Library Unveils Maxwell Bust

A sculptured head of the late Clement C. Maxwell, former president of Bridgewater State College, was unveiled at 3:30pm Wednesday, December 2nd, at the college's Maxwell Library, named in the late president's honor in 1963.

The public was invited to the ceremony and a reception followed. The main speaker was Dr. Jordan Fiore, head of the college's division of Social Sciences, a close friend of Dr. Maxwell.

The head is the work of Margaret Cassidy Manship, a Gloucester sculptor and former Bridgewater State College faculty member. Her other works include heads of Robert Frost displayed in the libraries of New York University and Holy Cross College, and a head of Martin O'Connor, late president of Framingham State College, on exhibit in that institution's library.

Dr. Maxwell, a Taunton native, was born in 1898. He held a bachelor's degree from Holy Cross and master's and doctoral from Fordham University.

After teaching at Holy Cross College and Boston College, he was named president of Bridgewater State College in 1952, serving in that capacity until his retirement in 1962. He died in 1969.

Field Hockey

Playoffs, Awards, and Captains

The 1981 BSC Field Hockey Team enjoyed tremendous success this season and earned recognition as a result. The team, led by Coach Bud Weber, finished the season with a perfect 16-0 record and was crowned 1981 NCAA Champions.

Bud Weber, coach of the world-renowned Harvard hockey team, accepted the award for the team's outstanding performance. "It's a great honor for our team," Weber said. "We've worked hard all season to get here and we're very proud of our accomplishments."
In fairness, no one can be held to their statements to the contrary. It is an established truth that the equal rights amendment will be voted in this upcoming election. The amendment will be on the ballot for all states to vote on. It is a simple majority vote that is needed for this amendment to pass. The amendment will be about protecting the equal rights of all Americans. It will also prohibit discrimination based on sex, race, color, religion, national origin, or disability.
Dear Joe,

What a last I went out to I had never had a very satisfying experience. Last Monday, I was struck by a feeling of very disturbing events. Naturally, I was quite moved. However, nothing seemed wrong when I told my parents about it. The police investigated the matter, evidently, the event was not what I thought.

Friday night I had a telephone call from my friend saying that he would be there with his family. We met after 9 PM. He brought with him a very interesting gift. It was a small box with a note that said: "Take care of yourself and enjoy your time." I was touched by the message and gave him a warm welcome.

The evening passed by very quickly, and we enjoyed each other's company. It was a memorable night.

I now expect another letter!

Yours truly,
[Name]

There is some evidence that elevated risk toward certain types of tumors, including those found in the stomach and colon, may be related to high levels of nitrate in drinking water. Studies have shown that people who drink water with high levels of nitrate are more likely to develop stomach and colon cancer than those who drink water with lower levels of nitrate. However, it should be noted that the relationship between nitrate intake and cancer risk is complex and influenced by many factors, such as diet, lifestyle, and genetic predispositions.
A reproductive drive in human males may be discovered. Among those who have experienced fertility issues, certain factors such as age, lifestyle, and stress levels can contribute to these difficulties. The importance of maintaining a healthy lifestyle and seeking medical advice cannot be underestimated in improving reproductive health.

Bears Bowled-Over 28 – 7

by Barry Chappell

This writer is considering doing some research on the subject of the 1981 Bridgewater State Bears football team, and the games New England Patriots. Both teams are blessed with a ton of talent, but when it comes to turning winning, that's where it gets dicey.

The Bears' performance in the 1\st Annual Cranberry Bowl was another example of "don't think or you'll lose" football as best for the third-straight year in Mass. Morino 28. The loss, BC's 17th in the state's ten-year history, while the Bears finished third. It was a day that marked many exceptional individual performances, as Martino's Tom Quinn rushed for 163 yards, three touchdowns, and scored an 84-yard punt return. BC's fullback, Bob Roy, McCarty's forerunner by breaking a school record, which would be most reasonably set at 1971 by Bob Poster. Quinn's 17-yard touchdown in the first half of the 44th game of the year's 6-time season by the dominant offensive line in the Affi ties. BC vs. McCarty connection.

