"Springfield" A Success

Open Letter to Commissioner: We at Better Bridgeport would like to take this time to express our feelings on the above-mentioned "Springfield" last Saturday at Archbishop Magee High School. The boys' basketball players and their parents were enthusiastic and 1500 seats of what could have been was consumed without any reservation. The general ambiance of the event which was thoroughly enjoyable and well organized by the Commissioner's office. However, we would like to voice our concerns to the Commissioner's office concerning the seating arrangements. It is our belief that the seating arrangements were not conducive to the enjoyment of the game. We would appreciate it if the Commissioner's office could look into this matter.

Term Papers Stolen

Dear Sirs,

I am writing to report the theft of the Junior English term papers, "Humor in the West". I, like many of my classmates, am greatly concerned about this theft. As a result, I have been unable to complete my term paper on time. I would appreciate it if the school could take steps to prevent such incidents in the future.

Bridgewater won last year!
Tennis Finishes Undefeated

The tennis team ended its spring season with a trip to Connecticut competing two rivals, Quinnipiac College and University of New Haven. Bridgewater has had little success in the past against these schools, and the vans left campus Friday morning full of eager yet anxious players. Good humor helped ease the tension while intense matches improved concentration. The trip to Connecticut, despite thunder clouds hanging over the city, began and ended with rain showers. The vans left campus Friday morning full of eager yet anxious players. Good humor helped ease the tension while intense matches improved concentration. The trip to Connecticut, despite thunder clouds hanging over the city, began and ended with rain showers.

At Quinipiac, dard thunder douds loomed above as the match began. About one hour later the downpour began but not until Rich Segal, Joe McDermott, Tom Nieva, and Mike Cobb led captured singles victories. One match short of defeat, coach Bert Kahn of Quinnipiac admitted it would be impossible for his team to win.

The scores confirm this prediction.

1. Mike Cobb (won) 6-3, 7-5
2. Tom Nieva (won) 6-1, 6-0
3. Bob Harrington 6-2, 3-6 (rain)
4. Jeff O'Connell 6-1, 3-6 (rain)
5. Rich Segal (won) 6-2, 6-1
6. Joe McDermott (won) 6-2, 6-3

With just one match left, the team retired to a quiet motel to prepare for U. New Haven Saturday morning. This team had been unbeaten in the past but the team was well coached and the final score was 4-2.

Tennis Year in Review

This year's team has a well-balanced lineup which takes a lot of pressure off each individual. It is not critical since someone else always comes through. Tennis involves a lot of mental pressure, but if you can't depend on your teammates, this added concern diverts your concentration. The next point of your own match, so thinking about winning or losing can actually damage one's performance. Captain Mike Cobb continued, "This was a very big factor in our success, since your mental disposition is so important in tennis."
