April Fool!

If you haven't guessed by now, you have in your hands the all-new, exciting April Fool supplement to The Comment. Working behind the scenes, a horde of the college's students, faculty and administrators worked hard to create a magazine that would serve up a blast of fresh ideas and humor. We hope you will enjoy it as much as we enjoyed putting it together.

Commentary

I fail to understand how a course structured in my summer at last year's IMC Computer that was hostile and negative toward students. The group was led by a professor who did not miss an opportunity when he offered "B.S.C. Administration as an enemy of the people". The administration, who had demanded the statement and had agreed, shut down the discussion. The last discussion was cut short, and the students present left in a state of confusion and despair.

The administration had just announced that the new courses will be closed to students. Dr. Walter Wallcarpeting is chiefly responsible for the additions, tells us. Drillinq 356. That s/;0uld be a gas!

A seldom used Student Union torture chamber has been cleaned and remodeled into yet another service offered here of B.S.C. The Student Union Torture Chamber will open Monday April 2nd. The chamber offers the best in sadomasochistic delights, such as leather goods, chains, humiliation devices, to name a few. The chamber is staffed by trained employees, trained in the art of humiliation, bondage, discipline, sadism, and masochism. All equipment is made of high-quality materials, and is available in a variety of colors. The torture chamber is located on the second floor, next to the commuter store.

Six hundred students from Great Hill School returned Sunday night from their spring break in the free world with their heads missing from their own bodies. All other volumes were still in their rooms. This is something that would have been impossible to imagine from any of the late 70's, as the administration feared that those students would be seen as a threat if they were allowed to go. In the end, they were able to do so, but it was a very close call.

The minimum wage argument was a dead end. Every D.O.'s at the time were receiving minimum wage to begin with. Any increase in the wage would not have been noticeable to them.

I was wrong ... absolutely, completely, much more than a little bit. The facts were not in my favor ... not even close. My figures, both financial and statistical, were wrong and for this...

The Bridgewater State College Bears netted their first victory of the 8 month old season today by beating the Bridgewater State Bears by a score of 76-75.
