the nearby football field, in right, for his third home run of the season.

Barrington’s offensive offerings Barrington kept pecking away at the Bridgewater lead until they came into the last inning trailing by three runs.

After Barrington touched home twice to make the score 7-6 Dan Slattery, a sophomore from Weymouth, came out of the bullpen to put out the fire and end the threat to save the win for Jarvis, who was relieved in the fifth inning by Scott Smith.

The crucial doubleheader for Bridgewater is today up in Salem Mass where the Bears hope to have something brewing against League leading DSAlem State College.
