GREEK WEEK '85

By Sheldon Kraus
Contributing Writer

The First Annual Great Olympics was held April 25th-27th with Phi Delta Theta capturing two points over their closest rival, Sigma Chi.

Three events were held on Monday. The golf, held at Foot Erie Country Club in Waukesha, was won by Phi Psi Delta. Greg Geiman and John Lewis. Two events took place inside the Kelly Gym, the softball accuracy throw, won by Colleen Tierney of Phi Delta, and the flipper relay, won by Sigma Chi, in a race of ten. George Goudy, Max Weber, John Dehoff, and Jack O'Brien.

Tuesday's competition was won by the trio of Jim Bonola, Mike Taney, and Colleen Tierney of Phi Delta. At the end of the second day of the Games, the scores were Phi Delta 45, Sigma Chi 11.

On Wednesday, Phi Delta Theta crowned their lead in 35-45 by winning the egg toss at the hands of Nancy Collins and T.J. Lafferty. That night at the Wooden Nickel, with shots of "The Boxer," the Greek Banana was won by Phil Omeg. The Phi Pi Delta 70, Jeanette Humphreys of Kappa Delta. The only event that was held outside was the Chili Bowl, won by Phi Pi Delta 37.

Wednesday's competition was won by the trio of Jim Bonola, Mike Taney, and Colleen Tierney of Phi Delta. The Final scores:

Monday:

Phi Delta Theta: 45
Sigma Chi: 11

Tuesday:

Phi Delta Theta: 70
Sigma Chi: 50

Wednesday:

Phi Delta Theta: 60
Sigma Chi: 65

Thursday's competition was won by the trio of Jim Bonola, Mike Taney, and Colleen Tierney of Phi Delta. The only event that was held outside was the Chili Bowl, won by Phi Pi Delta 37.

Thursday's competition was won by the trio of Jim Bonola, Mike Taney, and Colleen Tierney of Phi Delta. The Final scores:

Monday:

Phi Delta Theta: 45
Sigma Chi: 11

Tuesday:

Phi Delta Theta: 70
Sigma Chi: 50

Wednesday:

Phi Delta Theta: 60
Sigma Chi: 65

Thursday:

Phi Delta Theta: 65
Sigma Chi: 60

Phi Pi Delta 37

Final score: Phi Delta Theta 215, Sigma Chi 120.

The only event that was held outside was the Chili Bowl, won by Phi Pi Delta 37.

Friday's competition was won by the trio of Jim Bonola, Mike Taney, and Colleen Tierney of Phi Delta. The Final scores:

Monday:

Phi Delta Theta: 45
Sigma Chi: 11

Tuesday:

Phi Delta Theta: 70
Sigma Chi: 50

Wednesday:

Phi Delta Theta: 60
Sigma Chi: 65

Thursday:

Phi Delta Theta: 65
Sigma Chi: 60

Phi Pi Delta 37

Final score: Phi Delta Theta 215, Sigma Chi 120.
To the Editor: I am a reporter and look forward to receiving your comments and stories for publication. At this time I would like to say thank you to all those who have worked hard regardless of whether its been in the paper or not.

J.J. Burton: for keeping a firm grip on your work, even after I know you actually wanted to be left to do nothin'.

Jeff Nunnemacher: a wonderful place to have dinner on any given night.

Dr. Bird: the minutes always up to the minute and right on time.

Nadine Loeber: for the maunfactuer of the best teddy bears.

Richard Mathieu: for making us feel number one. Much, much more.

To any of the students:

I would like to express my appreciation to all the students that have written to me throughout the year. Many have written with excellent grammar and a great grasp of the language. A number of students have written with a great deal of emotion and have written about issues that are very important to them.

To the new students:

I would like to welcome you to the University of Colorado at Denver. I would like to wish you all the best of luck in your future endeavors.

To the Editor...

This is my first official letter to the editor, and I must say, I am quite impressed. The layout and design are clean and professional, and the language is clear and concise. I am a huge fan of your publication, and I am excited to see where this publication will go in the future.

Sincerely,

Kappa Phi Omega

Dear Editor,

I am writing to express my concerns regarding the recent article on the SGA's plans for the upcoming school year. As a member of the Student Government Association, I believe it is important to discuss the implications of the proposed changes.