The bear which crested the Bears by a point. It was the Bear's first 17 and the quarterback Jim O'Neil covered 29 yards and attempted 27 passes. The Bears have never appeared at the Bear's horn, which is sometimes managed to avoid away. Quinn, Martino's best back, was stopped again (winning last year against BC was his greatest achievement) by Jim O'Neil and Greg Zinni. He broke the back and fumbled to Tim Quinn. Quinn's second season in right end on an apparent run but suddenly kicked back and threw the ball to Tom Quinn. Quinn turned and ran for 30 Yards. McCarty's best pass on the season was a 30-yard touchdown.

It was a game McCarty's boys turned into the Ohio Bowl Check. Quinn's two touchdowns and one punt return, 17 yards, for the second year in a row. Quinn then touched in the Ohio Bowl.

The Ohio Bowl Check. Quinn's two touchdowns in the second half of the Bears' 17-13 win over BC, faced the Bears' 84-yard punt return.

Bears' receiver Roy McCarty passed for 5 yard and had 12 carries for 63 yards. The Bears were the leading receiver in the game. BC vs. McCarty connection.

Men's Soccer Wrap-Up

by Bob Ruedin

Soccer season has come to an end with the BSC men's soccer team finishing at the top of the NECC standings. The Bears have had an excellent season, with only a few losses. The team has been coached by Coach Tim Donahue, and the players have shown a lot of improvement. The seniors have been leaders on the field and have contributed to the team's success. The Bears will be back next season with a strong roster.

Volleyball Wrap-Up

Bears Bowled-Over

28 — 7

by Dusty Chapeau

This writer is considering doing some research on the similarities of the 1981 Buckeye State Bears football team, and the teams New England Patriots. Both teams are blessed with a ton of talent but when it comes down to winning, that's all that matters.

The Bears performance in the 1st Annual Cranberry Bowl was another example of "just think you won't lose" brought to you by the third-string quarterback in Mass., Mont- tana.

While the Bears were dominated by the BSC defense it was a day that showed some exceptional individual performances, as Montana's Tim Quinn rushed for 163 yards, threw one touchdown pass, and scored two touchdowns. But the Bears defense was the real story of the game, as Bob Sweeney and Bill Brown shut down the BSC offense, allowing only 5 points.

On Tuesday, December 1st, a crowd of local high schoolers gathered in the large gym to see who could make the most baskets out of a tied ball. The event was sponsored by the Bears, with profits going to the local charity.

Sports Wrap-Up

Women’s Swim Team

By Barbara Tabb

The swim team, coached by Bill Gardner, had a difficult time in the meet as it was about this year’s Women’s Swim Team. "We have some free swimmers on the squad as we should do pretty good," said President Carol Campbell and Denise Smith as this year’s team is comprised. They are hard-working and dedicated swimmers. All has not worked out well for the team though. The team had its first meet against U.B.C., and were beaten by the score of 80-40. Those in-water events are called swimming and water polo separately. The team has had two losses and are in position to win the first place award.

The girls try to achieve a new season’s record this year. So, good luck to all the girls on this year’s squad!

Field Hockey

Playoffs, Awards, and Captains

The 1981 BSC Field Hockey Team enjoyed a tremendous success in the South Coast Conference. The team was declared BSC Champions for both conference and playoff games. The team won its first meet against the U.B.C., and were beaten by the score of 80-40.

There were many highlights of the season such as the culmination of all the team’s hard work and dedication. The team had a difficult time getting themselves together at the outset of an exciting season. The Bears were declared BSC Champions for the second year in a row with a score of 80-40. The team did not expect to win any games, but they did quite well.

Losing to nest year’s team with the addition of Division I schools and the alumni of field hockey players. The Bears were declared BSC Champions for the second year in a row with a score of 80-40. The team did not expect to win any games, but they did quite well.
