To all concerned clubs, organizations, departments, and students of Bridgewater State College:

This is to inform you that the Brotherhood of Alpha Upsilon has taken upon itself to furnish the College Community with an Annual Homecoming Queen.

We are now seeking nominations from any area of college life, provided that the choices are substantiated, and deserving of sincere consideration. Each nominee must fulfill requirements in the areas of:

1. Social Involvement
2. Appearance
3. Personality
4. Popularity

A ballot vote by the student body will limit the number of nominations to 5. These 5 will be selected by the committee consisting of three alumni, three faculty, and three students. Due to the Brotherhood's organizational involvement we do not control the final decision one will nominate or suggest to nominate any student.

Nomination papers can be picked up at the Brotherhood of Alpha Upsilon Fraternity House or Information Service on Campus Union and must be returned by Oct. 31. Final selection will be announced at halftime of the football game at the Bridgewater-carrying the banner.

The tradition of Homecoming continues with the Brotherhood, as well as many other departments and organizations.

Field Hockey Splits

by Cheryl St. Onge

On Saturday and Sunday, the Bridgewater State College women's field hockey team played two games at UMass. In the first game, Bridgewater had been shut out in a 3 to 0 loss, but the Eagles avenged that loss with a 2 to 1 win. The team, ranked 19 in the nation, played well throughout the game. In the second game, which was played on Sunday, the Eagles were more dominant, winning 6 to 0. The women's field hockey team is part of the Massachusetts Sports Commission and the New England Intercollegiate Women's Sports Association. Bridgewater State skated to a 1-0 victory in a scrimmage game against the University of Rhode Island Friday evening, consistently outshooting, out hitting, and outskating the URI team.

The Bears, before a crowd of 250 fans, gave the URI Rams a sample of the Bridgewater hustle and bump as they totally dominated play in the first period of play. Yet, BSC just could not beat the URI goaltender. We went scoreless throughout the period despite the Icemen's 31 shots on goal.

In a 10 minute second quarter, BSC and URI bounced back and forth with possession of the puck. The Bridgewater defense butted the Rams about handling any attempts by URI to gain control.

The third period, BSC saw red! Turning the heat on, firing a total of 36 shots on goal, the Bears finally put one by the URI goalie as Jake McDermott dug the puck out of the corner and passed to Paul Kelly, who then drilled a slapshot that was tipped into the URI net by right wing Ed Dalton. He scored the only goal of the game.

URI came up with a short rally, but was once again squashed by the BSC defense sending the Rams back to the hills scoreless.

BSC will be playing its second scrimmage game Saturday evening on Oct. 29 at 7:00 p.m. against Merrimack College at Merrimack.

Announcements

p. 3

To all concerned clubs, organizations, departments, and students of Bridgewater State College:

This is to inform you that the Brotherhood of Alpha Epsilon has taken upon itself the chore of furnishing the College Community with its Annual Homecoming Queen.

We are not seeking nominations from any area of college life, provided that the choices are substantiated, and deserving of sincere consideration. Each nominee must fulfill requirements in the areas of:

1. Social involvement
2. Appearance
3. Personality

A ballot vote by the students will limit the number of nominations to 5.

Three 1/2 hours will be spent by the committee consisting of three alumni, three faculty, and three students. Due to the Brotherhood's organizational involvement we do not control the final decision one will nominate or suggest to nominate any student.

Nominations papers can be picked up at the Brotherhood of Alpha Epsilon Fraternity House or Information Center. The election will be held on Friday, October 28, 1977. All those interested in nominating someone should check with one or more students here at the SA or save their nominations for the day of the election. The originals must be returned to the SA by this Friday.

W.B. Stenger, Acting President.

Day of Fast

In order to interpret the situation being issued to members of our college community, we should realize, subconsciously and consciously, that we are living in a world in which love is the only way to live. Our suffering stems from the fact that we don't know it.
