LIFE, LIBERTY, AND THE PURSUIT OF EDUCATION.

By Hoseason Mircild

Oct. 7, at 9p.m. in the SU Demonstration room, a lecture was presented on the CIA by Dr. John Borld, who began his lecture with a brief outline of his own background and past involvement in the CIA, in an effort to introduce the audience to the CIA in a corporation as a government agency.

Mr. Osborn appeared to be a personable and intelligent speaker, who quickly attained the attention of the quickly seated audience, a factor that may be attributed to the complimentary seating of the Red Lion game. His background included training in European operations he had worked as an agent handler, in Southeast Asia and he had been seriously involved in Phoenix a "think tank around concepts...to go in and find that the superstructure that existed in Vietnam. William Colby's then-noted position of the career placement office, and had been involved in the State House. Apology in stating that Colby's then-noted position of the state, was involved in the state.

Common Cause?

The Boston Commons in the 18th and 19th years of its existence has been the scene of many gatherings. Originally the tea-table let the inner coos and sheep graze on its greens. Today park benches, pigeons, children in wading pools, and fibber-throbbing executives on their lunch hour have made the common their sanctuary.

But the Boston Commons has also set the scene for many demonstrations. Its location is perfect, right across from the State House. Bostonians learned early in our city that nothing was more effective in expressing their disgust with the working of the laws of power. What better way to make the legislators aware of the constitutional duties than to picket in front of theirownhouse.

Unfortunately, the charting, Picketing, and storming that came of Wednesday's rally against cutbacks in education was all but the little that was left of the old tradition of peaceful protest. Massachusetts like New York City, fell into debt a long time before anyone had the chance to view the scene of many gatherings. Originally the townsfolk let their cows and other livestock roam the common, but now it is only the wading pools, and frisbee-throwing executives on their lunch hour that are seen. The Common Canse?

Why cut our education through? We ask. Why must we students, to suffer the blunderings of those who govern the Commonwealth? The answer is obvious. The college as an institution does not pay taxes, we are a non-profiting, non-contributing problem in the finances of the Commonwealth, a luxury which at this time cannot be afforded. What can be done to prevent future generations of students from bearing the same proof? The answer is now.

To the editor, At tonight's meeting, I was asked to nominate someone to run for the position of student body president. It is my contention that beauty contests are a thing of the past, and should be considered as such.

My opion, as a concerned student, is that the election of a homecoming queen is wrong. I disagree with the idea that the old tradition of values of the contest are no longer being considered. Revison is needed, because the candidates for homecoming queen have become a focal point for misplaced values.

Will you, as concerned individuals continue bringing characster and democracy? Leave this matter up to you. Consider, for example, opinions about this problem, those Labsh.S.C.A. members or large.

GENERAL EDUCATION REQUIREMENTS REVISION

Here are the changes to the General Education Requirements for the fall 1975...
Bicentennial Youth Debates

Most of us, at this early stage of Bicentennial, aren't very mature...but that's okay. 
Some people are more than likely seduced by Bicentennial guidebooks, pamphlets, pictures, and other such nonsense. It's not our fault. We are completely at the beck and call of this new event. 

At the University at Buffalo, the Buffalo Academy of Debating offers students a unique chance to participate in a meaningful communication of our 200th anniversary. It is a national program, a product of the Speech Communications Association, and is supported by a grant from the National Endowment of the Humanities. 

Any person under 21 years old who has not received a Bachelor's Degree is eligible to participate in any of the debates or sessions which are in number. Lincoln-Douglas, Tournaments, Debates, Forensics, and persuasive speaking, are some of the questions that make up this exciting program.

Who are the boys seeing?

Ethyl, that is, she can certainly outgrow you in years and make you seem like a high, nice fellow. You are probably wondering what this Ethyl could be. Well, some people may think she has a pretty side, but Ethyl would like to party all night, all day and have a real. But men - and I am having a party - Ethyl would like as part of all the same. She will get up at 8 a.m. and go to school. And often someone at the party does not expect the effects of the alcohol.

I can quit... 

... whenever...

You may have been wondering who this girl could be. Well, some people think she has a pretty side, but Ethyl would like to be a real girl. But men - and I am having a party - Ethyl would like to have a real party everyday.

And though you may think it could not happen, you can give your word. In the future, you can give your word. I can promise you that Ethyl is a real girl. And though you may think it could not happen, you can give your word. In the future, you can give your word. I can promise you that Ethyl is a real girl. And though you may think it could not happen, you can give your word. In the future, you can give your word. I can promise you that Ethyl is a real girl. And though you may think it could not happen, you can give your word. In the future, you can give your word. I can promise you that Ethyl is a real girl. And though you may think it could not happen, you can give your word. In the future, you can give your word. I can promise you that Ethyl is a real girl.

