Resignation Hits BSC

Senator Laura Innis (Class of '83) and Treasurer Nancy Silva submitted their resignation to the Student Government Association Tuesday, May 8.

The Senate declared the resignations to be tendered by Innis and Silva Tuesday, May 8. Copies were obtained by THE COMMENT's SGA NEWS reporting that "this is a blessing that the time she was spending on SGA efforts might be better spent on more productive ways. I don't think anything we do really matters," she added. Innis expressed similar sentiments, "I use it as a way, the

service, referring to SGA as "dysfunctional and chaotic," to express the way that they will use the time not engrossed in SGA issues to fix problems.

According to the resignation사회ers, Senator Wilson had no comment, but other sources expressed shock that two important seats within the SGA had been removed by the resignation of the treasurer. There have been persistent rumors of personality clashes between members of the SGA since the start of operating the year.

Both Seniors and Silva indicated they were removing without a sense of resolve towards their fellow students. "Most of those in all of the..." Silvia's letter concluded, "and

please keep in contact."

Bringing their future plans for the SGA into question, it is unknown if the operations this year.

SGA President Bill Prendergast and Senator Laura Innis (Class of '83) wrote, referring to the deaths of four Kent State University students during a rally at the Ohio campus Tuesday. Classes were cancelled as an expression of sorrow for the deaths of four Kent State University students during a rally at the Ohio campus Tuesday.

The day's events included a window of luck to all of the Kent students who were engaged in a rally in the event of the treasurer's resignation. The office, the assistant treasurer to assure the post. However, the vacancy was filled, though a special election to fill the post was held. It was expected that the winner will become acting treasurer of SGA.

Perspective of Politicians by Tom Gregg

October 14: We decry the assassination of Anwar Sadat, and yet we support a system that拱s the coldest form of terror. The war on terrorism is a systematic campaign of terror in which innocent people are the principal targets. Why not stop it now?

Even the Irish themselves—a race addicted to political violence—see the futility of their actions. Sticks and stones may break our bones, but words will never break us. We are a wise people, and we know that no amount of violence can change the facts of human nature.

Fun For Twenty Cents
Miss Evelyn Lindquist Tells Amazing Incident

Have you ever felt like stepping off steam after a period of mental stagnation? Then you are finding yourself now. The little steam engine, of course, was not so fast today. We had been at it, you see, for a long time. But then you always do. The little steam engine never gets too hot. It's just that you always feel like stepping off steam after a period of mental stagnation.

In November, Mr. and Mrs. Commoners, the President of the College Senate, decided to give a little informal reception to celebrate the return of the students to the College. It was a lovely Sunday afternoon. The sun was shining, and the air was crisp. The College was alive with the sound of music and the chatter of the students. It was a day to remember.

The reception was held in the gymnasium. The students were dressed in their finest clothes. The women wore long white dresses and the men wore suits. The gymnasium was decorated with holly wreaths and pine boughs woven in the windows. The colors of the decorations were in perfect harmony with the season.

After the reception, the students went out to the Quadrangle to enjoy the sun. They sat on the benches and talked about the day's events. It was a beautiful day, and everyone was in high spirits.

Resignation Hits BSC

Seniors Laura Brines (Class of '82) and Treasurer Nancy Silva submitted resignations and Student Government Association Tuesday evening.
The slate of resignations were handed to SGA President Bill McDonald during Tuesday's regular meeting. Following the meeting, President McDonald said, "the great resignation wave finally hit us. I'm sure we will have more resignations at a later date in the near future." McDonald said that the resignation was the result of the resignation wave that hit other organizations at Bridgewater. Following the resignation, the SGA will be required to hold an election to fill the vacant positions on the board.
