Administration

Harke - Und. Major Advisor
The Rathskeller at Bridgewater State College is certainly one of the finest and unique college Rathskellers or pubs in New England and perhaps in the country.

To the average customer it is a comfortable concept which to have a beer, relax, have dinner, and a place to meet friends. To those who have tried the Rathskeller's development since 1972, its history, policy, and future development is a critical area, and we are continuously engaged in a series of town meetings, local civil and church organizations, discussions and legal battles which eventually through a series of events and changes involved, resulted in our acquiring the license we presently have. During the two years without a license, our discussions with many people involved a number of points to which we still subscribe. For example, none of us who operate the Rathskeller think it is a place simply to make money. The Rathskeller is a place primarily for the social needs of many Bridgewater students. Since these needs are varied, the "Rat" tries to offer something for everyone. Thursday, Friday and Saturday nights are traditionally "party" nights. The accent is on rock and roll entertainment frequently with live performing bands. The atmosphere is that of a real bar with dark, low-lighting, video jukebox, and dancing. The "Rat" is a place in which we have tried hard to make the "Rat" a place where people will come to have a good time.

The Rathskeller, like most Student Union programs, can only operate with your continued active support. We ask each and every student to give his/her support and appreciation to the Student Union and the Rathskeller personnel and facilities. As recent alumni return, they invariably comment on what the Student Union and the Rathskeller personnel and facilities have meant to them. Each and every student should remember that, in a real sense, we are all students of the Student Union and the Rathskeller. Make the Student Union and the Rathskeller your source of enjoyment and pride.

Sincerely,

Helen Lessard
Manager of the Student Union

THE RATHSKELLER HOURS:
Sunday-8 pm - 11 pm
Monday-Thursday-4 pm-11 pm
Friday-4 pm-midnight
Saturday-8 pm- midnight

Our Student Union and Rathskeller have been called the "Best in the East," and have been a source of enjoyment and pride since their opening. The Rathskeller in particular has become one of the most popular places for the Bridgewater community to socialize, enjoy a wide variety of entertainment and good food and drink. Our Student Union and Rathskeller personnel and facilities may have the enthusiastic support and appreciation they richly deserve.

Again, thank you for your participation in the enjoyment of and pride in our Rathskeller.

Mike Lucey and Helen Lessard
The Rat—

Finest in New England

The Rathskeller at Bridgewater State College is certainly one of the finest and unique college Rathskellers in New England and perhaps in the country.

To the average customer it is a comfortable concept to which to have a beer, visit, hard drive, and a place to meet friends. To those who have best the Rathskeller's development since 1972, in history, policy, and labor development is a critical area, and we can continue (the Bridgewater State College) as we have done for United States, free in its success or failure.

When we first opened a few years ago, with opposition from a neighborhood group who felt that the Rathskeller should produce only apples, establishments, and social functions which eventually (the socially conscious, involved, results in an untested, or not as a response, our discussion with a number of people in whom we still subscribe. For example, one of the women who serves the Rathskeller, they like it in a place no man is, who served the Rathskeller, she is a place where we would like to be a part of the Student Union and so, college community. It is important to understand the social atmosphere of our college and in a real sense, the police, the Rathskeller staff, the Student Union Board of Governors works hard and develops policies for operational concerns, inventory, cash handling, purchasing, bookkeeping, standards of cleanliness, and conditions of employment, and establishes policies for employees. Rathskeller serves security and management who are directly part of the Rathskeller for more than just customer service in a bar. They all would be for any bar of this type of controlling many bars, or college bars in general, in a large, empty, dark room. This would be a waste of too many people's effort.

The Rathskeller at Bridgewater State College is a place where many college students go to study, meet friends, and socialize. There are many reasons why the Rathskeller is so popular among college students. For one, it is a place where people can go to relax and unwind after a long day of classes. Additionally, the Rathskeller offers a variety of food and drinks, making it a popular spot for socializing.

The Rathskeller has a long history at Bridgewater State College, and it has continued to evolve and improve over the years. The current Rathskeller, which opened in 1972, is a modern, well-equipped facility that offers a variety of food and drink options, as well as a comfortable atmosphere for students and faculty.

Our Student Union and Rathskeller have been very popular in recent years, and we have seen a surge of new and returning patrons. The Rathskeller is a place where people can come together, enjoy good food and drinks, and have a good time. We are always looking for ways to improve our services and facilities, so please let us know if you have any suggestions or ideas on how we can make the Rathskeller even better.

The Rathskeller at Bridgewater State College is open seven days a week, from 8 am to 2 am. We offer a wide variety of food and drink options, as well as a comfortable atmosphere for students and faculty.

We are always looking for ways to improve our services and facilities, so please let us know if you have any suggestions or ideas on how we can make the Rathskeller even better.

Sincerely,

Mike Lucey and Helen Lessard

Dear Friends,

The Catholic Center is that Community of Believers — Faculty, Administration, Students, Staff and Neighbors — who are part of this Campus where we eat and sleep, study and play, worship and pray, love and live.

The Center is a religious, cultural, and academic place — a Community — where, in a special way, we become aware not only of ourselves, but aware of one another.

With all, we want you to know that the staff at the Catholic Center is ready to serve you at any time. You are the reason we are here. We will be happy to respond to any questions you have about the Church, or to lend a friendly ear in time of need. So, feel free to drop by, and get to know us.