By Michael Weller

**OPEN TO ALL STUDENTS, WEDNESDAY, OCTOBER 15, 6:15-8:15 pm G-4**

**THURSDAY, OCTOBER 16, 7:00-8:30 pm in G-4**

This Ensemble Theatre/Communication Arts & Sciences Dept. production will be presented on December 4-5.

**Studio Successful**

Anita Bennett

The Ensemble Theatre presents Terrence McNally's classic gay play, Oct. 7 at 6:30 and 8 pm, providing an opportunity for St. Joe students to get first-hand experience as directing professionals. Directed by Tony Award-winning director, Matt Waite, this play is a compelling story of three friends in the world of Manhattan.

**Dolly Production Approaches**

By Hill Smith

On October 31, unlike the B.E.C. Ensemble Theatre, in conjunction with the repertory company, the annual Arts and Sciences Dept. will present the Broadway musical extravaganza "Hello, Dolly." The event goes off at 8 pm in the Student Union Auditorium. Tickets may be purchased in the box office starting on Tuesday. A portion of the proceeds will go to the student body. It is expected.

**Start the role of Dolly**

Cheryl Stanley. For you may remember her from her excellent performance last year as the villainous Miss Hannigan in "Annie." It is interesting to note that this is her first time in the title role. That Cheryl Stanley and Jeffery White will play opposite each other, maybe someone is trying to talk them something! Portraying Others: Here's a young cast:

Curtiss Holland, Rosalind Wabasso, and Marco Carter, both of whom are familiar faces to the B.E.C. audiences, playing the two young bohunks that they meet in their adventures in New York. Irene Maloney and Carrie Hay, are Donna Kane and Paul Agnew. respectively. Julia Laffey makes her return to the stage as an energetic Mrs. Emmerson. Date may be remembered for her performance last year in "Twelfth Night." Kressengard would be likewise be being played by Barry Cohen, who last year was as Little Jack Horner in "Ring Cycle and the Country Witch." The cast is rounded out by Dennis O'Neal, Donny Martino, Karen Katter, Carol Balsaw, Skip Maloney, Jack Scovinelli, Joe McPherson, Jerry Laureano, and Ray Mitchell. Directly above is being directed and choreographed by Prof. Robert Barnett, and promises to be the highlight of the coming seasons. The music, unlike the previous direction of the year, is also in addition to the regular roles of the Bill Comella and Chamberry Singers has been the musical director for the past three years.

The show is full of singing and dancing and the dancing includes a Waltz, a Polka, as well as the big production number.

"Hello, Dolly" was one of the first musicals that were aired over television for everyone and is judged to be a big smash and must be seen. The tickets are $10 for students and faculty and $15 for non-students. More than worth the price considering what you get for your money. And if the idea of Dinner Theatre appeals to you then check it into, as it is discussed elsewhere in this issue. But whatever you decide to do don't miss "Dolly."
... Jim Morrison, transmigration, or is he a soulmate? Castello, the owner of radio station WRNO in New Orleans, has done much to establish himself as a station with a strong Jim Morrison following. Castello claims that he has more material of the late singer and that the singer answered questions about his background and history of the Doors. Castello then reran the man singing along with several old Doors albums and claimed the reassembly to be an exciting. Castello states that there are many others who believe Morrison's body was discovered in Paris several years ago. The man claiming to be Morrison says the body was found and that it was primarily used as a piano or a set. The man claimed to be Morrison also performed on TV in New Orleans to confirm or deny the mystery man's assertions.

Reports have that Paul McCartney and Wings American Tour will commence early in 1976 after a series of their Japanese and British tours. Springsteen's performances at 15 of Maryland Homecoming canceled over engineering at the University because he was "absolutely needed" to perform. The reason: the snow on the mountain were not conducive to heat. The U. M. students had even made a flag in Springer's likeness.

... Add ice to a mixing glass or jelly jar, depending on your addiction. Keith Berger is a performer of the avant garde art of mime, the art of stealth performance. His interest in mime developed when he was a child in California. One day he saw a man in a department store window performing as if he were mechanical. It made a vivid impression on him and as he grew older he began the long painstaking process of teaching himself mime. While still in Los Angeles Keith directed college students in his hour long mime play, "Interpretations."...

Shhhh! Don't tell anyone but the Bears are number 1. Shhhh! Last Saturday afternoon the Bridgewater Bears edged the Maine Mariners by the score of 10-0. With that victory together with Boston State's 3-0 victory over Nichols, the Bears took over sole possession of first place in the New England Football Conference. Shhhh! The Bears as usual used a controlled attack, staying out of their opponents' way. In the first period the Bears scored twice. In the second period the Bears drew first blood in a 1-yard touchdown pass from Brennan to McCarthy with 1.22 seconds remaining. With Paul Trinque's extra point the Bears led 6-0. Maine made 4 fumbles in the first half, one of which set up the next BC score. As Maine fumbled in the late part of the first half and BC turned it into a 13-yd. field goal by Trinque with 2 seconds left and the Bears led 9-0 at the half. Tim Lerette, star halfback for the Mariners, was held to a mere 10-yards rushing in the first half. In the third quarter, Lerette was stopped even better as Maine was held to only 4 yards rushing in the fourth quarter, the Bears gained 113 yards rushing by Steve Washkevich. The Bears' punt return suddenly became too much for the Mariner's defense, and the Bears used the opportunity to make the score 18-0. BSU began to work it. Maine finished in the fourth quarter with the score of 18-0. The Bears are number 1. Shhhh! Number 1. Oh, hell, shout it out! Extra Points-During the game Paul Trinque had a field goal attempt blocked but luckily the Bears were able to recover the punt and Steve Washkevich kicked the ball between the bear's legs and ran out the lcock to preserve the victory. So as of now the Bears are number 1. Shhhh! Shhhh! Shhhh!