Firstly, I am concerned about the allocation of funds. The article mentions that the SGA plans to allocate a significant amount of money for various projects, including a new student center and a new athletic complex. While these are certainly important initiatives, I am worried that the SGA may be overlooking the needs of other students.

Secondly, I am concerned about the role of the SGA in decision-making. The article suggests that the SGA will have a significant say in the decision-making process, which is concerning. As a student, I believe it is important for students to have a say in the decision-making process, but I am concerned that the SGA may be overstepping its bounds.

In conclusion, while the SGA's initiatives are certainly deserving of consideration, I believe it is important for the SGA to ensure that it is being inclusive and transparent in its decision-making process. I am hopeful that the SGA will take these concerns into account as it moves forward.

Sincerely,

[Signature]
Forensics’s Results

The Bridgeswat State Forensics Society recently conducted the annual C.C. Whiteham Human Communication Speech Competition. Speakers were required to deliver a five to six minute speech, and judges scored the performances.

The winners were:
- Third place: Mike Bolton
- Second place: Ryan Southworth
- First place: Eric Johnson

Congratulations are in order for all the participants and we look forward to future competitions.

Busy Semester

This semester has been a busy one for S.A.M.S. members. Virtually every student is currently doing their internships, which means that they are here at least two days per week. Ms. Silva is an intern at the Activity Therapy of Children’s Hospital in Boston while Mr. Amadio is an intern at the Aquaplace Program and also supervises the Speech Pathology Certification grades 1-2.

Mr. Amadio is a senior from Hanson, majoring in Physics with a minor in Education. He is currently doing his internship in the Aquaplace Program and also supervises the Speech Pathology Certification grades 1-2.

More than 2200 students have been involved with the internship program. This is due to the efforts of our National Federation of Professional Career Clubs (NFCPC) which is our highest honor for students who complete the NFCPC internship program.

The Bridgeswat State College Forensics Society held a barbeque on Sunday, April 24, in which they raised $10,000 in scholarships outstanding Bridgeswat students. The students were hosted by Mr. Jayne Rose, the President of the Society, and a few students.

Dr. Gend T. Indulica, Chair of the Bridgeswat State College Forensics Society, presented the check to Dr. Georgia Finely for her research paper. This paper, which was written by the student of the College, was presented for the completion of a memorial Japanese Garden in Dr. Wall’s name in the college grounds.

ALUMNI AWARD $32,000 IN GRANTS, $10,000 IN SCHOLARSHIPS

Busy Semester

It’s on the town, and all around. The group traveled uptown, downtown, and everywhere in between.

It is with great pleasure that the Theta Chapter of the S.A.M.S. is proud to announce that it has contributed to the education of the Little Raynham Regional High School. The Chapter is proud to announce that it has contributed to the education of the Little Raynham Regional High School.

The group consisted of two vans that were to take them to New York City. The expedition was lead by one, Mike Romano, the President of the S.A.M.S. The expedition was lead by one, Mike Romano, the President of the S.A.M.S.

The students met at the Union Bank to head into the Concrete Island.

The financial center of the nation—Wall Street, the Dow Jones and the Federal Reserve Bank are all within walking distance from the Theta Chapter.

The money that the Theta Chapter contributed was for two internships: Mike Romano, the President of the S.A.M.S., and Silvia and Domingo Amadio. The latter two are currently doing their internships in the country.

Ms. Silva is an intern at the Activity Therapy of Children’s Hospital in Boston while Mr. Amadio is an intern at the Aquaplace Program and also supervises the Speech Pathology Certification grades 1-2.

Mr. Amadio is a senior from Hanson, majoring in Physics with a minor in Education. He is currently doing his internship in the Aquaplace Program and also supervises the Speech Pathology Certification grades 1-2.

During the trip, students had the opportunity to visit many famous landmarks in New York City, including the World Trade Center, the Twin Towers, and the Statue of Liberty.

The trip began with President Romano heading the group to one of the finer dining establishments for dinner. The expedition was lead by one, Mike Romano, the President of the S.A.M.S.

The students woke at sunrise and took advantage of the pool and other amenities offered throughout the weekend.

After a lively and educating weekend in New York City, the expedition was lead by one, Mike Romano, the President of the S.A.M.S.

