The Hill

The Hill is a dormitory located on the campus of XYZ University. It has been recently renovated and expanded, providing more facilities and services for its residents. The Hill is one of the most popular dormitories on campus due to its modern amenities and comfortable living conditions.

The Hill offers a variety of rooms, ranging from single to double occupancy, to accommodate the needs of its residents. The rooms are spacious and well-equipped with comfortable beds, desks, chairs, and storage space. The Hill also has several common areas, including a lounge, kitchen, and study rooms, which are ideal for socializing and studying.

The Hill’s kitchen is fully equipped with modern appliances, including a stove, oven, refrigerator, and microwave. The Hill’s laundry facilities are also state-of-the-art, with multiple washers and dryers available for residents’ use.

The Hill’s location is convenient, with easy access to the university’s main campus and surrounding areas. The Hill’s proximity to the university’s main campus allows residents easy access to classes, libraries, and other academic resources. The Hill’s location also provides easy access to local shops, restaurants, and entertainment venues.

Overall, the Hill is a popular choice for students looking for a comfortable and convenient living environment on campus. With its modern amenities, comfortable living conditions, and easy access to academic resources and social opportunities, the Hill is a great option for students looking to make the most of their college experience.

All-College Committees Announced

Two new all-college committees have been added here at Bridgewater State College according to reports received recently from President Donald R. Nonis, chairman of the Educational Services Council.

The purpose of the development of these committees has been stated as “to recommend to the President a continuing program for the development of new academic programs, and to improve the student advising service.” The procedures for the implementation of the program will be handled by the Student Government Association.

Student Government Association representatives are to be assigned to each new committee, with student representatives serving on both committees and on the executive committee of the latter.

The committees will consist of six student members and five faculty members. The first committee will concentrate on academic advisement, the second on student advising.

Soc. Santa, Elvies Say Thanks!

Last year was an eventful year for the Sociology Club. We made many new friends, not to mention more than a few new foes. The Club held an Easter Raft Race which drew a big crowd and raised nearly $900. The money was donated to the Boys and Girls Club of Bridgewater.

This year, we are looking forward to another successful year. Deep Jones, Director of Housing, is following through on many of his ideas and is inviting the residence halls to submit ideas to their own Housing office. He is also pleased with the new office that has been set up to handle student concerns.

As for the Social Work Club, we are thrilled to announce the opening of the Department of Social Work. The Department is located in the new Administration Building and is open every Monday through Friday from 9:00 AM to 5:00 PM.

There will be a meeting of the Department on Monday, September 19th at 2:00 PM. The meeting will be held in the Administration Building, Room 301.

by Jim Billings

Mass. Maritime's veteran defense proved too much for Coach Mazzaferro's ball club in the opening game Saturday September, 17. The weather conditions were not favorable either with intermittent intervals of rain throughout the day.

With an early injury to sophomore running back Scott Brennan, and an ankle injury to sophomore left guard Ron Ray, the Bears were able to muster only 17 yards rushing.

Jeff Finan had 5 receptions for over 100 yards to lead the passing attack. All 3 quarterbacks saw action with Greg Leachl starting, "Bob Spinney substituting the second quarter and Scott Armstrong finishing up the game.

Maritimes young but experienced quarterback, Tom Civillo (ex-St. John's Prep), scored in the second period and running back Doherty scored shortly after to clinch the victory for Maritime.

The Bears did look impressive defensively, however. Captains Ray Oberg and Gary Mace were key figures along with Jeff Hawkins who was moved from defensive tackle to linebacker.

It looks like the Bears have a strong line behind veteran's Tom Hilse and Tom Woods playing guard and tackle respectively. Joe Verna did a fine job at the guard position.

Congratulations to Dave Hickey who did an excellent job punting in replacement for graduate "Toe" Bill Flaherty. Hernoni Bronco, a soccer style kicker didn't have a chance to score, but don't count him out this Saturday by "a core of GOOD

LUCK BEARS in your bid for the Conference crown 1977'.

The Sports Review

Boston College, like any other university, has a rich tradition of athletics. The basketball team, for example, has won numerous conference titles and has produced several All-Americans. The football team, on the other hand, has struggled in recent years. The soccer team, however, has been a constant force in the conference and has produced several talented players.

**Editorials**

Once upon a time, we were all gathered to make up those old accounts on the computer. What a remarkable memory! Those days are now gone. Things have changed. The world has moved on, and so have we.

**Letters**

Welcome from the Catholic Center

Dear Friends,

Each day there are special times when the lobby, calendars, and corridors of the center are filled with people who have something to say. The Catholic Center at Brockton High School is a place where ideas are exchanged, and conversations are had. It is a space where people come together to share their thoughts and experiences.

**Thanks**

There are many people on our campus who go about their business, but without them, our college would not be what it is today.

### The Hill

The Hill dormitory is located right in the middle of the housing area. The Hill is a three-story, brick, gabled, dormitory with a central tower. The building has taken on a new look recently. The new set of windows installed has made the Hill look more modern. The Hill offers a variety of living spaces, from single rooms to suites. It is a popular choice among students for its comfortable and well-equipped facilities. The Hill dormitory includes a common area, residential lounges, and study rooms. It is a great place to make new friends and participate in campus activities.
