Letters to the Editor

"Respect Opinions"

To the Editor:

It has come to my knowledge that recently the members of the COMMENT staff have been writing certain critical feedback as to the quality of the publication.

I, among others, would like to personally extend my congratulations to the staff who are doing a great job. Cheered, errors are made, but you're only human, as we all are.

I don't know how many of you realize this, but the members of the COMMENT staff are very devoted. Weekly, they try to meet their deadlines, staying awake to early hours of the morning so they can please the reader.

One particular situation comes to my attention and regards certain responses to作风建设 written by Doug Schorr. I remember some people that in a comment column admirablely constructed sentences, criticized, orOpined. One has no always respected what someone else's opinion, and other people should respect them too. How can one call a person for expressing his opinion? If you disagree you are allowed to write your own letter, or stay in your bed, but don't blame the first person a poor writer if a staff or other person's effort useless? Think about it.

Another thing. Members of the newspaper staff aren't weighed in as an idea in the days they perform. They are performing a service to you the student, many of them going well nonstop to meet their deadlines, staying awake to early hours of the morning so they can please the reader.

In closing, I wish to thank all those on the COMMENT staff, of the faculty has been denied any. salary adjustment, which devised-the economic policy and the legislature to act on the funding or'salary for a Raise".

Quick Please!!

Was the Search Committee Needed?

Mr. and Mrs. McNamara decided that members of the planning committee and those invited to be a part of the meal must sign a release form before the evening of April 10th. Parents and others must also sign a release form to be able to bring a guest to the party. Mr. McNamara said that everyone involved in the event must sign the release form, but there are exceptions. If anyone, for example, is allergic to shellfish or peanuts, they can tell the host at the party. "There are no strangers here, Walpole," Mr. McNamara said.

The "Moonshiners" originate from the pre-Prohibition era when moonshiners were considered heroes. They were often portrayed in movies and books as noble characters trying to make ends meet in tough economic times. The "Moonshiners" at the party were no exception, with their own flavor of cocktails and libations. The party also featured music provided by Jim Brady, a local musician who is known for his lively and engaging performances.

The party was a huge success, with everyone enjoying the food, drinks, and music. The attendees were divided into different groups, and the "Moonshiners" were able to enjoy their time with friends and family. The atmosphere was lively and fun, with guests dancing and enjoying the music. The party was a great way to raise money for the residence hall council and to bring the community together.

The "Moonshiners" community is a close-knit group of friends who enjoy each other's company and love to spend time together. They are planning to host more events in the future, and they hope to continue to make a positive impact on their community.

Swimmers Compete in Regionals

Springfield, Mass. The Art Linkletter Natatorium, poised at the end of the Springfield College Campus, provided the setting for the 58th Annual New England Intercollegiate Swimming Association Championships last Thursday, Friday, and Saturday. The BSC men's team was represented by Co-Captains Mike Arsenault and Rick Battistini, Dan Trainor, Jo Kowinski, Mark Mariani, Steve Money, and Tom Mac Masters.

Springfield's 50-meter pool with the bulkhead set for 25 yards provided the stage for Springfield to hold off a bid from the University of Maine, Orono to capture its seventh championship in the past eight years.

For BSC, the meet was a bit of a disappointment, as the team swam well but not quite good enough to qualify for any of the final heats.

Mike Arsenault gave a good effort in his specialty, the 500 yd. freestyle, but was fourteenth, as was his effort in the 100 yd. free. The Bears had placed great hopes on Rick Battistini, Jon Kowinski, Tom Mac Masters, and Mike Arsenault in their 400 yd. free relay, which turned in a very respectable 3:20.8, but were nosed out by U. Vermont's 3:20.2 for the finals.

Mark Mariani and Tom Mac Masters swam well, but were not ready to break into the scoring yet, Steve Money tried valiantly in the breaststroke, but his broken hand proved to be too much of a deficit. Dan Trainer ended his career with his best time in the 50 yd. free. Unfortunately the BSC mermen were not able to meet qualifying times for this year's NCAA Division III Nationals, although they brought back the winning track.

The team is now preparing for its season- closing meet this weekend, where it hopes to select a number of candidates for the next season. With the graduation of six freshmen, the Bears are anticipating the influx of some strong freshmen plus the return of several key veterans to place them back on the winning track.

Making it look easy are Nora Kenney (top left) and Sue Ganley (upper right and lower left) as they compete against R.I.C.

In the first gymnastics meet held at SSC since 1973, the women's gymnastics team of Bridgewater defeated their counterparts from Rhode Island College 107.10 - 64.70.

The first competition held was in vaulting. BSC bested RIC 27.20 - 20.95. Gail Anderson grabbed first place with a score of 7.25, followed by Diane Newsham (7.0), Sue Ganley (6.50), Sue Moore (6.45), Jean Laliberte (5.6) and Lynne Scott. (5.0).

Bridgewater pulled ahead in the uneven bars competition, outscoring RIC 23.55 - 8.65. Diane Newsham's 6.95 was good for first place, and next for BSC we're Gail Anderson (6.80), Sue Ganley (5.60), Lynn Scott (4.20), Jean LaLiberte and Ann Marie Haefeling (2.45).

On balance beam the Bears out did RIC 28.35 - 14.45. A 7.45 for Sue Ganley was the top score, Bridgewater swept the first 6 places in fact, as Gail Anderson (7.35), Lynn Scott (6.80), Diane Newsham (6.75), Nora Kenny (6.25) and Jean LaLiberte (5.45) all performed well.

In floor exercise SSC finished off the meet by out dueling RIC 28.00 - 19.65 to seal the victory; Sue Ganley took first with a 7.5, Diane Newsham second with 7.2, Lynn Scott third (7.10), Nora Kenny fifth (6.20) and Gail Anderson sixth (5.65).

In the All-around competition, the gymnastics performing in all 4he events, Diane Newsham was first (27.90), and Gail Anderson and Sue Ganley tied for 2nd-3rd places with identical scores of 27.05. Lynne Scott grabbed 4th with 23.10.

This was SSC's last meet of the season, and although Bridgewater's record was below .500, Coach Dayna Daniels stated "I'm really pleased with the team's performance tonight. It was a super way to end the season. I am a little disappointed with the record--I thought we'd have a winning record. But we're gotten better with each meet, and that's what counts."

Looking towards the future, Daniels added "We have no seniors so we're not losing anyone to graduation. So I'd have to say that things look very good for next year."