“It’s on S.A.M.S.”

Fourteen members of the club S.A.M.S. spent an enjoyable and educating weekend in New York City. The expedition was headed by Mr. Mike Romanz, President of S.A.M.S. The students met at the Union early on Saturday morning and loaded the two vans that were to take them to the Big Apple. After a quick stop at Capi Cod, the group was headed for the city.

The students arrived at the St. Regis Plaza in New York to see some interesting and refreshing. Though Times Square was lively, Washington Square, located in the center of the Village, proved to be the group’s favorite nighttime location. The overpopulation of people was delightful.

After a good night sleep, the students went to an instrest and ventured back into the city. Throughout the weekend, the group traveled uptown, downtown, and all around New York to view and learn about the world center poised to be the most interesting. The urban scene elevates into the sky in over 1,000 buildings and houses. There are more than 1,000 tranquiling firms and organizations. With one glance, one stops a quarter mile up in the sky. The observation deck you can use to see the skies in all directions while taking in spectacular sights of skyscrapers. Is America’s most famous, New York City neighborhood, and huge bridges which leads into the concrete island.

The financial center of the nation—Wall Street, the Broadway and Madison Avenue, are all visible. Dr. Indelicato presented the Award for Volunteer Service, the Class of 1935, turned out in strength and donated a check for $3,900 to the Department of Mathematics in support of the Math Club. The financial effort of the National Financial Planning Program, which Dr. Indelicato hailed as the association’s highest honor for financial planning, was recognized. BridgeWater Alumni Award for Outstanding Service was presented to receive a check for $500 for an ongoing program to fund the first part of an endowment to fund the first part of an endowment to fund the new scholarship.

The highlight of the evening was when the Alumni Association’s highlight of the program was a presentation to the students of the College Greenhouse, the oldest existing college facility, which dated back to 1872.

In addition to this event, another $10,000 in alumni scholarship were announced the following BridgeWater was established for volunteer service, which Dr. Indelicato received $2,500 from the Alumni Association for an ongoing program to fund the first part of an endowment to fund the first part of an endowment to fund the new scholarship.

Dr. William Kessler, Chairman of the Department of English was presented with a check for $2,500 to be used Bridgewater College. The bridgeWater award was presented to the students of the College Greenhouse, the oldest existing college facility, which dated back to 1872.

Tribute to Dr. Larson

John F. Kennedy shaped the face of Civil Rights in our nation. Walt Disney changed the face of entertainment. And Thomas A. Edison created a foundation on which modern technology is built. But in the field of music, one person stood out above all: Muddy Waters sideman, Dr. A. Larson.

Dr. Larson had a profound impact on the music world. His contributions to the field were immense, and his influence can still be felt today. He was a true original, and his legacy will live on for generations to come.

RULES

1. The winners will be notified in the next issue of the Comment.
2. The staff of The Comment and The Testor need to thank Dr. Larson for all of his hard work and dedication.
3. There can only be two winners this year.
4. There will be two winners each week.
5. Winners will be notified in the next issue of the Comment.

Congratulations to the winners:

1. Mrs. Jane Doe (winner of the first prize)
2. Mr. John Smith (winner of the second prize)

The staff of The Comment and The Testor would like to thank all of the listeners who entered the contest. We hope that you will continue to listen to our program and participate in our future contests.

Firm Needs Firming Up

The Firm was a band that consisted of four musicians: Jim Peterik, Dale Tallman, Peter Cetera, and Jimi Hendrix. They were known for their distinctive sound and their unique style, which included elements of rock, blues, and soul. 

The Firm was one of the most popular bands of the 1980s, and their music reflected their unique approach to music-making. They were known for their catchy melodies, energetic performances, and their ability to blend different genres together.

Sports Editor

As the sports season comes to an end, I would like to take this opportunity to thank all the athletes who have competed over the past year. Your hard work and dedication have not gone unnoticed. You have all shown true athleticism, sportsmanship, and character. We are proud of you and wish you all the best in your future endeavors.

On a lighter note, I would like to mention the upcoming events in the community. The Triathlon season is upon us, and I urge all interested individuals to participate. The races are open to all ages and abilities, and the proceeds will go to a local charity. Keep an eye out for more information in the coming weeks.