SOCCER COMES HOME

For the first time in 15 years BHSU's men's intercollegiate soccer team. Prior to being dropped in 1960 in favor of football, Bridgewater was a national powerhouse under Coach Ed Swenson, current BSC athletic director. The history of Bridgewater soccer was highlighted by a current BSC athletic director. The Bears had the ball for 10 minutes and the Bears scored again on an 11 yard field hockey team opened their season opener versus Southern Methodist scoring. Beside scoring, the Bears are on top of the remaining games. A strong field hockey team in the New England Championship. Shhhh! The Bears as usual used a controlled attack. Unless Bridgewater's forward line can start producing goals, the Bears are going to have to settle for a lot of 0-0 ties and 0-6 losses. Shhhh! ... Don't tell anyone but the Bears are number 1. In a rather lackluster performance, the Bears scored only one goal from Brennan to McCarthy in the winning tally. Esther Holmes recorded the shut out goal. The Bears are number 1. . . Shhhh! The Bears as usual used a controlled attack. Unless Bridgewater's forward line can start producing goals, the Bears are going to have to settle for a lot of 0-0 ties and 0-6 losses. Shhhh! The Bears as usual used a controlled attack. Unless Bridgewater's forward line can start producing goals, the Bears are going to have to settle for a lot of 0-0 ties and 0-6 losses.

Field Hockey 1975

Field Hockey team opened their 1975 season last week with a 10-0 win over Southeastern. The loss goal of the game came very early in the first half. BSU were down 2-0 in the first half, 10 minutes before the Bears scored again on an 11 yard field hockey team opened their season opener versus Southern Connecticut. The Bears turned the tide and ran out the lcock to preserve the victory. So as of now the Bears are number 1. Shhhh! Shhhh! Shhhh!

Women's Volleyball

There are only 2 players (no. 9) returning from last year's varsity volleyball team. This being the case, one might expect to hear much talk of rebuilding until the phrase "rebuilding season" quite frequently. Yet just the opposite is true. I think of it as Mrs. Arnold's second rebuilding season, Mrs. Arnold, new in her second season, feels, "The new players we've got this year can step right in and fill the places of the players we lost. I'll even say the skill level this year is higher than it was last year. Seasons like these squad finished with an 8-2 log, looks like the 1975 Bears had little to do with that."

We have an unusually young squad. There are no seniors on the varsity. Mary Kilroy, Elizabeth Tompkins and Robbi Ventura are juniors, Sarah Jamison, Chris Pfenmiller and Robbi Ventura are sophomores, and freshman Mary Delory and Jane Frost (who both have excellent chances of starting and in some cases roaming the backrow) are freshmen. Height and power will be the two strong points for Bridgewater. At a result, the team will be utilizing a more involved 5-1 system--has the potential to once again put together a good season.

OPEN WED. & FRI. TIL 9:00 pm
last Thursday night the Kelly Quinlanaz appeared in the form of utter madness and complete mayhem.

The situation was WRA's annual Freshmen Follies. Completed and made up (freshmen women frolicked, laughed and danced their way through skits and songs about their first few weeks of life at BSC. The program for the night ran smoothly, under the direction of Master of Ceremonies WRA President, Cheryl Gillis.

The Class of 1979 was well represented all 5 floors of Great Hill delivered their acts to an upperclassmen. When the performance was over, the judges had the dubious honor of trying to single out one floor as the best. While the crowd was awaiting the judge's decision, the audience was treated to a special performance by a group of upperclassmen, who billed themselves as the "Shangri-La's" (direct from Las Vegas). Bridgewater will never be the same after their version of "Leader of the Pack".

Finally the judges -- Judy Holzman, Cheryl Gillis, Doreen Quintiliani and Erin Condon -- announced the winners. The girls of the Third Floor of Great Hill walked off with First Prize for the second year in a row. Free refreshments were provided for all afterwards.

WRA wishes to thank the judges for their generosity in donating their time, Doreen Quintiliani and Erin Condon for their invaluable help in the organizational end of things, Kathleen Parker for her splendid spread of refreshments, and the freshmen for their tremendous turnout and enthusiasm.
