In Memory of Susan Katzki

On April 21, 1978, Susan (Cardosa) Katzki, 21, died of a heart attack. She was a senior at the University of Massachusetts,Amherst, where she was majoring in Spanish. She was survived by her parents, Mr. and Mrs. Daniel Cardosa, her brother, Joshua, and her maternal grandmother, Mrs. Maria Cardosa.

Susan Katzki was a very kind and pleasant young woman. She was employed at K-MART in Dartmouth Public Schools, before transferring to the University of Massachusetts. She was a member of the Class of 1979, and was a member of the Student Government Association. She was also a member of the University of Massachusetts Women's Basketball team.

In her final words, Susan Katzki reiterated her love for her family and friends. She said, "I love you all, and I'm going to miss you. Please take care of yourselves and do what you love."

Under the Constitution, the most lengthy, discussed and important of Tuesday's meeting was the issue of having political candidates come to SBC and debate. This debate would be open to all registered students and would be moderated by the SGA. The debate would occur in the administration building. The purpose of this would be to increase student interest in the upcoming election. There was much disagreement and debate on this issue, but in the end the motion to have the debate was defeated.

Announcements

The last thing on the agenda of Tuesday's meeting was the sale of tickets for the upcoming home game. The tickets are available at the College Union Building on Monday and Tuesday at 3:30 p.m. and Wednesday at 3:00 p.m. They may also be purchased at the College Union Building on Wednesday at 3:00 p.m. The tickets are $2.00 for students, $3.00 for faculty, and $5.00 for non-students.

The Apartments are Great

By Thomas Heath

The apartments offered by the College Union Building are a great alternative to living on campus. The apartments are located on the upper floor of the College Union Building and are available for any student who wishes to live off-campus. The apartments are spacious and well-furnished, with full kitchens, bathrooms, and living areas. The rent is $60.00 per month, and includes all utilities. The apartments are available to students of any major, and are a great option for students who want more independence than living on campus allows.

Other events at SBC include the annual alumni reunion, which is held on the second Saturday in September. The reunion includes a dinner, dance, and various activities for alumni and their families. The College Union Building is also home to several student organizations, including the Debate Club, the Art Club, and the Music Club. The College Union Building is a great place to be, with something for everyone.

Bruce Springsteen
In Concert

by Doug Schorr

Bruce Springsteen, a rock musician who represents the Springfield Civic Center last week, is mentioned as a singer who is/was "not on radio...". Some people think of him as a greaser while others think of him as a performer who has an enormous presence and not on distractions. Just by looking at him, you can see that he is a true star. Bruce Springsteen is a man who has given so much of his life to music. On this night, Springsteen started his concert by playing a song from his early 60's number 1 hit, "Rosalita" which he told the crowd "to have fun with." "Twisting the Night Away" was one of the older songs, "Brooklyn Bred" which is a favorite among Bruce's fans, as well as the community at large.

In some people's minds, he is reality. In some people's minds, he is an ideal adult play for puppets, 'the Hobbit' is no different. Bruce Springsteen did three encores and finished the three-hour concert with a song which he told the crowd "to have fun with," "Twisting the Night Away" was one of the younger songs, "Brooklyn Bred" which is a favorite among Bruce's fans, as well as the community at large.

BUSCH Comfort is crucial. If you don't know how to choose the right chair, then you're not going to get the proper comfort. Make sure you know how to choose the right chair before you purchase it. The most important thing is to choose a chair that is comfortable and that feels good. If you don't feel good in the chair, then it is not the right chair for you.

The right chair should be able to support your body and keep you comfortable. It should also have good back support and be adjustable so that you can change the angle of the chair to suit your needs. If the chair is too firm or too soft, then it is not going to be comfortable for you.

In addition, the chair should be able to support your weight and be able to hold a large range of positions. If the chair is too heavy or too light, then it is not going to be able to support your weight.

Finally, the chair should be able to be easily cleaned and maintained. If the chair is difficult to clean, then it is not going to be a good choice for you. If the chair needs to be washed every week, then it is not going to be easy to maintain.

The best way to choose the right chair is to try out a few different chairs and see which one feels the best. Make sure you try out the chair from different angles and positions to see how it feels. If you don't feel comfortable in the chair, then it is not the right chair for you.

Since 1795 we’ve gathered our Blue Maguays for Cuervo Gold the gentle way.
It's the old way. And still the best.

At Cuervo we know that there is only one way to make Cuervo Gold perfect. The way we’ve been doing it for more than 150 years.

That’s why people still nurture our fields of Blue Maguay plants. And why muses are still used to bring these precious plants to our distillery. For tradition is still the most important ingredient in Cuervo Gold.

This is what makes Cuervo Gold truly special. Next, on the rocks, with a splash of soda, in a perfect Sunday morning.

Cuervo. The Gold standard since 1795.

Bears Have Shot at NEC Title

Ready to lead Bridgewater Bears in the '78 football season will be (L-R), co-captains Don Cann and Scott Armstrong.

Injuries will be key

Bears Have Shot at NEC Title

In the President's Report to the General Faculty, Pete Mazzaferro, President of the College, announced the 1978-79 season and the addition of 12 new faculty members for the 1979-80 Academic Year.

The faculty promotions were significant and becomes effective on August 27, 1978. The staff includes new Assistant Professors, in full use, 1978-79.

Armstrong will be (L-R), co-captains Don Cann and Scott Cann make the Bridgewater Bears odds-on choices to covet first place come mid-November.

In the backfield, the Bears should be as formidable as the lawmakers in the national capital. Tailback Al Colarusso, who last year ran for 1,463 yards, will again be the cornerstone in the Bears' offense. Left end Tom Hart, left tackle Mike Mazzaferro, right tackle Paul Spinney, center Bob Colangelo, and Joe Verri all bring experience to the offensive line.

Injuries, when they occur, will be a problem for Pete Mazzaferro, President of the College, who must be particularly concerned with the backfield. Inside linebacker Glen Allard, outside linebacker Tom Littlewood, and John Gallant, when healthy, should fill in at left tackle where Allard, Littlewood, and Gallant, when healthy, should fill in at left tackle.

OFFENSE: MULTIPLE-I

If the Bears are to be a good team, as Pete Mazzaferro hopes, the quarterback will be Bob Colangelo. When you talk about experience in the backfield, you are talking about Bob Colangelo. Colangelo, with the experience of three years as quarterback, has one year of experience as a starter. He is a good passer, good thrower, and good maneuverer. Colangelo has an arm good enough to take advantage of the receiving corps. The Bears' passing attack will be effective against most defenses.

The Bears have a good running game, but it will be necessary to have a good running game to overcome defenses.