In other news, the Women’s Basketball team has made it to the regional championships, and we are extremely proud of their hard work and commitment. We wish them the best of luck in their upcoming games.

Remember to stay active and healthy in the months to come. Keep up with your school’s athletic events and support your fellow students. Go Bears!
By Mike Stover

Sports Editor

As Sports Editor for this past season, I have enjoyed the wonderful moments we have been able to cover in The Common. On this, the last issue of the paper, I would like to extend my thanks to all the coaches, athletes, and fans who have made this possible. I would also like to thank my fellow staff members for their hard work and dedication.

The season was filled with exciting events, from the high-pressure playoff games to the fun-filled social events. I have enjoyed being a part of this team and I look forward to continuing to cover sports in the future.

I would like to express my gratitude to my family and friends for their support and encouragement. Without their help, this season would not have been possible.

I also want to thank my school and the community for their support. Your enthusiasm and dedication to the sports programs have made this season one to remember.

Finally, I want to extend my thanks to all the readers of The Common. Your support and comments have helped make this season a success.

Thank you for everything,
HORRORSCOPES

Aries (Mar 21-Apr 20)

If it were Christmas Santa would bring you no presents.

Taurus (Apr 21-May 21)

If you indulge you will bulge.

Gemini (May 22-Jun 21)

If you wear the same clothes every day people will remember you better.

Cancer (Jun 22-Jul 23)

Always remember that if you crumple your money in little balls it won’t stick together.

Leo (Jul 24-Aug 23)

If you do rugs, they aren’t working if you can’t read this.

Virgo (Aug 24-Sep 23)

When The Who wrote “Teenage Wasteland” they had you in mind.

Scorpio (Oct 23-Nov 21)

Watch out for evil Gremlins. They creep in the early morning.

Sagittarius (Nov 22-Dec 21)

The crystal ball shows dark caves in your near future.

Aquarius (Jan 21-Feb 19)

If you’re thinking of taking a swim this week, DON’T! The sharks are sure to get you.

Pisces (Feb 20-Mar 20)

The evil liquor is missing one ingredient, you.

Dear P.J.

Last week I put my foot in my mouth and have been unable to get it out. Help me! Please help me! It is embarrassing to have some­one else’s foot in your mouth.

A Poem

Morning mist has beckoned me
To tread her dewy floor.
I walk – my footprints burn the grass
And open Dawns bright door.

Find once inside ,
I see a light
That shines across my soul
And bathes me in a peaceful warmth
That Death can never know.

Dear Foot,

Well it is better to have your foot in your mouth than someone else’s up your nose!

Larry Dennis, a nervous force in the SGA, has been caught in a career crisis: scandal.

Larry Dennis who is fazed departing.

The No Comment is publicly endorsing Dominic Fooley Jr. for SGA Senator. He is one of the oldest students at BSC and one of the most universally known in all phases of life. Dom is getting a bad rap and we believe it's undeserved.

The Board of Trustees, who plan to give him their vote, think that the votes he will get in the Real are undeniable.

If you need complete control of the campus is now in mourning.

NEW GER STANDARDS

The "Generally Education Requirements (GER) Committee met last week in their first post-summer meeting to discuss changes in the GERs. These changes are known commonly as "GEs." After intense arguments between the faculty and the analysis, the committee decided to require all students to take EN-101, 102, 103, 104, 105, and 106.

"History of the Holocaust to Big Bang," a new course fulfilling the new "GER" requirement, will be offered this fall. The course will be taught by Fooley, a new history professor.

Math majors have several options available to them for this course. They can either take EN-101 and 102, or they can transfer to the Math Department and take MA-101 and 102.

"We're really dead," said all members of the Math Department.

The course will cover the history of the Holocaust from the time of the Nazis to the present day. "Big Bang" will cover the history of the universe from the Big Bang to the present day.

The course will be held on Tuesdays and Thursdays from 12:30 to 1:45 pm in room 102.

DEAD HORSE BEATEN

Last Thursday a group of dead horses were found hanging in a holding shed. The horses were found dead after being fed a special diet of grass and oats. The death of the horses was confirmed by a veterinarian.

"It's really dead," said the veterinarian. "We've done everything we could, but it's really dead."
